Re: Williamson County—Westinghouse Road/CR111
Jonah SUD waterline easement
Parcel No.: 31A

Dear Mr. & Mrs. Thompson:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a waterline easement interest in and across portions of your property (“Owner”) as part of Williamson County’s (“County”) proposed CR 111 roadway improvements and related appurtenances and utility adjustments (“Project”).

By execution of this letter the parties agree as follows:

1. In return for Owner’s delivery to County of a fully executed and acknowledged waterline easement (“Easement”) in and across that certain parcel of land totaling 495 SF, and in the form as set out in Exhibit “A” attached hereto and incorporated herein, County shall pay Owner the sum of **\$1,000.00** in good funds.

2. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title (“Title Company”) within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County or the easement Grantee in completion of this transaction. County shall be responsible for all typical closing fees and costs associated with this transaction, except that each party shall be responsible for any attorney’s fees they incur. Owner shall assist County and Title Company, at no cost to owner, with any curative measures or mortgage lien consent or subordination required as a condition of the Closing.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding please execute this letter where indicated below and return it to me, and we will have this approved and signed by the County and process this for Closing and payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Lisa Dworaczyk

ENTIRE AGREEMENT:

This instrument contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. Any oral representation or modification concerning this instrument shall be of no force and effect except for any subsequent modification in writing, signed by the party to be charged.
