

**FIRST AMENDED AND RESTATED
DEVELOPMENT
AND
MANAGEMENT AGREEMENT**

THE STATE OF TEXAS

COUNTY OF WILLIAMSON

THIS FIRST AMENDED AND RESTATED DEVELOPMENT AND MANAGEMENT AGREEMENT, hereinafter referred to as the "Agreement", is made and entered into by and between Williamson County, a body corporate and politic under the laws of the State of Texas, hereinafter referred to as "County," and Hill Country Cricket Association, Inc., a Texas non-profit 501(c3) corporation, hereinafter referred to as "HCCA".

WITNESSETH:

WHEREAS, the County has established the Southwest Williamson County Regional Park ("Park") with a Parks Department to be used by members of the general public; and

WHEREAS, HCCA desires to continue to assist County in the development and management of the cricket field, including the main pitch; existing netted practice facilities ("Original Nets"), a new netted practice facility ("New Nets"), and all cricket-related infrastructure, as depicted in the attached **Exhibit "A"** (collectively, the "Cricket Complex") located at the Park in exchange for HCCA's reserved use during specified times as well as public use so as to promote the sport and hobby of cricket;

WHEREAS, HCCA and County previously entered that certain Development and Management Agreement dated December 20, 2013, which had an expiration date of December 31, 2023 ("Original Agreement"); and

WHEREAS, since the commencement of the Original Agreement, HCCA has invested considerable funds and time into the development, construction and maintenance of the Cricket Complex; and

WHEREAS, HCCA and County now wish to continue their mutually beneficial development and management relationship pursuant to the amended and restated terms set out herein; and

NOW THEREFORE, for and in consideration of mutual covenants, agreements and benefits to the parties herein named, it is agreed as follows:

I. PUBLIC PURPOSE

The parties' performance of the agreements and obligations set out herein serves a public purpose of Williamson County, Texas, to-wit the development and management of a Cricket Complex that can be used and enjoyed by the general public as an additional parks and recreational feature offered by the County. The terms and conditions set out in this Amended and Restated Agreement are intended to serve as adequate controls to ensure that the public purpose is accomplished.

II. CONSIDERATION

The County's agreement to reserve the periods set out herein when the cricket field and Original Nets at the Park may be used by HCCA for its activities shall serve as adequate and sufficient consideration for HCCA's agreement to perform its obligations hereunder and thereby assist the County in the continued development and management of the Cricket Complex at the Park.

III. USE OF CRICKET COMPLEX

A. HCCA's Use of Cricket Complex. In exchange for good and valuable consideration described in this Amended and Restated Agreement and except as otherwise set out herein, the County will, for the term of this Amended and Restated Agreement, reserve portions of the Cricket Complex for HCCA's exclusive use during the specified time periods as follows (the "Reserved Period"):

- 1) Cricket Field and Main Pitch:
 - a) Saturdays and Sundays during the publicly advertised operational hours of the Park, as set by County;
 - b) On two weekends of each calendar year, to be chosen by mutual agreement between the parties at least 21 days in advance, for a weekend period beginning no earlier than 4:00 PM on Friday and ending no later than 10:00 PM on Sunday for a night tournament; provided, however, all use of the Cricket Complex during such night tournaments must be completed and concluded, with all lighting turned off, by no later than midnight on Friday and Saturday nights and no later than 10:00 PM on Sunday night in order to avoid disturbances to the adjacent residential neighborhood. Also, all amplified sound must end no later than 10pm each night;

- c) For two separate one-week periods (Monday through Sunday) each calendar year during the publicly advertised operational hours of the Park each day, to be chosen by mutual agreement between the parties at least 21 days in advance, for HCCA's youth cricket camps, which shall be open and available to non-HCCA members;
 - d) HCCA may, at its sole discretion, allow other individuals or groups to use the Cricket Complex during the Reserved Period without waiving its rights under this section; and
 - e) HCCA may organize events, including games and tournaments, at the Cricket Complex within the Reserved Period.
- 2) Original Nets: HCCA shall have exclusive use of the Original Nets that were constructed under the Original Agreement as follows:
 - a) Weekends, Saturday and Sunday, during the publicly advertised operational hours of the Park; and
 - b) Upon completion of the New Nets identified below, on weekdays, Monday through Friday during the publicly advertised operational hours of the Park.

B. General Public's Use of Cricket Complex. The following terms shall apply to the general public's use of the Cricket Complex:

- 1) Cricket Field and Main Pitch:
 - a) At all times other than the Reserved Period, individuals and small groups of up to five individuals, including HCCA members that may be using the Cricket Field and Main Pitch during General Public use periods, may use the cricket field on a first-come, first-served basis or as otherwise managed by a County implemented reservation system as set out hereunder. The parties agree and acknowledge that the intent of this small group limitation is to prevent use of the Cricket Field and Main Pitch for purposes of organized training sessions, team practices and/or team play so that members of the General Public are not precluded from using the Cricket Field and Main Pitch at all times other than the Reserved Period. It is understood and acknowledged that, due to wear and tear, County may restrict use of the Main Pitch during non-reserved periods in order to help ensure longevity of the Main Pitch and immediate adjacent surrounding area.
 - b) Up to four hours during the week, as determined by the County in its sole discretion, for organized cricket related activities for individuals and small groups in excess of five individuals;
 - c) On Saturday and Sunday of the following holiday weekends: Memorial Day, 4th of July, Labor Day, and Thanksgiving;
 - d) Two additional weekends (Saturday and Sunday) each calendar year, for which County and HCCA will coordinate and confirm those weekends no later than January 15 of each calendar year;
 - e) County may choose, at its sole discretion, to implement and manage a fee-based reservation system for general public use of the Cricket Field and Main Pitch for time periods that do not conflict with the Reserved Period; and

- f) As owner of the Park, County may, at its sole discretion, stipulate additional rules and guidelines when necessary to help manage peak general public usage periods and to ensure good condition of the Cricket Field and Main Pitch.
- 2) New Nets: The general public may use the New Nets, as described hereinbelow, on weekends and weekdays during the publicly advertised operational hours of the Park, as managed by the County. County may choose, at its sole discretion, to implement and manage a fee-based reservation system for general public's use of the New Nets for time periods that do not conflict with the Reserved Period. The parties acknowledge that the general public's use of the New Nets may coincide with HCCA's Reserved Period for the Cricket Field and Main Pitch, but such use will not affect or preclude HCCA's use of the Cricket Field and Main Pitch during the Reserved Period or HCCA's use of the Original Nets.

C. Signage.

- 1) At appropriate locations within the Cricket Complex and the Park, County may post signs stating HCCA's Reserved Period, as well as other information related to the Cricket Complex and general public use;
- 2) With prior approval from the County's Parks Director, County will also provide a specific location for HCCA to install requested signage relating to the Cricket Complex. This signage must comply with all applicable code and rules in effect at the time of installation; and
- 3) HCCA will be permitted to maintain the small donor acknowledgement plaque in its present location, which was installed next to the Cricket Complex pursuant to the Original Agreement.

D. Rules and Regulations of Use. All use of the Cricket Complex is subject to County's established Park Rules and Regulations (<https://www.wilco.org/Departments/Parks-Recreation/Rules-and-Regulations>). County hereby acknowledges that any standards of conduct set by HCCA for members of their organization are separate and apart from County rules and regulations and shall not be the County's responsibility to enforce.

IV. HCCA COMMITMENTS AND OBLIGATIONS

A. New Nets. Within one hundred-twenty (120) calendar days from the Effective Date hereof, HCCA will either provide necessary funding to County to construct at least two new lanes of new net facilities or HCCA will independently contract, fund and complete the construction of at least two new lanes of new net facilities ("New Nets"). The proposed design and location of the New Nets must be presented to County for approval in advance of the commencement of any construction. Upon completion, the New Nets will be:

- 1) Managed and maintained by the County;
- 2) Made available for General Public use during the publicly advertised operational hours of the Park:

- a) County may require and collect use fees for the general public's use of the New Nets.
- b) County may require advanced reservations to secure use of the New Nets by the general public.

- 1) Any necessary topsoil and reseedling of the cricket field;
- 2) Maintenance of main pitch;
- 3) Maintenance of Original Nets and associated facilities;
- 4) Maintenance of the storage shed;
- 5) Wicket maintenance, repair, and replacement where and when necessary; and
- 6) Painting of or touch-ups to boundary lines of the cricket field.

Notwithstanding the above, HCCA is not responsible for watering or cutting of grass except as requested by County during a period of drought, as set forth herein. At all times, HCCA will determine the timing of maintenance and repairs, which maintenance tasks are necessary, and when replacement of field elements or equipment is appropriate, provided, however, if safety of users becomes compromised due to a lack of maintenance; if the Cricket Complex is not kept in a condition that a similarly situated cricket field and equipment should be kept for safe and productive play; or if HCCA's lack of maintenance causes the Cricket Complex to be incapable of use for its intended purposes, the County will insist appropriate maintenance and repairs are conducted and HCCA hereby agrees to immediately maintain and make any appropriate repairs. HCCA's performance of maintenance tasks does not waive County's obligations to provide maintenance and repairs, as required herein.

C. HCCA's Miscellaneous Commitments and Obligations. HCCA shall also:

- 1) Promote youth cricket and positive coaching at the Cricket Complex;
- 2) Provide advertising, promotion, and administration necessary to facilitate hosted events and, where events involve other venues, endeavor to maximize the number of participants and audience who visit and use the Cricket Complex and the Park;
- 3) Not interfere with County's management and assessment of fees for general public use of the Cricket Complex during times outside the Reserved Period;
- 4) Refrain from using the ground after heavy rains when such usage would adversely affect field conditions;
- 5) Make its best efforts to assist County with watering in periods of heavy drought, when the County so requests;
- 6) Not permit at the Park any disorderly conduct or practice in violation of any federal, state or municipal laws, rules, regulations or ordinances or of a sort likely to bring discredit upon Williamson County or its governing body, or which, in the opinion of the County, are contrary to good morals or that are otherwise objectionable; and

- 7) Ensure that notice is given to all its members, contractors, subcontractors, volunteers, and any other party associated with HCCA that any access to non-public or non-paved areas of the Park with a motorized vehicle or equipment are approved in advance by the County and that crossing the train tracks with a motorized vehicle or equipment is not allowed except at designated and marked vehicle crossing locations and that all applicable traffic laws are to be followed at all times within the Park. In accordance with this provision, HCCA hereby agrees to be responsible for coordinating and ensuring the funding of any necessary track repairs resulting from prohibited motorized vehicle or equipment crossings by any of HCCA's members, contractors, subcontractors, volunteers or any other party associated with HCCA.

V. COUNTY COMMITMENT AND OBLIGATIONS

A. County hereby agrees to the following commitments and obligations:

- 1) Assume maintenance and management responsibilities of the New Nets following construction;
- 2) Except as otherwise set forth herein, assume management of the Cricket Complex during general public use time periods;
- 3) Conduct the following maintenance for the term of this Amended and Restated Agreement:
 - a) Regular watering and cutting of the cricket field grass, on a reasonable schedule to be determined by County;
 - b) Watering and cutting of the cricket field grass for specific events, as requested by HCCA in advance of events and to be coordinated with County at least 21 days in advance;
 - c) Cleaning and upkeep of the Park parking spaces and restrooms in the proximity of the Cricket Complex.
 - d) To the extent possible and reasonably practical, provide and make available existing Park parking spaces and restroom facilities for cricket related events, provided HCCA coordinates and schedules such events with the County at least 21 days in advance;

 - f) Refrain from leasing or reserving the Cricket Complex or any component for other users in any way that violates this Amended and Restated Agreement; and
 - g) Permit HCCA to provide volunteer or fee-based coaching and instruction to all its members during the Reserved Period.

HCCA hereby acknowledges and agrees that County's performance of maintenance tasks does not waive County's obligations to provide maintenance and repairs, as required herein.

VI. TERM

Subject to the termination rights set out herein, this Amended and Restated Agreement shall continue in full force and effect until December 31, 2028. In the event the County wishes to relocate the Cricket Complex or any portion thereof prior to the termination of this Amended and Restated Agreement, County shall provide, using its best efforts, a mutually agreeable ground that would be reasonably equal or similar to the current location of the Cricket Complex, and all other terms and conditions of this Amended and Restated Agreement shall remain in place unless changed by mutual written agreement.
