

THE STATE OF TEXAS § COUNTY ROAD 277, WILLIAMSON COUNTY
§
COUNTY OF WILLIAMSON § KNOW ALL MEN BY THESE PRESENTS:

RIGHT-OF-WAY EASEMENT

WHEREAS, WILLIAMSON COUNTY is the owner of a portion of a county road established by prescription in, along, over, upon and across certain property more particularly described herein by metes and bound description attached hereto as **Exhibit A**, such road segment commonly known as a portion of County Road 277; and

WHEREAS, such road segment is documented in the 1924, 1936 and 1940 Federal Highways/Texas Highway Department Road Maps of Williamson County, Texas as well as the 1924 Road Map of Williamson County maintained in the records of the Williamson County Road and Bridge Department which, among other evidence known to Grantor, reflect that the road was maintained by Williamson County for more than 10 years; and

WHEREAS, a search of public records and Minutes of the Commissioners Courts meetings from 1924 to the present has occurred, and there is no evidence that the governing body of Williamson County has ever taken any action to close, abandon or vacate the road as permitted under Chapter 251.051 of the Texas Transportation Code.

WHEREAS, the failure of the original landowner and subsequent owners to record an official instrument in deed records recognizing this prescriptive easement in favor of Williamson County has created title uncertainty for public utility lines laying over, under and along the roadway and for adjacent landowners who have used the road for ingress and egress for decades;

WHEREAS, **DAVID NEMIR, TERRI LEE NEMIR PANICO AND PAMELA ANN NEMIR** are the present owners of the land from which the above-described portion of County Road 277 was created, and they wish to settle title uncertainty by formally conveying a right-of-way easement across the surface of the property described in **Exhibit A** hereto; and

NOW, THEREFORE,

DAVID CHARLES NEMIR, PAMELA ANN NEMIR, and TERRI LEE NEMIR PANICO, Grantors, all dealing in their separate property, whose address is C/O David Nemir, 1221 E. Baltimore Dr., El Paso, Texas 79902, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, have bargained, sold, granted and conveyed and by these presents do hereby bargain, sell, grant and convey unto **WILLIAMSON COUNTY, TEXAS**, Grantee, an easement for public roadway purposes, including laying out, opening, constructing, operating, maintaining and reconstructing both roadway facilities and public utility lines in, under, along, upon and across the tract or parcel of land more particularly described in **Exhibit A**, which exhibit is attached hereto and incorporated herein for any and all purposes.

This conveyance is solely for the purpose of clarifying title and establishing a public record of the existence of the prescriptive easement originally establish in favor of Williamson County circa 1924, currently known as a portion of County Road 277, and formalizing and acknowledging the burden the prescriptive easement imposes on the surface use of the identified portion of the Nemir property. No rights are transferred and no burdens are accepted beyond those historically established for the prescriptive easement. Grantors hereby retain title to all subsurface land including but not limited to the oil, gas and sulphur and other mineral interests and all water which may lie in and under said land.

IN WITNESS WHEREOF, this instrument is executed on this the 29th day of January, 2020.
