Re: Williamson County—CR 450 r.o.w.

Dear Mr. & Mrs. Limmer:

Please allow this letter to set out my understanding regarding your agreement for Williamson County's ("County") fee simple purchase of a portion of your ("Owner") property required as additional right of way for the future expansion of CR 450 ("Project"), as you have negotiated with the Road & Bridge department.

The parties hereby agree as follows:

In return for granting the County fee simple title by Deed in and to a 1.09 acre parcel of property (the "Property"), the location of which is more particularly described by metes and bounds on Exhibit "A" attached hereto, for the acquisition of any improvements existing on the Property, and for the cost of reconstruction of any fencing along the new property boundary line, the County will pay Owner the cash sum of **\$8,553.60**.

The form of the Deed granted to County will be as shown in Exhibit "B" attached hereto.

The Closing and completion of this transaction shall take place through Independence Title Company ("Title Company") within 30 days after full execution of this Agreement, or at other location, date and time agreed to between the parties. County shall be responsible for all fees and costs associated with Closing, except that each party shall be responsible for any attorney's fees they incur. If requested, Owner shall assist County and Title Company with any curative measures or mortgage lien partial release, consent or subordination required as a condition of the Closing.

General real estate taxes for the then current year relating to the Property shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of

taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation, but shall otherwise be the continuing obligation of Seller to fully satisfy. Agricultural roll-back taxes, if any, which directly result from the completion of this transaction and conveyance, shall be paid by County.

If this meets with your understanding please have this letter approved and executed where indicated and return it to me, and we will in turn then have this approved and signed by the County and process this for payment as quickly as possible.

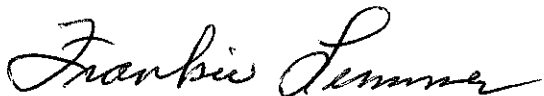

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Lisa Dworaczyk
