Sponsor Name: Williamson County - Juvenile Services

Project Name: GO! Program

Sponsor Unique Entity Identifier: 076930049

Period of Performance: 03/01/2022 - 09/01/2023

State Share: \$29,000.00

SECTION 1 - PROJECT DESCRIPTION AND LOCATION

This Grant Agreement is entered into by the Texas Parks and Wildlife Department (Department), and the Williamson County - Juvenile Services (Sponsor). This award is funded through the Department under the authority of Chapter 24 of the Parks and Wildlife Code.

The scope of this Grant Agreement includes:

As described in the CO-OP grant application, Williamson County Juvenile Services Division will administer the GO! Program to provide forty-three outdoor activities/learning opportunities for 150 unduplicated participants, primarily youth ages 10 – 17 within the Williamson County juvenile justice system, and their families. Fifty of these youth will participate in more than one outdoor event during the grant cycle, and twenty of these activities will be one-on-one with an adult. Activities will include fishing, biking, kayaking, paddle boarding, hiking, backpacking, camping, climbing, outdoor cooking, a Career Development Presentation led by a TPWD Game Warden, four virtual classes and a Service Project at Mother Neff State Park. Most activities will take place in Texas State Parks, city and county parks within Williamson County, and along local rivers and lakes. The project will visit TPWD sites, use TPWD outreach programs and/or partner with personnel as described in the application to develop and enhance participants' relationship with the Agency.

Performance Goals include:

Goal 1: Conduct four 2-hour virtual outdoor education classes on backpacking, camping and Leave No Trace skills within a four to five-week time period for 12-15 youth participants who are residents of a secure residential program and not allowed to leave the facility.

Goal 2: Lead eight 3-4 hour after-school biking, paddling and/or fishing events (4 in the fall and 4 in the spring) for 100 youth participants/family members in city or county parks in Taylor, Round Rock, Cedar Park and Georgetown. A Texas Outdoor Family staff member, Carlos Aguirre, will provide an informational presentation on the Texas Outdoor Family program at each event.

Goal 3: Engage 20-25 youth participants in creating and/or dispersing over 400 seed balls comprised of native wildflower seed in targeted areas of Mother Neff State Park and assist in removing invasive species in order to promote prairie restoration in strategic locations in the park. Park Superintendent Melissa Chadwick will lead a presentation for the youth to help them understand the positive impact their work will have on the parklands and fauna as well as on those who visit for years to come. This will be a 2-part process, with the first part (seed ball making) to take place in the Williamson County Juvenile Justice Center. Several months later, a group will go to the park to disperse the seed balls and remove invasive species.

Goal 4: Coordinate 20 one-on-one or small group SPARK activities, averaging 2-4 hours each, between a Juvenile Probation Officer and youth participant(s) from their caseload that will consist of an outdoor activity such as fishing, biking or hiking to introduce and/or promote the idea of ongoing healthy, pro-social activities as an alternative to delinquent behavior.

Goal 5: Partner with Texas Parks and Wildlife Department Game Warden Bryan Dulock to provide a 90-minute career development presentation, informing 20-25 youth participants about career opportunities in the natural resources field.

Goal 6: Lead a combination of eight 6-8 hour paddling, biking, climbing, hiking, outdoor cooking and/or fishing trips for 60 youth participants to locations that include McKinney Falls SP, Inks Lake SP, Buescher SP, Reimer's Ranch, Mother Neff SP, Lake Georgetown as well as nearby county parks. These activities will provide introductory level skills building opportunities to youth who have little to no experience with the target activities.

Total un-duplicated participants served: 150

Participant demographics include:

- < 40% ethnic minority
- 50–59% female
- 50–59% low income
- < 40% physically/mentally challenged

This grant agreement is not for research and development.
