

WILLIAMSON COUNTY LICENSE AGREEMENT

WILLIAMSON COUNTY, a political subdivision of the State of Texas (the "County"), and **PARKSIDE AT MAYFIELD RANCH MASTER COMMUNITY, INC.**, a Texas non-profit corporation (the "Association" or "Licensee"), enter into this **LICENSE AGREEMENT** (this "Agreement") upon the terms and conditions set forth below.

I.

PURPOSE AND GRANT OF LICENSE AGREEMENT

Licensee has requested permission from County to install and maintain two dynamic radar speed (collectively referred to herein as the "Licensee's Improvements"), in portions of the County's right-of-way. The County grants to Licensee permission to install and maintain Licensee's Improvements in the areas of the County's right-of-way described in the attached **Exhibit "A"** (the "Licensed Property").

The County makes this grant solely to the extent of its right, title, and interest in the Licensed Property, without any express or implied warranties.

Licensee agrees that all construction and maintenance permitted by this Agreement will be done in compliance with the terms and conditions of this Agreement and all applicable County, State, and/or Federal police, traffic, building, health, and safety ordinances, laws, and regulations existing at the time said construction and maintenance is performed.

II.

ANNUAL FEE

The County, its governing body, and its respective successors and assigns agree that no annual fee will be assessed for the license and permission herein granted to Licensee. Licensee agrees that the County's permission and grant of a license hereunder and Licensee's ability to construct and obligation to thereafter maintain Licensee's Improvements on the Licensed Property serve as consideration to support this Agreement.

III.

COUNTY'S RIGHTS TO LICENSED PROPERTY

This Agreement is expressly subject and subordinate to the present and future rights of the County, its successors, assigns, lessees, grantees and licensees, to construct, install, establish, maintain, use, operate, and renew any public utilities facilities, franchised public utilities, roadways, or streets on, beneath, or above the surface of the Licensed Property.

Nothing in this Agreement will be construed to limit, in any way, the power of the County to widen, alter, or improve the Licensed Property pursuant to official action by the governing body of the County or its successors. The County does, however, agree to give Licensee at least thirty (30) days' written notice of such action and will cooperate with Licensee to effect the

relocation and/or removal of Licensee's Improvements, at Licensee's sole cost, in the event of such widening, altering, or improvement of the Licensed Property, and further, to cooperate with Licensee wherever possible, to effect such widening, altering, or improving of the Licensed Property so that Licensee's Improvements and operations on the Licensed Property will not be materially affected thereby.

Licensee hereby agrees and acknowledges that Licensee, at its expense, shall be responsible for removal, repair or replacement of Licensee's Improvements from the Licensed Property within forty-eight (48) hours of County's directive to remove specified Licensee's Improvements whenever such removal, repair or replacement is deemed by County necessary for: (a) exercising the County's rights or duties with respect to the Licensed Property; (b) protecting persons or property; or (c) protecting the public health or safety with respect to the Licensed Property. In the event Licensee fails to remove the Licensee's Improvements to the County's satisfaction following County's directive to do so, then and in that event the County may cause the Improvements to be removed at the expense of Licensee.

Notwithstanding any provision in this Agreement to the contrary, the County retains the right to enter upon the Licensed Property at any time without notice to Licensee, assuming no obligation to Licensee, and remove, repair or replace, without liability to County and at Licensee's expense, any of the Licensee's Improvements whenever such removal is deemed by County necessary for: (a) exercising the County's rights or duties with respect to the Licensed Property; (b) protecting persons or property; or (c) protecting the public health or safety with respect to the Licensed Property.

IV.

INSURANCE

Licensee will, at its sole expense, obtain and maintain during the term of this Agreement a commercial general liability insurance policy, written by a company acceptable to the County and licensed to do business in Texas, with a combined single limit of not less than Five Hundred Thousand and No/100 Dollars (\$500,000.00), which coverage may be provided in the form of a rider and/or endorsement to a previously existing insurance policy. Such insurance coverage must specifically name the County as an additional insured and cover all perils arising from the activities of Licensee, its officers, directors, employees, agents, or contractors relative to this Agreement. Licensee will be responsible for any deductibles stated in the policy. A true copy of each instrument effecting such coverage must be delivered to the County on or before the Effective Date defined on the initial signature page hereto.

So long as Licensee is using the Licensed Property, Licensee will not cause such insurance to be canceled nor permit such insurance to lapse. All insurance certificates must include a clause to the effect that the policy will not be canceled, reduced, restricted, or otherwise limited until thirty (30) days after the County has received written notice as evidenced by a return receipt of registered or certified mail.

V.

VI.

CONDITIONS

A. Licensee's Responsibilities. Licensee will be responsible for any damage to and/or for the relocation of Licensee's Improvements on the Licensed Property. Further, Licensee will reimburse the County for all costs of replacing or repairing any property of the County or of others which is damaged or destroyed as a result of activities authorized under this Agreement by, or on behalf of, Licensee.

B. Maintenance. Licensee will maintain the Licensed Property and Licensee's Improvements by keeping the area free of debris and litter. Removal of dead or dying plants will also be handled by Licensee at its expense, as required by the County. Such removal of dead or dying plants must be completed within fifteen (15) days following receipt of a written request by the County to do so. If Licensee abandons or fails to maintain the Licensed Property, and the County receives no substantive response within fifteen (15) days following written notification to Licensee, then the County may remove and/or replace all of Licensee's Improvements.

C. Removal or Modification. Licensee agrees that removal or modification of any improvements now existing or to be later replaced on the Licensed Property will be at Licensee's

sole expense. Said removal or modification will be at Licensee's sole discretion, except where otherwise provided by this Agreement.

D. Default. Licensee agrees to pay, within fifteen (15) days of written demand by the County, all costs and expenses incurred by the County in completing the work or contracting for the work to be completed.

VII.

COMMENCEMENT: TERMINATION BY ABANDONMENT

This Agreement will begin on the Effective Date set forth above the signature of the parties herein below, and continue thereafter for so long as the Licensed Property is used for the purposes set forth herein or until this Agreement is terminated according to the terms hereof. If Licensee abandons the use of all or any part of the Licensed Property for such purposes set forth in this Agreement, then this Agreement, as to such portion or portions abandoned, will expire and terminate following fifteen (15) days' written notice to Licensee. If such abandonment has not been remedied by Licensee within such period, the County will thereafter have the same complete title to the Licensed Property so abandoned as though this Agreement had never been made and will have the right to enter on the Licensed Property so abandoned and terminate the rights of Licensee, its successors and assigns hereunder, with respect to the abandoned Licensed Property. All installations of Licensee's Improvements on Licensed Property abandoned by Licensee that are not removed prior to the County's termination of the license as to such Licensed Property will be deemed the property of the County as of the effective date of the County's termination.

VIII.

TERMINATION

A. Termination by Licensee. This Agreement may be terminated by Licensee as to all or any portion of the Licensed Property by delivering written notice of termination to the County not later than thirty (30) days before the effective date of termination. If Licensee so terminates, then Licensee will, within the 30-day notice period, remove from the portion of the Licensed Property as to which this Agreement is being terminated, installations of Licensee's Improvements. Any of Licensee's Improvements within the portion of the Licensed Property as to which this Agreement is being terminated that are not removed within said period will become the property of the County. Licensee hereby agrees and acknowledges that Licensee will be liable to the County for any damages caused to the Licensed Property by the removal of Licensee's Improvements.

B. Termination by County. This Agreement may be revoked and terminated in whole or in part at any time by resolution of the Williamson County Commissioners Court if such revocation and termination is reasonably required by the public interest (as hereinafter set forth), after providing fifteen (15) days' written notice to the Licensee.

Subject to prior written notification to Licensee or its successors-in-interest, this Agreement is revocable by the County and deemed to be required by the public interest if:

1. the Licensee's Improvements, or a portion of them, interfere with the County's right-of-way;
2. use of the Licensed Property becomes necessary for a public purpose;
3. the Licensee's Improvements, or a portion of them, constitute a danger to the public which the County deems, in its sole discretion, not to be remediable by alteration or maintenance of such improvements;
4. despite fifteen (15) days' written notice to Licensee, maintenance or alteration necessary to alleviate a danger to the public has not been made; or
5. Licensee fails to comply with the terms and conditions of this Agreement including, but not limited to, any insurance requirements specified herein.
