RE: Billing and Accounts Receivable Service Agreement, Third Party Billing for EMS Services between DM Medical Billings and Williamson County EMS dated January 19, 2021.

Dear Ms. Jones,

Pursuant to our conversations, DM Medical Billings LLC is Mutual Termination of the above referenced agreement due to unusual and unforeseen circumstances Effective March 19, 2022, as there is a sixty days notice clause per our current contract.

DM Medical Billings will in good faith conform to section 4.6 of the agreement and follow up for 120 days, if needed, or will assist the new billing vendor should they take on the follow up of outstanding accounts.

Upon Williamson County obtaining a new vendor to perform the services under the contract, DM Medical will work closely with that vendor to affect a smooth transition.

Please confirm your agreement with the requested Termination of the agreement by Signing in the space provided below.

Thank You,

Dina Mueller

President
