Title

3.03. If not previously provided, within seven (7) days after the Effective Date (defined in Section 8.18 below) of this Contract, Purchaser shall cause the Title Company to furnish to Purchaser (with a copy to Seller) a current commitment ("Title Commitment") for the issuance of an Owner's Policy of Title Insurance together with legible copies of all documents constituting exceptions to Seller's title as reflected in the Title Commitment. Purchaser may, on or prior to five (5) days after its receipt of the later of the Title Commitment or the title exception documents, deliver to Seller in writing such reasonable objections as Purchaser may have to anything contained or set forth in the Title Commitment or the title exception documents. Any exceptions shown in the Title Commitment to which Purchaser does not timely object pursuant to the terms of this paragraph shall be deemed approved by Purchaser. Notwithstanding the Survey, the legal description of the Property to be conveyed at Closing under the special warranty of the Deed (defined in Section 5.02) shall remain as described in Exhibit "A" and Exhibit "B", provided that if there is a discrepancy between the Survey and the attached legal description contained in Exhibit "A" and/or Exhibit "B" such as any strips or gores or other property ("Additional Property") that is included in the Survey but not covered by Exhibit "A" or Exhibit "B", Seller shall quitclaim such Additional Property to Purchaser at Closing.

Inspection

3.05. Purchaser acknowledges that Seller is providing Purchaser with an opportunity to thoroughly inspect the Property prior to Closing for all purposes, including any concerns with respect to any past, current or future violation of environmental laws or with respect to the presence, either now or in the past, of any hazardous substances at the Property. Prior to entering upon the Property or performing any tests at the Property, Purchaser shall provide Seller with reasonable advance notice. Purchaser shall, and Purchaser shall cause its agents, employees, contractors and representatives to, hold in confidence all materials and information regarding the Property that are either provided by Seller or obtained by or for Purchaser, except to the extent the same are otherwise publicly available or Purchaser is compelled to disclose them by a court of competent jurisdiction. In addition, Purchaser agrees to: (a) provide Seller (without recourse, representation or warranty) copies of all environmental reports regarding the Property commissioned or prepared by Purchaser, (b) immediately notify Seller of any potential violations of applicable environmental laws or the presence of any hazardous or toxic substances or conditions discovered by Purchaser or any of its agents, employees, representatives or contractors at the Property, and (c) in the event this Contract terminates for any reason, immediately return to Seller (or, at Seller's option, destroy) all studies, reports, information and materials regarding the Property previously provided by Seller to Purchaser.
