WHEREAS, the City currently has available an area at the Stations to serve the housing needs of a County EMS crew; and

WHEREAS, the City is willing to provide an area at the Stations to the County as set forth herein and the County desires to occupy such area at the Stations for the purposes set forth herein;

The City agrees to provide the County with the enjoyment and peaceful possession of the above-described areas during the term of this Agreement. In the event the above-described areas are not available in each of the Stations, the City and County may agree upon alternative areas acceptable to both Parties.

- B. Consideration. The County agrees to make a one-time payment in the amount of Four Hundred Thousand Dollars (\$400,000) to Cedar Park for constructing Station #5 facilities to house County EMS equipment and personnel in the Station and for the County's use of the Station for the entire term of this Agreement, as set forth herein. The County's reimbursement amount shall be paid to the City upon completion of Fire Station #5. Billing will be made at the completion of the project by the City, and payment for any invoice is due within thirty (30) days of receipt by the County. The said consideration shall only be applied towards the acquisition and construction costs and expenses associated with the Station, which the City of Cedar Park agrees and accepts as a fair, reasonable and final amount paid by County for such acquisition and construction costs and expenses.

The County agrees to provide improvements to the areas identified above to be solely occupied by the County's EMS crew and to prepare the solely occupied spaces for move-in by the County EMS crews.

- C. Term. This Agreement shall be effective upon the approval of the governing bodies of County and City, signed by the authorized individuals ("Effective Date"), and shall continue in force for ten (10) years or until such times as either Party terminates the Agreement as provided herein.
- D. Removal of County's Improvements. Upon the termination of this Agreement, County shall remove its personal property and may remove any of the improvements that the County made to the Stations, so long as the removal of such improvements does not unreasonably damage the Stations. In the event any damage is caused during the removal of such improvements, the County shall be obligated to repair or cause to be repaired any damage resulting from the removal of its improvements, normal wear and tear excepted.
- E. Condition of the Stations. The County shall not be responsible for maintaining and/or repairing, the Stations' roofs, foundations, parking, grounds, common areas, the structural soundness of the exterior walls, building exteriors, electrical systems, plumbing systems, HVAC systems and all amenities within the Stations. The County shall be responsible for keeping the areas solely used by the County's EMS crew in a clean and neat condition. The County and City shall work in cooperation with one another in keeping the commonly used areas clean and neat.
- F. Use of Premises. The County may only use the designated areas of the Stations for the express purposes set forth herein. Use of the Stations for any other purpose, shall require the written consent of the City. The County shall not make any alterations, additions, or improvements to the Stations without the written consent of the City. This includes the installation of any equipment. The County shall permit the City to enter, inspect, and

make such repairs to its designated areas of the Stations as often as the City reasonably desires at any reasonable time. The County agrees that it is solely responsible for making, at its sole cost, any alterations, additions, or improvements that are mandated by any and all state, federal and local accessibility legal requirements and that become necessary due solely to the County's use of the Stations ("accessibility alterations"). In the event any alterations, additions, or improvements in or to the Stations are made necessary by reason of the special use and occupancy by County and, provided that the City grants its prior written permission to County regarding such alterations, additions or improvements, County agrees that it will make all such alterations, additions, and improvements in or to the Stations at its own expense and in compliance with all building codes, ordinances, and governmental regulations pertaining to such work, use, or occupancy.

- G. Utilities and Service. The City shall provide and maintain, at its sole cost, the mains, conduits and other facilities necessary to dispose of garbage, and to furnish water, gas, electricity, telephone, cable, internet services and sewage service to the Stations. If any of the equipment or machinery necessary or useful for the provision of any of the above services breaks down or for any cause ceases to function properly, the City shall use reasonable diligence to repair the same promptly. If any of the area solely occupied by a County's EMS crew is in need of maintenance or repairs as solely determined by the City, the County shall be financially responsible for any maintenance and/or repairs other than the above described services.
- H. Use of Additional Fire Stations. The County and City may mutually agree to allow County EMS crews to house in additional Cedar Park Fire Stations not described herein, without the consent of the Parties' governing bodies, provided the Parties abide by the terms of this Agreement for any and all additional Fire Stations.
- I. Damage or Injury. The City and the County agree that if either Party is solely negligent in causing real or personal property damage or personal injury to the other that such responsible Party shall pay for the actual cost and expenses incurred for such damage or injury to the extent permitted by law.
- J. Default. Either Party's failure to comply with any provision of this Agreement shall be considered a default. In the event that either Party defaults under this Agreement, the non-defaulting Party shall give the defaulting Party written notice specifying such default. If the defaulting Party has not cured such default within thirty (30) days after its receipt of such written notice, or, if the default cannot with due diligence be cured within a 30-day period, and the defaulting Party has not commenced and proceeded diligently to cure such default, then the non-defaulting Party may terminate this Agreement. It is not a waiver of default if the non-defaulting Party fails to declare immediately a default or delays in taking any action. Pursuit of any remedies set forth in this Agreement does not preclude pursuit of other remedies that may be available in this Agreement and/or under the law. The Parties have a duty to mitigate damages.

## II. GENERAL PROVISIONS

If any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof, but rather this entire Agreement will be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligation of the Parties shall be construed and enforced in accordance therewith. The Parties acknowledge that if any provision of this Agreement is determined to be invalid or unenforceable, it is the desire and intention of each that such provision be reformed and construed in such a manner that it will, to the maximum extent practicable, give effect to the intent of this Agreement and be deemed to be validated and enforceable.

The Parties do not waive, modify, or alter to any extent whatsoever the availability of the defense of governmental immunity under the laws of the State of Texas and of the United States.
- L. Non-Appropriation and Fiscal Funding. The obligations of the Parties under this Agreement do not constitute a general obligation or indebtedness of either Party for which such Party is obligated to levy, pledge, or collect any form of taxation. It is understood and agreed that either Party shall have the right to terminate this Agreement at the end of any Party's fiscal year if the governing body of either Party does not appropriate sufficient funds as determined by the Party's budget for the fiscal year in question.
