Re: CR200 expansion project
Parcel 3—PEC easement acquisition

Dear Steve and Yan:

In addition to the right of way parcel that Williamson County recently purchased from you, the existing Pedernales Electric Cooperative (PEC) lines which run across the frontage of your property will need to be relocated as part of the road construction project as well since their existing location will be in conflict with the proposed road facility.

The lines will be replaced immediately adjacent to the boundary of the new r.o.w. parcel purchased by the County, and in order to do that the County also needs to acquire a new fifteen (15) foot wide electric easement for the facilities, which equates to a 0.209 acre (9,108 SF) easement area. For the acquisition of these new easement rights the County is proposing to pay you an additional sum based upon the per acre unit value price which we previously agreed to pay to purchase the right of way.

For electric easement acquisitions we typically pay 90% of the full fee value, so in this case the purchase price would be calculated as follows:

0.209 ac. x \$22,500/acre x 90% easement rights = **\$4,232**

So please allow this letter to also confirm our agreement that in return for granting an electric easement to PEC as described herein, Williamson County will pay you the sum indicated above. The form of the easement will be as shown in Exhibit "A" attached hereto.

Upon request from County the Closing and completion of this transaction shall take place through Austin Title Company ("Title Company") within 30 days after full execution of this Agreement, or at other location, date and time agreed to between the parties. County shall be responsible for all fees and costs associated with Closing, except that each party shall be responsible for any attorney's fees they incur. If requested, Owner

shall assist County and Title Company with any curative measures or mortgage lien consent and subordination required as a condition of the Closing.

This agreement is being made in lieu of condemnation by County

If this meets with your understanding please execute the letter where indicated and return it to me, and we will in turn then have this approved and signed by the County and process this for payment and completion as quickly as possible along with your right of way purchase closing.

Very truly yours,

Lisa Dworaczyk
