Re: Williamson County Municipal Utility District No. 25 and Williamson County, Texas v. Texas Crushed Stone Company, Cause No. 21-1736-CC3, County Court at Law No. 3, Williamson County, Texas ("Condemnation Proceeding")

Dear Mr. Shaunfield:

I represent Texas Crushed Stone Company ("TCS"), and you represent both Williamson County, Texas ("County") and Williamson County Municipal Utility District No. 25 ("WCMUD 25") in the Condemnation Proceeding. I write to confirm the terms of the proposed settlement agreement between TCS, County, and WCMUD 25.

1. Expressly subject to the conditions and terms stated below, TCS, County, and WCMUD 25 propose to settle the matters at issue in the Condemnation Proceeding by County and WCMUD 25 paying TCS the total sum of \$153,879.00 in exchange for a Nonexclusive Surface Use Only Easement Agreement in the form attached as Exhibit 1.

2. No later than May 11, 2022, the County Commissioners Court, at a duly called and noticed meeting, will vote on whether to approve this Rule 11 settlement agreement. ("County Approval"). The County Approval, if given, shall be documented in the official meeting minutes for Williamson County, Texas.

3. No later than May 11, 2022, the Board of WCMUD No. 25, at a duly called and noticed meeting, will vote on whether to approve this Rule 11 settlement agreement. ("WCMUD 25 Approval"). The WCMUD 25 Approval, if given, shall be documented in the official meeting minutes for WCMUD 25.

4. If either the County Approval, the WCMUD 25 Approval, or both such approvals do not occur on or before May 11, 2022, then this Rule 11 agreement will be automatically null and void without further notice or action.

5. If both the County Approval and the WCMUD 25 Approval occur on or before May 11, 2022, then the following settlement terms will become effective as the date of the last to occur of the County Approval and the WCMUD Approval ("Effective Date"):

(a) No later than fourteen (14) calendar days from the Effective Date, TCS, the County, and WCMUD 25 will each execute and deliver to the other parties the Nonexclusive Surface Use Only Easement Agreement in the form attached as Exhibit 1.

(b) County and WCMUD 25 represent that the sum of ONE HUNDRED FIFTY-THREE THOUSAND EIGHT HUNDRED SEVENTY-NINE and No/100 Dollars (\$153,879.00) ("Deposited Amount") has been deposited into the registry of the Court in the Condemnation Proceeding for the benefit of TCS. County and WCMUD agree that TCS has the right to withdraw the Deposited Amount from the registry of the Court free of any claims by County and WCMUD 25. TCS agrees to file, in the form attached as Exhibit 2, an agreed motion to withdraw the deposited funds from the registry of the Court no later than fourteen (14) calendar days after TCS receives a fully executed copy of the Nonexclusive Surface Use Only Easement Agreement in the form attached as Exhibit 1; County and WCMUD agree to TCS' motion to withdraw the Deposited Amount in the form attached as Exhibit 2.

(c) Within ten (10) calendar days of County and WCMUD 25 receiving notice, through their attorney, that TCS has received the Deposited Amount, County and WCMUD 25 will file a motion to dismiss the Condemnation Proceeding without prejudice using the form of Motion to Dismiss Without Prejudice attached as Exhibit 3 and the proposed Order of Dismissal Without Prejudice attached as Exhibit 4. TCS, County, and WCMUD 25 agree that each party in the Condemnation Proceeding shall bear its own attorneys' fees, expert fees, and costs in the Condemnation Proceeding.

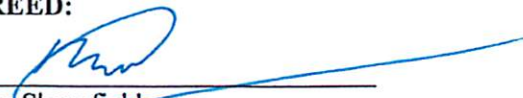

(d) By this Rule 11 agreement, County and WCMUD 25 acknowledge, but disagree with, TCS' assertion that because this Rule 11 settlement agreement is a settlement of a statutory condemnation case, neither County nor WCMUD 25 have immunity from liability or immunity from suit with respect to a claim made and a lawsuit filed to enforce the terms of this Rule 11 settlement agreement. *See, e.g., Hughes v. Tom Green County*, 573 S.W.3d 212 (Tex. 2019); *Tex. A & M Univ.-Kingsville v. Lawson*, 87 S.W.3d 518 (Tex. 2002).

Please confirm the County's and WCMUD No. 25's agreement to the foregoing by signing in the space provided below and returning a signed copy to me for filing with the Court. Thank you.

Sincerely,

R. Matthew Molash

COUNTY OF WILLIAMSON §**

THAT TEXAS CRUSHED STONE COMPANY ("Grantor"), for and in consideration of the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in lieu of condemnation and subject to the exceptions and reservations in this Easement Agreement, has GRANTED, SOLD, AND CONVEYED and, by these presents, does GRANT, SELL, AND CONVEY unto WILLIAMSON COUNTY, TEXAS and WILLIAMSON COUNTY MUNICIPAL UTILITY DISTRICT NO. 25, a political subdivision of the State of Texas, their permitted successors and assigns ("Grantees"), a permanent and perpetual non-exclusive surface use only easement for the following purpose only:

periodically and temporarily increasing the surface water elevation on the surface of those certain tracts of land located in Williamson County, Texas, containing a total of 2.039 acres, as more particularly described in and shown on Exhibit A attached hereto and incorporated herein for all purposes (the "Easement Tracts") from Grantees' drainage of stormwater from Grantees' property onto the Easement Tracts.

Grantor expressly reserves the right to the use and enjoyment of the surface and subsurface of the Easement Tracts for any and all purposes, provided, however, that Grantor's use and enjoyment of the Easement Tracts shall not interfere with, obstruct, or restrict the full and complete use and enjoyment of the Easement Tracts by Grantees in accordance with the terms of, and solely for the purposes expressly set forth in, this Easement Agreement; notwithstanding the foregoing or anything to the contrary in this Easement Agreement or provided by law: (i) Grantees and Grantor agree that Grantor and Grantees shall have equal rights to use the surface of the Easement Tracts for stormwater drainage onto the surface of those tracts; and (ii) without limiting the foregoing, Grantees agrees that Grantor and its successors and assigns will have the right

to direct surface water from Grantor's property to, across, over, and on the Easement Tracts in connection with the current and future use and development of Grantor's property. Grantees further agree and represent that the acquisition of their rights under this Easement Agreement should not diminish the rights of Grantor to jointly use the Easement Tracts and should not result in any additional expenses related to the development of Grantor's adjacent properties. Grantor and Grantees further agree that this drainage easement is limited in scope and that Grantor was not compensated for anything other than the rights as specifically identified in this Easement document: (i) periodically and temporarily increasing, from Grantees' drainage of stormwater from Grantees' adjacent property, the surface water elevation on the surface of the Easement Tracts; and (ii) the related rights of ingress, egress, and regress, inspection, and removal of debris as specifically set forth below.

Grantor shall not, without the prior written consent of Grantee Williamson County, which consent will not be unreasonably withheld, delayed, or conditioned, (i) construct or place or allow to be constructed or placed, any fences, houses, buildings, structures, pavement, or other improvements or other obstructions, whether temporary or permanent, or plant or locate any trees, vegetation, or shrubs on the surface of the Easement Tracts; (ii) install or permit the installation of above-surface pipelines or other above-surface facilities on the surface of the Easement Tracts; or (iii) raise the grade of the Easement Tracts in any way that unreasonably interferes with the Grantees' use of the Easement Tracts for the purposes specifically permitted by this Easement Agreement. Any request for consent pursuant to this or any other paragraph, shall be sent by Grantor by certified mail to:

Williamson County, Texas
c/o County Engineer
710 Main Street, Suite 101
Georgetown, Texas 78626

Grantor reserves all water, oil, gas, rock, sand, gravel, and any other materials or minerals in, on, or under the Easement Tracts, and reserves the right to use the surface of the Easement Tracts for the purpose of exploring, developing, mining, or drilling for the same; provided, Grantor shall not unreasonably interfere with the Grantees' use of the Easement Tracts for the purposes specifically permitted by this Easement Agreement. Without limitation, Grantor shall have the right to excavate in and lower the grade of the Easement Tracts provided that such excavation or lowering of the grade does not unreasonably interfere with the Grantees' use of the Easement Tracts for the purposes specifically permitted by this Easement Agreement.

Grantees shall have no right to: (i) construct or place or allow to be constructed or placed, any fences, houses, buildings, structures, pavement, or other improvements or other obstructions, whether temporary or permanent, or plant or locate any trees, vegetation, or shrubs on the Easement Tracts; (ii) install or permit the installation of above-surface pipelines or other facilities within the Easement Tracts; or (iii) raise the grade of the Easement Tracts. Subject to and conditioned on ten (10) days advance written notice, Grantees shall have the right of ingress, egress, and regress across the surface of the Easement Tracts and the surface of any existing roads on Grantor's property adjacent to the Easement Tracts solely for the purposes of inspection of and removal of debris from the Easement Tracts necessary to prevent restrictions to the reasonable and adequate flow of stormwater across the surface of the Easement Tracts; the condition of ten days advance notice shall not apply if a public health and safety emergency requires immediate access to the Easement Tracts for the purposes permitted by this Easement Agreement, in which case Grantees will give Grantor such notice as is practicable in the circumstances.

Grantor's grants of rights to Grantee by this Easement Agreement is made without warranty except the special warranty of title contained in this Easement Agreement. This conveyance is further made subject to any and all restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interests affecting the Easement Tracts and appearing of record in the Official Public Records of Williamson County, Texas, to the extent in effect and validly enforceable against the Easement Tracts (the "Permitted Encumbrances").

GRANTEES ARE TAKING THEIR RIGHTS TO USE THE EASEMENT TRACTS "AS IS, WHERE IS" AND WITHOUT ANY REPRESENTATIONS OR ANY EXPRESS OR IMPLIED WARRANTIES. GRANTOR DISCLAIMS ANY WARRANTIES (OTHER THAN THE SPECIAL WARRANTY OF TITLE CONTAINED IN THIS EASEMENT AGREEMENT) AND REPRESENTATIONS, EXPRESS OR IMPLIED, REGARDING THE SUITABILITY OF THE EASEMENT TRACTS FOR GRANTEES' USES. GRANTEES REPRESENT AND WARRANT TO GRANTOR THAT GRANTEES ARE RELYING SOLELY ON GRANTEES' OWN INDEPENDENT INSPECTIONS TO DETERMINE SUCH SUITABILITY.

Grantees may not assign, sell, or otherwise transfer any rights under this Easement Agreement, or any rights related to the Easement Tracts, to any nongovernmental party. Grantees may may not assign, sell, or otherwise transfer any rights under this Easement Agreement, or any rights related to the Easement Tracts, to any governmental party without Grantor's written consent, provided that Grantees may assign the Easement Agreement to the City of Georgetown, Texas or any other governmental entity with jurisdiction over the Easement Tracts and with eminent domain authority without Grantor's written consent but expressly conditioned on the City of Georgetown or such

other governmental entity accepting in writing the assignment of the Easement Agreement. Any attempted sale, assignment, or transfer by Grantees, or either of them, without Grantor's consent, when required, shall be void and of no force and effect.

The covenants and agreements contained herein shall run with the land and shall inure to the benefit of and shall be binding upon Grantor and Grantees and their respective permitted successors and permitted assigns except as otherwise provided in this Easement Agreement.

The individual signing this instrument on behalf of Grantor represents that he/she has the requisite authority to bind Grantor. The individuals signing this instrument on behalf of Grantees represent that he/she has the requisite authority to bind the Grantee for whom he/she is signing.

Neither party's failure to insist on strict performance of any part of this instrument shall be construed as a waiver of the performance in any other instance.

This instrument shall be interpreted and construed in accordance with the laws of the State of Texas and the laws of the United States of America, as applicable, without regard to conflict of laws and principles.

This instrument may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one instrument.

Except as provided above regarding Grantor's request for consent, any notice or other communication required by this Agreement to be given, provided, or delivered to a party shall be in writing addressed to the other party as set forth below. Notices shall only be considered "given" for purposes of this Agreement: (a) if by Certified Mail, five business days after deposited with the U.S. Postal Service, Certified Mail, Return Receipt Requested; or (b) if by private delivery service (e.g., FedEx or UPS), on the date delivered to the notice address as evidenced by a receipt signed by any person at the notice address.

Each party has the right to change, from time to time, its notice addresses by giving at least ten (10) days written notice to the other party. If any time period provided in this Agreement ends on a Saturday, Sunday, or legal holiday, the period shall be extended to the first business day following such Saturday, Sunday or legal holiday.

Notwithstanding any other provision or term in this document Grantor and Grantees agree and stipulate that:

(a) Grantor would not enter into this Easement Agreement but for Grantees' intended use of their eminent domain powers to acquire the rights Grantees have acquired by this Easement Agreement, as further described in Cause No. 21-1736-CC3, Williamson County, Texas;

(b) Grantees are acquiring under the threat of condemnation the permanent right to periodically and temporarily increase the surface water elevation on the surface of the Easement Tracts from Grantees' drainage of stormwater from Grantees' property onto the Easement Tracts based upon Grantees' drainage studies that show that the only part of Grantor's property that will be affected by Grantees' drainage of stormwater is the surface of the Easement Tracts and that no drainage improvements are required on the Easement Tracts or Grantor's remainder property in order for Grantees' increased stormwater to flow onto and off of Grantor's remainder property in accordance with the Texas Water Code, common law, and all other applicable laws without any changes to Grantor's remainder property or any other action by Grantor;

(c) The Easement Tracts and Grantors' remaining property are subject to and shall not effect or diminish the vested rights, if any, as described in that certain agreement recorded in the real property records of Williamson County, Texas at document no.

2011022308, and this Easement Agreement is subject to that agreement.

(d) Nothing involving, relating to, or arising from Grantor entering into this Easement Agreement shall make Grantor responsible for the quality, quantity, velocity, or other characteristics of any water, contaminant, substance, or other matter directed to or discharged in, on, or across the Easement Tracts by Grantees, by Grantees' permitted successors or permitted assigns, or by any person or entity claiming rights by, through or from Grantees or either of them;

(e) Grantor disclaims responsibility to any person or entity for any claim or assertion by such person or entity that water directed to or discharged on, in, or across the Easement Tracts by Grantees or their permitted successors or assigns has caused such person or entity injury, damage or harm;

(f) Nothing involving, relating to, or arising from Grantor entering into this Easement Agreement shall make Grantor responsible for detaining water on Grantor's property that, but for Grantees' use of the Easement Tracts, would not need to be detained;

(g) There are no third-party beneficiaries of any type (incidental, donee, creditor, or otherwise) to Grantees' rights under this Easement Agreement other than Grantees' permitted assigns;

(h) To the extent any rights or benefits are implied by law to Grantees as an easement holder, Grantee waives such rights and benefits and agrees the terms of this Easement Agreement will solely govern the relationship between Grantor and Grantee as it relates to Grantees' rights; and

(i) Without limiting Grantor's right to use the Easement Tracts or Grantors' remainder land for any other purposes, Grantor shall have the right to use the Easement Tracts and the remainder of Grantor's lands for mining, dredging, or other production of rock, aggregate, sand, gravel, and any and all other substances, mineral, or materials so long as such activities do not unreasonably interfere with Grantees' rights to use the Easement Tracts as specifically provided in this Easement Agreement.

Subject to the reservations and other matters set forth in this Easement Agreement and the Permitted Encumbrances, Grantor does hereby bind itself and its successors and permitted assigns to WARRANT AND FOREVER DEFEND, all and singular, the rights to use the Easement Tracts specifically described in this Easement Agreement unto Grantees and their permitted successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Grantor, but not otherwise.

CAUSE NO. 21-1736-CC3

**WILLIAMSON COUNTY MUNICIPAL § IN THE COUNTY COURT
UTILITY DISTRICT NO. 25 and §
WILLIAMSON COUNTY, TEXAS §**

Condemnor

v.

TEXAS CRUSHED STONE COMPANY §

Condemnee

§ AT LAW NO. THREE

§ WILLIAMSON COUNTY, TEXAS

AGREED MOTION TO WITHDRAW DEPOSITED FUNDS

Defendant/Condemnee Texas Crushed Stone Company ("Property Owner") files its Agreed Motion To Withdraw Deposited Funds and shows as follows:

1. This is a condemnation proceeding filed by Williamson County, Texas ("County") and Williamson County Municipal Utility District No. 25 ("WCMUD 25").

2. On December 14, 2021, the Special Commissioners appointed by the Court held a hearing after which the Special Commissioners entered an award of \$153,879.00, a copy of which Award is on file with the Court. On December 21, 2021, Williamson County deposited with the Clerk of the Court the amount of the Special Commissioners' Award, \$153,879.00.

3. On December 30, 2021, Property Owner filed Objections to the Award of Special Commissioners.

4. The parties have settled this action as reflected in a Rule 11 agreement on file with the Court. Pursuant to that settlement, the parties have agreed that Property Owner is entitled to, and shall, withdraw the \$153,879.00 from the registry of the Court.

4. Pursuant to Property Code Section 21.021, attached as Exhibit A is a tax certificate showing that there are no delinquent taxes, penalties, interest, or costs owing on the condemned property or on any larger tract of which the condemned property forms a part.

5. As reflected in the parties' Rule 11 Agreement, County and WCMUD No. 25 agree to this Motion.

WHEREFORE, PREMISES CONSIDERED, Property Owner prays that the Court enter an Order:

1. Providing that Property Owner may withdraw from the Registry of the Court the sum of \$153,879.00;

2. Directing the County Clerk to draw a check or other negotiable instrument in the amount of \$153,879.00, less any administrative fees charged by the Clerk and plus any accrued interest on the deposited funds, payable to Texas Crushed Stone Company and to deliver such instrument to Texas Crushed Stone Company by mailing such check to Texas Crushed Stone Company, c/o W. B. Snead, President, P.O. Box 1000, Georgetown, TX 78627-1000; and

3. For such other and further orders as may be necessary in connection with this Motion and the withdrawal of the funds from the registry of the Court.
