

WORK AUTHORIZATION NO. 1

PROJECT: On-Call Traffic Engineering Services

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated **March 10, 2020** and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and **Alliance Transportation Group, Inc.** (the "Engineer").

Part 1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is **\$50,000.00.**

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on **June 15, 2022.** The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

EXECUTED this 30th day of June, 2020.

LIST OF ATTACHMENTS

Attachment A - Services to be Provided by County

Attachment B - Services to be Provided by Engineer

Attachment C - Work Schedule

Attachment D - Fee Schedule

Attachment A

Services to be Provided by County

Williamson County Road & Bridge Division personnel will provide:

- Project direction, review, and oversight
- Required traffic counts

Attachment B

Services to be Provided by the Engineer

Task 1: On-Call Traffic Engineering Services

ATG will provide support for any requests from Williamson County staff for traffic engineering needs on an on-call basis, including observations and studies for the following:

- Speed zones
- Safe routes to school
- School zones
- Signal and stop-sign warrants
- pedestrian crosswalks
- Signal timing analyses
- Sight Distance
- Crash/safety analysis
- Other traffic studies needed to address any safety or operational concerns

Deliverables:

ATG will provide appropriate documentation for all support as agreed upon with the County for each request.

Attachment C

Work Schedule

Engineer shall provide a work schedule for the assigned tasks. Work shall begin immediately upon receipt of agreement between County and Engineer and authorization to proceed on assigned services.

Attachment D

Fee Schedule

Rate Schedule – Alliance Transportation Group, Inc.
