

WORK AUTHORIZATION NO. 1

PROJECT: P464 Expo RV Park

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated May 1, 2018 and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and Alliance Engineering Group, Inc (the "Engineer").

Part 1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is \$29,165.00.

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on May 31, 2019. The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

EXECUTED this 7th day of May, 2019.

Alliance Engineering Group Proposal No. P17-0911E

Dear Mr. Bell:

The attached fee schedule and not-to-exceed proposal for the construction observation and materials testing services on the Taylor Exposition Center RV Park are attached for your review. The proposed scope of work, type and frequency of testing were based solely on a review of the project plans from Halff Associates, Inc. dated September 12, 2017 and the Balcones Geotechnical Soils Report dated September 9, 2015.

This not-to-exceed proposal does not include **retesting or re-inspections required due to work or materials found to be non-compliant with the project plans and specifications**. If errors and/or omissions in the type and/or frequency of the observation and testing services are noted, please advise the undersigned at the earliest opportunity so that adjustments can be made to the scope and subsequent fees for the actual anticipated services needed.

We appreciate the opportunity to present this information for your consideration and look forward to an opportunity to be of service.

Respectfully,

Alliance Engineering Group, Inc.

NOTES:

1. Overtime rates of 1.25 times the regular hourly rate will be charged for hours worked over eight (8) hours per day Monday thru Friday or any time before 7:00 a.m. or after 5:00 p.m. Service performed on Saturdays and Sundays will be billed at 1.5 times the regular hourly rate. Services performed on recognized holidays will be billed at 2.0 times the regular hourly rate.
2. All laboratory test fees are F.O.B. our laboratory; additional charge for sample pickup outside of Williamson County may apply.
3. Project Engineer to review/evaluate/sign and seal reports will be billed at \$25/Report
4. Additional tests not specified in this proposal will be quoted upon request.
5. This proposal does not include any costs associated with stand-by, non-readiness charges, and/or trips for re-tests of the previous failing tests.
6. An additional charge will be made for shop inspections made outside of Williamson County. A per diem charge of \$120.00 will be charged for any inspections that will require an overnight stay.

Attachment C - Work Schedule

Work shall begin immediately upon receipt of agreement between County and Alliance Engineering Group Inc. Work schedules will be developed as work is assigned.
