

458,433 x .80= 366,746

First shot 141,872 or 38.68%

Second Shot 60984 16.62%

65+

73,202 x .80= 58,561

First shot 46,925 or 80.13%

Second Shot 23,384 or 39.93%

Doses this week

12,000 first

20,000 second

We have 25,043 doses still unaccounted for at this time.

If we receive doses at the current rate about 32,000 per week. We could have Williamson County completely vaccinated by July the 4<sup>th</sup>.
