11. CONFIDENTIALITY AND NON-DISCLOSURE OBLIGATIONS. Subject to applicable law, Licensee acknowledges that the Product and Software are sensitive technologies whose Confidential Information requires the highest duty of care. Licensee, Licensee's employees or agents who require access in order to perform hereunder, and all final users of the Product (collectively, "Receiving Party") shall not disclose, use, sell, transmit, inform or make available to any entity, person or body any of the Confidential Information, as defined below, nor shall it copy, photograph, or otherwise reproduce any Confidential Information, except as a necessary part of performing its obligations hereunder, and shall take all such actions as are reasonably necessary and appropriate to preserve and protect the Confidential Information and Grayshift's rights therein, at all times exercising the highest duty of care. Further, the Receiving Party shall not attempt to use any Confidential Information to discover, reverse compile, reverse assemble or reverse engineer the Product, including by removal, disassembly or alteration of any of the Product's components, whether internal or external. Receiving Party agrees to restrict access to Grayshift's Confidential Information to those Authorized Users who require access in order to perform hereunder, and, except as otherwise provided, the Receiving Party shall not make Confidential Information available to any other person or entity without the prior written consent of Grayshift.

11.1. For the purposes of this Agreement, "Confidential Information" means any proprietary, trade secret, financial,

technical and non-technical information related to Grayshift's business and current, future and proposed products and services and any derivatives therefrom containing, including, referring to, or otherwise reflecting and/or generated from such Confidential Information. Confidential Information includes, without limitation, (i) information concerning the methods of use, internal components, features, functions and solutions of Grayshift's software or product offerings (including the Product and the Software), information found on the Grayshift support website, and (ii) any copies, photographs, or other reproductions of the foregoing, whether or not marked as "confidential" or "proprietary."

11.2. Confidential Information shall not include any information that is (i) already known to the Receiving Party at the time of the disclosure; (ii) publicly known at the time of the disclosure or becomes publicly known through no wrongful act or failure of the Receiving Party; (iii) subsequently disclosed to the Receiving Party on a non-confidential basis by a third party not having a confidential relationship with Grayshift that rightfully acquired such information; or (iv) communicated to a third party by the Receiving Party with Grayshift's express written consent.

11.3. A disclosure of Confidential Information that is legally compelled to be disclosed pursuant to a subpoena, summons, order or other judicial or governmental process shall not be considered a breach of this Agreement; provided the Receiving Party promptly notifies Grayshift in writing, if notification is permitted by law, and uses commercially reasonable efforts to assist Grayshift, at Grayshift's expense, in opposing such disclosure or obtaining a protective order or other reliable assurance preventing or limiting such disclosure and/or ensuring that confidential treatment will be accorded to any Confidential Information that is disclosed. Such disclosure does not remove the Confidential Information so disclosed from the protection of this Agreement. No further disclosure beyond the scope of such order is allowed.

11.4. The Receiving Party acknowledges and agrees that due to the unique nature of Grayshift's Confidential Information, there can be no adequate remedy at law for any breach of its obligations under this Section 11, that any such breach will cause irreparable and continuing damage to Grayshift and, therefore, that upon any such breach or any threat thereof, Grayshift shall be entitled to whatever remedies it might have by law and equity, including injunctive relief, a decree for specific performance, and all other relief as may be proper (including money damages, if appropriate). The Receiving Party further acknowledges and agrees that the covenants contained herein are necessary for the protection of legitimate business interests and are reasonable in scope.

12. TERM AND TERMINATION. This Agreement shall continue until terminated as set forth herein. Notwithstanding the foregoing, the license to any Product or Software is only during the license term applicable to such Product or Software. The license term shall be determined in the Quote. At Grayshift's sole discretion, Grayshift may also revoke such license and/or terminate this Agreement immediately without refund or

reimbursement if Licensee violates any Material Provision of this Agreement. For the purposes of this Section 12, "Material Provision" means each of Sections 3 (License Grant), 5 (License Restrictions), 9 (Licensee Warranties), and 11 (Confidentiality and Non-Disclosure Obligations). Any termination of this Agreement shall terminate the licenses granted hereunder. All Confidential Information, Products, Software and/or derivatives therefrom delivered pursuant to this Agreement shall be and remain the property of Grayshift, and upon expiration or termination of this Agreement for any reason, Licensee shall destroy (or return, at Grayshift's election) (i) the Product; (ii) all hardware that contains copies of the Software; (iii) all materials in the possession of Licensee in any medium that contain, refer to, or relate to all other written, printed, or tangible materials containing Confidential Information; and (iv) any derivatives therefrom, and shall so certify to Grayshift that such actions have occurred. No such material shall be retained or used by the Receiving Party in any form or for any reason. Except for the license and except as otherwise expressly provided herein, the terms of this Agreement, including the Confidentiality and Non-Disclosure obligations in Section 11 hereto and any additional terms agreed-to in writing by both parties pursuant to Section 1 hereto, shall survive expiration and termination. Notwithstanding any other provision of this Agreement, the obligations of the parties as to Confidential Information shall remain binding in perpetuity until such information no longer qualifies as Confidential Information or until Grayshift sends the Receiving Party written notice releasing the Receiving Party from its obligations under Section 11 hereto, whichever occurs first.

13. INDEMNITY. Subject to applicable law, Licensee shall indemnify, defend, or at its option settle, any third party claim or suit against Grayshift based on a claim: (i) of any breach of this Agreement by Licensee, its affiliates, employees, agents, successors and assigns; and (ii) relating to or based on the activities conducted by Licensee or its Authorized Users, using or that used the Software and Product; and Licensee shall pay any final judgment entered against Grayshift in any such proceeding or agreed to in settlement. Grayshift will notify Licensee in writing of such claim or suit and give all information and assistance reasonably requested by Licensee or such designee.

14. GOVERNMENT USE. If Licensee is part of an agency, department, or other entity of the United States Government ("Government"), the use, duplication, reproduction, release, modification, disclosure or transfer of the Product or any related documentation is restricted in accordance with the Federal Acquisition Regulation 12.212 for civilian agencies and the Defense Federal Acquisition Regulation Supplement 227.7202 for military agencies. The Product and documentation is a "commercial item", "commercial computer software" and "commercial computer software documentation." The use of the Product and documentation is further restricted in accordance with the terms of this Agreement, or any modifications thereto.

15. EXPORT CONTROLS. Licensee shall comply with the U.S. Foreign Corrupt Practices Act and all applicable export laws, restrictions, and regulations of the United States or foreign agency or authority. Licensee will not export, or allow the export

or re-export, of the Product in violation of any such laws, restrictions or regulations.

16. MISCELLANEOUS. If any provision of this Agreement is held to be invalid, illegal, or unenforceable in any respect, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. The failure of Grayshift to act with respect to a breach of this Agreement by Licensee or others does not constitute a waiver and shall not limit Grayshift's rights with respect to such breach or any subsequent breaches. This Agreement is personal to Licensee and may not be assigned, sublicensed, or transferred for any reason

whatsoever (including, without limitation, by operation of law, merger, reorganization, or as a result of an acquisition or change of control involving Licensee) without Grayshift's consent and any action or conduct in violation of the foregoing shall be void and without effect. This Agreement shall be governed by and construed under the laws of the State of Georgia, U.S.A. without regard to the conflicts of laws provisions thereof, and without regard to the United Nations Convention on Contracts for the International Sale of Goods. The sole and exclusive jurisdiction and venue for actions arising under this Agreement shall be the state and federal courts in Georgia; Licensee hereby agrees to service of process in accordance with the rules of such court.
