### STATEMENT OF WORK (SOW)

#### I. PURPOSE

The purpose of this program is to reduce opioid overdose death and improve access to opioid response services through partnership with Emergency Medical Services programs. Grantee will establish and provide oversight for a single-site integrated Emergency Medical Services (EMS) Opioid Response program.

EMS Opioid Response programs combine prevention, treatment, and recovery support strategies with a primary focus on reducing overdose death. EMS Opioid Response programs implement programming using four key strategies: provide overdose reversal education and disseminate opioid overdose reversal medication; provide induction onto U.S. Food and Drug Administration approved medications used to treat opioid use disorder and link patients to ongoing care; provide peer recovery support services; and provide community pre-hospital health care provider follow-up and support.

#### GOALS

To prevent opioid overdose death and increase access to opioid treatment and recovery services. Achieve a target rate of 25 persons served per month when program is fully operational.

#### TARGET POPULATION

The primary population is all Texas residents at risk for opioid overdose.

#### II. GRANTEE RESPONSIBILITIES

A. Grantee will provide integrated opioid response prevention, treatment, and recovery services and activities:

1. to the identified primary population where the target population is located;
2. as approved by System Agency.
3. The EMS provider site must be actively serving persons within the target population no later than three months following the date of the interagency contract agreement execution.

B. EMS Opioid Response program grantee will utilize four basic strategies to provide integrated and collaborative opioid response services:

1. **Overdose Prevention Education and Naloxone** - This strategy provides education to patients, family, friends and supportive allies on how to recognize and respond to an overdose event and provides access to opioid overdose reversal medications. Grantee will:
  - a. Coordinate System Agency approved overdose prevention education trainings for the participating EMS site. Require a minimum of 25% of clinic

staff attend this training within three months of project start date and 75% of staff receive training within six months of project start date. **Deliverable: Submit a report that details the number of attendees, pre and post surveys, as well as attendee profession type by the 15th of the fourth and seventh month.**

- b. Host at least one System Agency approved overdose prevention community education training prior to the tenth month of project start. **Deliverable: Submit a report that includes participant demographic information and pre and post surveys no later than the 15th of the eleventh month of the project.**
  - c. Provide and track overdose prevention education/training to a minimum of 25% of patients, partners, and supportive allies. **Deliverable: Submit monthly reports documenting provision of overdose prevention education/training including demographic information in a System Agency approved format due on the 15th of the following month.**
  - d. Purchase and make available for distribution, supplies that aid in reducing opioid overdose risk including but not limited to overdose reversal kits that include overdose reversal medications. These materials should be made available concurrent with individual and group overdose prevention education and upon patient, partner, supportive ally request. Fentanyl testing supplies may not be purchased. **Deliverable: On an ongoing basis, use System Agency approved opioid overdose reversal application and documentation methods to track both provision of overdose reversal medication and overdose reversals.**
- C. Induction onto Medications and Coordinated Treatment- A person that survives an opioid overdose with the use of opioid overdose reversal medications immediately experiences withdrawal symptoms. Untreated symptoms often times result in a recurrence to use of opioids leaving the person vulnerable to a fatal overdose. Symptoms of withdrawal can be managed with FDA-approved medications used to treat opioid use disorder. This strategy provides induction onto medications used to treat opioid use disorder and links the person with ongoing treatment services. Grantee will:
1. Designate prescriber(s) of buprenorphine for the treatment of Opioid Use Disorder (OUD), and to ensure the designated provider(s) prescribing physician, nurse practitioners, and/or physician assistants participate in DATA 2000 Waiver Training and obtain the waiver to prescribe provide buprenorphine for the treatment of opioid use disorder for each designated prescriber at each of the nine participating EMS sites within 30 days of project start date. **Deliverable: Submit a report that lists waived prescribing practitioners 45 days from contract start date.**
  2. Participate in an ongoing System Agency approved peer mentorship program. Peer mentorship will be provided by both an EMS Opioid Response pilot

program and Office Based Opioid Treatment provider. **Deliverable: Submit monthly documentation of peer mentorship activities due on the 15th of the following month.**

3. Provide universal screening for opioid use disorder. **Deliverable: Submit documentation of each clinic's policy requiring universal screening for opioid use disorder, a copy of the screening tool within one month of contract start date, and monthly patient screening reports in a System Agency approved format due on the 15th of the following month.** Establish Memorandum of Agreement (MOA)s with local Outreach Screening Assessment and Referral providers to facilitate admission into ongoing Medication Assisted Treatment. MOAs must be made available upon request.
4. Within 24 hours of identification of a patient with OUD, make available through a process of informed consent, induction onto buprenorphine for uninsured and under-insured patients with a diagnosis of opioid use disorder. **Deliverable: Submit documentation of each EMS site's diversion control policy, the informed consent form, and patient engagement and retention policies within one month of project start date. Submit monthly patient induction reports including individualized plans for long term care and referrals in a System Agency approved format due on the 15th of the following month.**

D. Peer Recovery Support – Through shared understanding, respect, and mutual empowerment, peer support workers help people become and stay engaged in the recovery process and reduce the likelihood of relapse. Peer support services can effectively extend the reach of treatment beyond the clinical setting into the everyday environment of those seeking a successful, sustained recovery process. This strategy integrates peer recovery support into a traditional primary care environment. Grant will:

1. Coordinate System Agency approved recovery support education and training. Require a minimum of 25% of clinic staff attend this training within three months of project start date and 75% of staff receive training within six months of project start date. **Deliverable: Submit a report during the fourth and seventh month of the project that details number of attendees, pre and post surveys, as well as attendee profession type no later than the 15<sup>th</sup> calendar day of that month.**
2. Contract with or staff certified peer recovery coaches. Recovery coaches must be available on an on-call basis to provide peer recovery support services for patients for a minimum of eight consecutive days after identification or induction and then once a week thereafter. **Deliverable: Submit a monthly patient engagement and retention report in a System Agency approved format due on the 15th of the following month.**

E. EMS Community Paramedicine Follow-up and Support – Strategy four incorporates community paramedicine, a healthcare model that allows paramedics and EMTs to expand their role to provide non-crisis public health and preventive healthcare services. Grantee will:

1. Provide follow-up and support by paramedics and EMTs to address any co-occurring opioid use disorder and primary healthcare issues to all patients identified as being at risk for opioid overdose or opioid use disorder. Paramedics and EMTs must be available to provide primary care consultation and support services for patients for a minimum of eight consecutive days after identification or induction and then once a week thereafter. **Deliverable: Submit a monthly patient engagement and retention report in a System Agency approved format due on the 15<sup>th</sup> of the following month.**

F. Grantee will submit GPRA (Government Performance and Results Act) compliance reports for individuals receiving treatment or recovery services using the funds from this contract. These reports will be completed at intake, six-month follow-up, and discharge. These reports may be conducted by phone. If only referrals are made to treatment or recovery, Grantee does not have to submit GPRA reports. Additionally, the six-month follow-up may be conducted between months five through seven, depending on the individual's availability. **Deliverable: Submit the individual GPRA reports monthly by the 15th day of the following month using a System Agency approved format.**

Any such correction will be at Grantee's or its Subcontractor's sole expense. Whether Grantee's action corrects the noncompliance shall be solely the decision of the System Agency.

The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- B. Grantee shall comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

#### **7.5 CONFIDENTIALITY**

The termination will be effective on the date specified in HHSC's notice of termination. The System Agency's right to terminate the Contract for convenience is cumulative of all rights and remedies which exist now or in the future.

#### **8.3 TERMINATION FOR CAUSE**

Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any, or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

ii. **Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

The Contract may only be amended by an Amendment executed by both Parties.

### 9.2 INSURANCE

- A. Unless otherwise specified in this Contract, Grantee shall acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.
- B. These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Contract.

#### 9.5 INDEMNITY

- A. GRANTEE SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND SYSTEM AGENCY, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF OR RESULTING FROM ANY ACTS OR OMISSIONS OF GRANTEE OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.
- B. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENCE ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.
- C. For the avoidance of doubt, System Agency shall not indemnify Grantee or any other entity under the Contract.

#### 9.6 ASSIGNMENTS

- A. Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.
- B. Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Should Grantee subcontract any of the services required in the Contract, Grantee expressly understands and acknowledges that in entering such subcontract(s), System Agency is in no manner liable to any Subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

#### 9.8 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during work performance in the form of a Technical Guidance Letter (TGL). A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency will be incorporated into the Contract by reference for all purposes when it is issued.

- B. If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

#### 9.10 GOVERNING LAW AND VENUE

The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

#### 9.11 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-

enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

#### **9.12 SURVIVABILITY**

Expiration or termination of the Contract for any reason does not release Grantee from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

#### **9.13 FORCE MAJEURE**

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

#### **9.14 NO WAIVER OF PROVISIONS**

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

#### **9.15 PUBLICITY**

- A. Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.
- C. Contractor is prohibited from using the Work for any Contractor or third party marketing, advertising, or promotional activities, without the prior written consent of System Agency. **9.16 PROHIBITION ON NON-COMPETE RESTRICTIONS**

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

**9.17 NO WAIVER OF SOVEREIGN IMMUNITY**

Nothing in the Contract will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

**9.18 ENTIRE CONTRACT AND MODIFICATION**

The Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.

**9.19 COUNTERPARTS**

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

**9.20 PROPER AUTHORITY**

Each Party represents and warrants that the person executing this Contract on its behalf has full power and authority to enter into this Contract.

**9.21 E-VERIFY PROGRAM**

(D) If HHS determines that CONTRACTOR has violated a material term of this DUA; HHS may in its sole discretion:

1. Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or
2. Require CONTRACTOR to submit to a corrective action plan, including a plan for monitoring and plan for reporting, as HHS may determine necessary to maintain compliance with this DUA; or
3. Provide CONTRACTOR with a reasonable period to cure the violation as determined by HHS; or
4. Terminate the DUA and Base Contract immediately, and seek relief in a court of competent jurisdiction in Travis County, Texas.

HHS Contract No. \_\_\_\_\_

Before exercising any of these options, HHS will provide written notice to CONTRACTOR describing the violation and the action it intends to take.

(E) If neither termination nor cure is feasible, HHS shall report the violation to the Secretary.

(F) The duties of CONTRACTOR or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

**Section 6.05** *Governing Law, Venue and Litigation*

(A) The validity, construction and performance of this DUA and the legal relations among the Parties to this DUA will be governed by and construed in accordance with the laws of the State of Texas.

(B) The Parties agree that the courts of Travis County, Texas, will be the exclusive venue for any litigation, special proceeding or other proceeding as between the parties that may be brought, or arise out of, or in connection with, or by reason of this DUA.

**Section 6.06** *Injunctive Relief*

(A) CONTRACTOR acknowledges and agrees that HHS may suffer irreparable injury if CONTRACTOR or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) CONTRACTOR further agrees that monetary damages may be inadequate to compensate HHS for CONTRACTOR's or its Subcontractor's failure to comply. Accordingly, CONTRACTOR agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

**Section 6.07** *Indemnification*

CONTRACTOR will indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of its Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by CONTRACTOR or its employees, directors, officers, Subcontractors, or agents or other members of its Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure and continues to apply even in the event insurance coverage required, if any, in the DUA or Base Contract is denied, or coverage rights are reserved by any insurance carrier. Upon demand, CONTRACTOR will reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys' fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party to the extent caused by and which results from the CONTRACTOR's failure to meet any of its obligations under this DUA. CONTRACTOR's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

**Section 6.08** *Insurance*

(A) In addition to any insurance required in the Base Contract, at HHS's option, HHS may require CONTRACTOR to maintain, at its expense, the special and/or custom first- and third-party

insurance coverages, including without limitation data breach, cyber liability, crime theft and notification expense coverages, with policy limits sufficient to cover any liability arising under this DUA, naming the State of Texas, acting through HHS, as an additional named insured and loss payee, with primary and non-contributory status, with required insurance coverage, by the Effective Date, or as required by HHS.

(B) CONTRACTOR will provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

**Section 6.09** *Fees and Costs*

Except as otherwise specified in this DUA or the Base Contract, including but not limited to requirements to insure and/or indemnify HHS, if any legal action or other proceeding is brought for the enforcement of this DUA, or because of an alleged dispute, contract violation, Event, Breach, default, misrepresentation, or injunctive action, in connection with any of the provisions of this DUA, each party will bear their own legal expenses and the other cost incurred in that action or proceeding.

**Section 6.10** *Entirety of the Contract*

This Data Use Agreement is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

**Section 6.11** *Automatic Amendment and Interpretation*

Upon the effective date of any amendment or issuance of additional regulations to HIPAA, or any other law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS and/or CONTRACTOR remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and CONTRACTOR to comply with HIPAA or any other law applicable to Confidential Information.
