Re: Bagdad Road will be widened and improved from approximately 840 feet southeast of Aynsworth Street in the city of Liberty Hill to Spivey Road in the city of Leander in western Williamson County, Texas (project). The project extends along approximately 2.9 miles of existing roadway, within right-of-way approximately 80-200 feet wide, and covers approximately 65.4 acres (project area). The project also includes bridge replacement at the South Fork San Gabriel River and bridge improvements at the Jinks Branch crossing.

Dear Judge Gravell,

Thank you for your participation in the Williamson County Regional Habitat Conservation Plan (RHCP). The following determination of fees relates to the referenced project area as a condition of participation under the RHCP. A review of the application and supporting documents has been conducted in accordance with the RHCP. Accordingly, the Williamson County Conservation Foundation (WCCF) makes the following determination as to this application:

1. The fee for participation under the Williamson County Regional Habitat Conservation Plan for the referenced project will be \$147,600.00 (One Hundred and Forty-Seven Thousand Six Hundred and No Hundredths Dollars) representing the approximate 3.7± acres of direct impacts of Golden-cheeked Warbler habitat assessed at \$9,000/acre and the 25.4± acres of indirect impacts of Golden-cheeked Warbler habitat assessed at \$4,500/acre. $(3.7 \times \$9,000.00) + (25.4 \times \$4,500.00) = \$147,600.00$

2. Please notify this office as soon as possible – by email to josh.renner@wilco.org or by return mail to the address shown to the left below – of agreement to these participation terms. A signed (in blue ink), scanned copy of this letter is sufficient for acknowledgement of these terms.

3. A Participation Agreement based on the terms outlined in this Letter and following the Williamson County Regional Habitat Conservation Plan will be delivered to you for execution upon receipt of the participation fee indicated in #1 above. Upon receipt of that document please have the appropriate individuals sign where indicated (and notarized where applicable). An accompanying cover memo will further explain the process.

4. A portion of the Participation Agreement (“Memorandum of Participation”) is to be filed in the deed records of Williamson County. The signed copy of the Participation Agreement should be returned to us.

After WCCF receives the original recorded copy from the County Clerk, this office will 1) provide a copy for your file, and, upon request, 2) prepare and mail a participation certificate. The optional, upon request only, certificate is not an official document but if desired it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.

Should you have any questions about this letter, or questions concerning participation under the Williamson County Regional Habitat Conservation Plan, please contact the WCCF.

Sincerely,

Joshua D. Renner
