Dear Judge Gravel:

The following determination of fees relates to the referenced project as a condition of participation under the Williamson County Regional Habitat Conservation Plan (RHCP). A review of the proposed project has been conducted in accordance with the RHCP and is based on supporting documents from the application Environmental Due Diligence Documentation. Accordingly, the Williamson County Conservation Foundation makes the following determination as to this application:

1. The enrollment fee for participation for the referenced project will be \$500.00 (Five Hundred and No Hundredths Dollars). This fee is calculated using the acreage in the Edwards Limestone geological karst zone, which totals approximately 4.6 (4.6 acres x \$100/acre rounded up to the nearest acre= \$500.00).
2. Please notify this office as soon as possible – by email to [wccf@wilco.org](mailto:wccf@wilco.org) or by fax to 512-943-1931 – of agreement to these participation terms.
3. A Participation Agreement based on the terms outlined in this Letter will be delivered to the Williamson County Commissioners Court for execution upon receipt of the participation fee.
4. A portion of the Participation Agreement (“Memorandum of Participation”) is to be filed in the deed records of Williamson County. Please return a signed copy of the Participation Agreement to us. If you wish the WCCF to handle filing and to bill you for the associated fee, please indicate in the space at the bottom of this letter. Otherwise, please contact this office for filing instructions.
