GENERAL CONDITIONS:

This proposal is based on information provided to McNeil & Company by your Agent. An application signed and dated by an official of the entity and the agent/broker must be received prior to binding coverage.

The quotation in this proposal does not necessarily match the coverages or limits requested in any bid specifications and/or application.

Each individual policy contains the actual terms, conditions and exclusions. This proposal highlights certain features and benefits of the program.

Final premium is subject to adjustment based on any changes to limits and coverages received subsequent to the release of this proposal.

OUR PROMISE

We developed your Insurance Proposal based on information provided by your ESIP insurance agent. We depend on your agent's knowledge of your organization and on interviews with your organization's personnel, to design the best policy and coverages for you. If you have any questions or concerns about the adequacy or appropriateness of the proposed coverage, please discuss them with your ESIP agent. Many of the policy features can be customized to meet your special needs.

In this proposal we outline the various coverages being offered. However this document can not take the place of an actual policy. Only an actual policy contains all of the terms, conditions, and exclusions that affect your coverage. Please review your policies carefully with your agent to be certain that you clearly understand your insurance program.

We believe that the Emergency Services Insurance Program (ESIP) provides emergency service organizations such as yours with the best insurance products available. We promise that you will find our coverage and service to be beyond your expectations!

For more information about ESIP's products and services, visit us on the Internet at www.esip.com.

IMPORTANT NOTICE

According to our records, your organization does not carry an Accident policy on your members. ESIP offers a 24 Hour Accidental Death & Dismemberment policy providing a death benefit for accidents occurring both on duty and off duty.

At McNeil and Company, we strive to provide the best coverage available for our customers. Your policy provides coverage for your buildings, vehicles, portable equipment and your emergency service liability needs. Your most valuable asset is often overlooked – your members. The financial peace of mind of their loved ones is at risk when duty puts your personnel in harm's way. Offering Accident Insurance protection for your members provides a valuable death benefit to their loved ones should the worst occur.

Furthermore, at a time when departments nationwide are experiencing unprecedented declines in membership, benefits such as these can aid in the recruitment of new members and in the retention of trained personnel.

For your convenience, on the following pages you will find a quote for 24 Hour Accidental Death and Dismemberment coverage for your members. This quote is based on the number of members shown in the Property and Casualty survey provided to us.

In order to ensure that you are aware of the valuable coverage that we are offering, you will need to Accept or Reject this coverage, sign and date the proposal page and return it to us.

We believe that your members deserve the best protection that your organization can provide, whether in the vehicles they drive, the gear they wear, or the equipment they use. Doesn't it make sense to protect their lives as well?
