Uniform Conditions of Sale

1. This contract, together with the application for credit, contains all of the terms, provisions, conditions, and warranties of the purchase contract and no extension, modification, or amendment hereof shall be valid unless it is in writing and signed by an officer of McCoy Rockford, Inc. (hereinafter referred to as "Seller").
2. By signature hereto, Buyer acknowledges delivery and receipt of a true, correct, and complete copy of this contract including the application for credit incorporated here by references.
3. All cash term orders require 100% deposit prior to order being processed. Customer can request credit with Seller for orders; upon approval deposit requirements become a minimum of 50% for all orders placed with the manufacturer.
4. Unless otherwise specified in agreed upon credit application terms, all invoices are due and payable thirty (30) days after the invoice date. Invoices that remain unpaid thirty (30) days after the invoice date are subject to a 2.5% late fee that will continue to accrue while invoices remain unpaid; unless specified by a special agreement signed by an officer of the seller.
5. ALL purchases made with credit cards are subject to a 3.5% processing fee that Buyer is responsible for paying, unless specified by a special agreement.
6. All merchandise is specifically manufactured to each customers specification and, therefore, no items will be accepted for return without prior approval. If a return is agreed upon, the returned items are subject to a restocking charge. If a contract for specially manufactured merchandise is canceled after work is started, Buyer will pay for work done to date that Seller receives cancellation.
7. The merchandise supplied by the manufacturer shall be subject to reasonable variations from standard in color, quality, finish, and variations allowed by the trade customs of the industry.
8. Seller shall not be liable for any failure, delay, or interruption in performance of this contract which is occasioned by causes beyond its control, including, but not restricted to: fires, floods, pandemics, strikes, lock-outs, labor disputes, accidents, interruptions in transportation services, shortage of raw materials, failure to obtain delivery from manufacturers, any ruling, regulation, or law of any government bureau or agency, or any other cause giving rise to total or partial stoppage to Seller's supplies. Delays so caused shall not release Buyer from its obligations to accept and pay for merchandise. Buyer cannot cancel order once the manufacturer acknowledges the order or without prior written approval of Seller.
9. Seller has limited influence with Manufacturer's delivery schedules but can be held in no way responsible for delayed deliveries. Orders once entered cannot be canceled due to delayed delivery unless Manufacturer accepts cancellation from Seller.
10. After delivery of merchandise by Seller to Buyer, all risk of loss or damage shall pass to Buyer, including, but not limited to: any loss or damage by, either, other trades such as painting or plastering, telephone installation, or fire and other elements. Buyer also agrees to hold Seller harmless and indemnify Seller from loss for such reasons.
11. The purchase price is based on the installation being made during the normal eight-hour, five-day workweek (Monday through Friday), excluding holidays. If installation is required at times other than these, it will be done at premium time rates and Buyer shall reimburse Seller the amount by which such premium time rates exceed normal rates. Additional installation charges will be billed to Buyer if free and ready access to job site is not provided by Buyer.
12. Buyer agrees to pay Seller in full for any portion of the merchandise Buyer has received and accepted. Payment cannot be withheld until an order is complete. Upon delivery of any portion of the merchandise, Seller will invoice buyer for the amount of the Purchase Price relating to the delivered portion of the merchandise. Buyer agrees to pay each invoice consistent with the terms indicated herein. Interest on the unpaid portion of the invoice shall accrue at the highest rate permitted by applicable law. In the event that Seller retains an attorney to collect any past-due payments, Buyer agrees to pay reasonable attorney's fees, plus court costs, arbitration fees, and expenses and disbursements to the extent permitted by law.
13. All furniture ordered in a quantity of a truckload or more will be shipped directly to jobsite for installation. If Buyer is not ready to receive merchandise, merchandise will be stored at Seller's warehouse at Seller's current storage rate per 30-day period or portion thereof. All furniture ordered in quantity of less than a truckload and all flooring materials regardless of quantity can be received and stored at Seller's warehouse for 30 days without additional storage charges to Buyer. After the initial 30 days, Seller's current storage rate will be charged for each 30-day period or portion thereof. In the event that merchandise is brought back to Seller's warehouse from the job site, Buyer/Contractor agrees to pay storage charges starting upon the date of receipt in Seller's warehouse, even if Buyer/Contractor has not issued a purchase order for such storage charges (Exclusive of manufacturer order errors). Double handling will be charged for all merchandise redirected to Seller's warehouse. Upon notification to Buyer that merchandise has been received by Seller, Seller will invoice Buyer in full for merchandise and current storage rate and Buyer hereby agrees to pay ninety percent (90%) of the invoice price for the merchandise within thirty (30) days of invoice date and pay the remaining ten percent (10%) upon installation.
14. Title to and ownership of all merchandise remains in Seller's name, until fully paid. Buyer shall be in default under this contract if there is a default in payment or performance of any obligation contained or referred to herein. In the event of such default on the part of Buyer, or if Seller deems payment of Buyer's indebtedness to Seller to be insecure at any time thereafter, Seller may declare all indebtedness secured hereby immediately due and payable, and shall have all the rights and remedies of a Secured Party under the Uniform Commercial Code of Texas, including, but in no way limited to, the right to enter, without legal process, any premises where said merchandise is located and take possession thereof and remove therefrom. Seller may thereafter sell, lease, or otherwise dispose of any or all of the merchandise. Seller may remedy any default without waiving the default remedied, or without waiving any prior or subsequent default. The undersigned agrees to pay any and all collection costs and reasonable and necessary attorney's fees in connection with Seller's pursuit of payment of any delinquent amounts.
15. Workmanship claim issues under this agreement are warranted by Seller for a period of twelve (12) months from date of delivery to buyer. If the merchandise sold hereunder fails to perform due to workmanship, Seller agrees to repair or replace the merchandise. This does not apply to normal punch list completion. SELLER IN NO EVENT SHALL BE LIABLE FOR DAMAGE BEYOND THE PRICE PAID BY BUYER FOR SUCH DEFECTIVE MERCHANDISE.
16. Physical products purchased under this agreement are warranted by the individual manufacturers stated warranty at time of order entry. Seller will support Buyer in processing of warranty claims with manufacturer and provide necessary service to complete warranted repairs as approved by manufacturer. Seller cannot be held liable for claim of defect not supported by manufacturer.
17. The Seller is the service provider for all manufacturing warranty claims on merchandise sold. All warranties for merchandise shall follow the individual manufacturer warranty. There is no expressed or implied warranty by Seller as to the fitness or merchantability of any merchandise sold, and that there are no oral or implied additional warranties made in connection with the sale of the merchandise sold hereunder.
18. This agreement shall be governed by and construed in accordance with the laws of the State of Texas; in the event of litigation or arbitration, venue shall lie in Houston, Harris County, Texas.
19. Time is of the essence of this agreement. These Terms and Conditions are subject to change without notice.
20. This Contract includes all inclusions and exclusions of the attached proposal
