Re: A project area encompassing improvements to approximately 2.1 miles of Hairy Man Road in southern Williamson County. The project includes changing lane configurations and expanding the right-of-way between the intersections of Walsh Drive and Sam Bass Road. The project area covers approximately 12.6 acres with approximately 10.6 acres in Karst Zone 1, a participation area. Note: A separate, previously participated project area covers a section of approximately 1,201 feet centered on the intersection of Great Oaks Drive and Hairy Man Road and included a bridge crossing of Brushy Creek (WCCF File #20200128). WCCF file number for this project is WCCF 20200923.

Dear Judge Gravel:

The following determination of fees relates to the referenced project as a condition of participation under the Williamson County Regional Habitat Conservation Plan (RHCP). A review of the proposed project has been conducted in accordance with the RHCP and is based on supporting documents from the application Environmental Due Diligence Documentation. Accordingly, the Williamson County Conservation Foundation makes the following determination as to this application:

1. The enrollment fee for participation for the referenced project will be \$1,100.00 (One Thousand One Hundred and No Hundredths Dollars). This fee is calculated using the acreage in the Edwards Limestone geological karst zone, which totals approximately 10.6 acres (accordingly, 10.6 acres x \$100/acre rounded up to the nearest acre= \$1,100.00).
2. Please notify this office as soon as possible – by email to wccf@wilco.org or by fax to 512-943-1931 – of agreement to these participation terms.
3. A Participation Agreement based on the terms outlined in this Letter will be delivered to the Williamson County Commissioners Court for execution upon receipt of the participation fee.
4. A portion of the Participation Agreement (“Memorandum of Participation”) is to be filed in the deed records of Williamson County. Please return a signed copy of the Participation Agreement to us. If you wish the WCCF to handle filing and to bill you for the associated fee, please indicate in the space at the bottom of this letter. Otherwise, please contact this office for filing instructions.

Subsequent to WCCF's receipt of the original recorded copy, this office will 1) provide a copy for your file, and, upon request, 2) prepare and mail a participation certificate. Although the certificate is not an official document, it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.

Should you have any questions about this letter, please contact WCCF.

Sincerely,

Gary D. Boyd

Director, Environmental Programs
