Dear Mr. & Mrs. Zett:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a waterline easement interest in and across portions of your property ("Owner") as part of Williamson County's ("County") proposed CR 366 roadway improvements and related appurtenances and utility adjustments ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged waterline easement ("Easement") in and across that certain parcel of land totaling 1,501 SF, and in the form as set out in Exhibit "A" attached hereto and incorporated herein, County shall pay Owner the sum of **\$390.00** in good funds.

2. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated below and return it to me, and we will have this approved and signed by the County and process this for Closing and payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

DAMAGES:

The consideration given for this Easement constitutes payment in full for all damage sustained by Grantor by reason of the installation of the improvements referred to herein.

ENCUMBRANCES AND LIENS:

Grantor warrants that no person or business entity owns a present possessory interest in the fee title in the Easement Tract other than Grantor, and that there are no parties in possession of any portion of the Easement Tract as lessees. Furthermore, Grantor warrants that the Easement Tract is free and clear of all encumbrances and liens except the following: N/A
