#### Use, ownership, rights, and restrictions.

##### 1.5.Products.

"Product" means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions. Product availability may vary by region. "Product Terms" means the document that provides information about Microsoft Products available through volume licensing. The Product Terms document is published on the Volume Licensing Site (<http://www.microsoft.com/licensing/contracts> or successor site) and is updated from time to time.

All products and related solutions provided under this Work Order will be licensed according to the terms of the license agreement packaged with or otherwise applicable to such product. Customer is responsible for paying any licensing fees associated with Products.

##### 1.6.Fixes

"Fixes" means Product fixes, modifications, enhancements, or their derivatives, that Microsoft either releases generally (such as service packs), or that Microsoft provides to Customer when performing Professional Services (all support, planning, consulting and other professional services or advice, including any resulting deliverables provided to Customer under this Work Order, to address a specific issue. "Professional Services" means Product support services and Microsoft consulting services provided to Customer under this Work Order. "Professional Services" or "services" does not include Online Services, unless specifically noted.

Fixes are licensed according to the license terms applicable to the Product to which those Fixes relate. If the Fixes are not provided for a specific Product, any other use terms Microsoft provides with the Fixes will apply.

### **1.7.Pre-existing Work.**

“Pre-existing Work” means any computer code or other written materials developed or otherwise obtained independent of this Work Order.

All rights in Pre-existing Work shall remain the sole property of the party providing the Pre-existing Work. Each party may use, reproduce and modify the other party’s Pre-existing Work only as needed to perform obligations related to Professional Services.

### **1.8.Services Deliverables.**

“Services Deliverables” means any computer code or materials, other than Products or Fixes that Microsoft leaves with Customer at the conclusion of Microsoft’s performance of Professional Services. Upon payment in full for the Professional Services, Microsoft grants Customer a non-exclusive, non-transferable perpetual, fully paid-up license to reproduce, use and modify the Services Deliverable, solely in the form delivered to Customer and solely for Customer’s internal business purposes, subject to the terms and conditions of this Work Order.

### **1.9.Affiliates’ rights.**

“Affiliate” means any government agency, department, office, instrumentality, division, unit or other entity of Customer’s state or local government that is supervised by or is part of Customer, or which supervises Customer or of which Customer is a part, or which is under common supervision with Customer; together with, as mandated by law, any county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality located within Customer’s state jurisdiction and geographic boundaries; provided that a state and its Affiliates shall not, for purposes of this definition, be considered to be Affiliates of the federal government and its Affiliates.

Customer may sublicense the rights contained in this subsection relating to Services Deliverables to its Affiliates, but Customer’s Affiliates may not sublicense these rights and Customer’s Affiliates’ use must be consistent with the license terms contained in this Work Order.

### **1.10.Restrictions on use.**

Customer must not (and must not attempt to) (1) reverse engineer, decompile or disassemble any Product, Fix, or Services Deliverable, (2) install or use non-Microsoft software or technology in any way that would subject Microsoft’s intellectual property or technology to obligations beyond those included in this Work Order; or (3) work around any technical limitations in the Products or

Services Deliverables or restrictions in Product documentation. Except as expressly permitted in this Work Order, Customer must not (1) separate and run parts of a Product on more than one device, upgrade or downgrade parts of a Product at different times, or transfer parts of a Product separately; or (2) distribute, sublicense, rent, lease, lend, or use any Product, Fix, or Services Deliverable to offer hosting services to a third party.

### **1.11.Reservation of rights.**

All rights not expressly granted are reserved to Microsoft.
