Parade of storms to cause misery through Christmas

A tenacious weather pattern will yield more frequent storms than normal across the central and eastern U.S. through Christmas - and one such storm could cause major disruptions early next week.

Theresa,

The company sends their estimate copy/invoice via email with a link to pay online. Doug thought it would be better to do a check request, instead of using his credit card. I believe Audra set-up the EX code for me this morning.
