Re: Williamson County—SE Loop/FM 3349
Right of Way exchange

Dear Mr. Gordon:

Please allow this letter to set out my understanding regarding our Agreement for the exchange of property owned by Frame Switch Energy, Inc. ("Owner") which is required for completion of Williamson County's ("County") proposed Southeast Loop/FM 3349 corridor roadway facility improvements ("Project"), with certain other property owned by County which Owner desires to use for future development of the Owner's operational facilities.

By execution of this letter the parties agree as follows:

1. Owner and County shall deliver fully executed and acknowledged counterparts of an Exchange Deed ("Deed") conveying the exchange of (a) that certain 0.241 acre (10,500 SF) parcel of land identified by metes and bounds in Exhibit "A" attached hereto and incorporated herein, to County; and (b) that certain 0.241 acre (10,494 SF) parcel of land identified by metes and bounds in Exhibit "B" attached hereto and incorporated herein, to Owner, (collectively the "Exchange Property") free and clear of any monetary liens and encumbrances.

2. The Deed shall be in the form as shown in Exhibit "C" attached hereto and incorporated herein.

3. At the request of County, the Closing and completion of this transaction shall take place at Independence Title ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

4. General real estate taxes for the then current year relating to the portion of the Exchange Property being conveyed to the County shall be prorated as of the Closing Date and shall be adjusted in cash at the Closing and delivered to the title company by Owner. If the Closing shall occur before the tax rate is fixed for the then current year, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding year applied to the latest assessed valuation, but shall otherwise be the continuing obligation of Owner to fully satisfy. Agricultural roll-back taxes for the Exchange Property, if any, which directly result from the completion of this transaction and conveyance shall be paid by County.

5. Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to each Grantee under the Exchange Deed for the portion of the Exchange Property received in the amount of \$15,000. County shall be responsible for all typical closing fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien or other encumbrance releases required as a condition of the Closing.

6. As additional compensation to Owner, and as an obligation of County which shall survive the Closing of this transaction, County agrees that it shall cause one (1) driveway facility connection to be constructed between the edge of proposed Southeast Loop "jughandle" roadway improvements and the property line of Owner at the sole cost of County as part of the proposed Project. The driveway shall be constructed in the location, and according to the design and specifications, as identified on the exhibit and plan sheets attached hereto and incorporated herein as Exhibit "D".

By execution of this Agreement, Owner hereby grants permission and right for Owner, its contractors or agents to temporarily enter the property of Owner only to the extent and for the period of time reasonably necessary to carry out completion of the construction obligation of County identified herein.

7. By execution of this Agreement, Owner hereby grants permission and right for County, its contractors or agents, after fourteen (14) days advance written notice to Owner, to enter the property of Owner identified in Exhibit "A" prior to completion of Closing if necessary for any inspection, testing, utility relocation or construction of the Project upon the Exchange Property.

If this meets with your understanding, please execute this letter where indicated below and return it to me, and we will have this approved and signed by the County and process this for completion of Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
