PROJECT NAME: Wilco-NCF-Wireless bldg Camera add

PROJECT SCOPE OF WORK

DIR-CPO-4494

Knight Security Systems (KSS) will provide and install Security systems for Williamson County North Campus Facilities-Wireless Building location.

System installation includes hardware, system licenses, programming, and configuration unless otherwise stated below.

Video Surveillance System

KSS will furnish and install the following:

- KSS will install One new Exterior camera
 - One exterior corner mounted 4-lens camera
- Initial programming will include:
 - Configurations on existing functional archive server; System ID GSC-170814-368468
 - Enrolling the cameras and setting up basic motion detection
 - One administrative account
 - One view only account
 - Estimated days of storage 30
 - 8MP at H.265 and 10 FPS
 - Calculations are based on 40% motion detection or event recording

The NVR storage capacity is an approximate estimate based on general conditions that KSS does not guarantee. Each device will include the necessary mounting hardware, license and one year manufacturer software license support.

Each device will include the necessary mounting hardware.

Customer Provided Items

- Existing recording server with storage space to accommodate the new devices
- Existing client workstations that meet the system minimal requirements
- Rack space and uninterruptable power supply in the MDF room for rack mount units
- Wall space and 3/4" plywood backboard for wall mount units
- PoE switches and patch panels
- Network configurations for connection of devices to Customer's network
- IP address assignments

Client Initials: RG
BG

Confidential - Do not duplicate or distribute without written permission from Knight Security Systems, Inc.

Finance

Purchaser hereby agrees to pay KSS the following terms:

Project Milestones and Invoicing Procedures

- The Customer is required to pay every invoice in full within 30 days of receiving the invoice.
- Refer to the Standard Terms and Conditions sections 8H, 8I, and 8J.

Any changes from the base price will be adjusted with approved change orders from the Customer.

Engineering - Not included with this scope.

Cabling & Wiring

KSS will be responsible to install all the wiring and connections providing communication and/or control between KSS supplied devices and central control equipment.

Field Devices

KSS will provide all necessary devices and hardware included on the equipment list attached. The devices on the security plans will be installed and programmed into the system according to the system matrix.

Programming

KSS trained personnel will program the security system to provide a functioning operational system. KSS will program each device according to the system matrix provided in the security plans or to match the existing naming convention.

Rental Equipment - Not included with this scope.

Testing

KSS will perform acceptance testing in the presence of the appointed Customer representative to ensure proper operation and communication of all integrated systems. The final system test report will be sent to all parties.

Training - Not included with this scope.

NOTE: THE BELOW PRICING INCLUDED IN THIS PROPOSAL IS CURRENT AS OF TODAY AND PRICING OF THIS ESTIMATE IS SUBJECT TO CHANGE AFTER 15 DAYS.

Conditions and Qualifications

- Customer shall designate a single point of contact for Knight Security. Designated person will coordinate among all departments or agencies and will have authority to make project related decisions and provide final acceptance.
- Work provided by Knight Security, including training, is assumed to be during normal business hours; 7a-5p M-F excluding holidays.
- 120vac, space for control panels, switch, and UPS in a centrally located closet in a climate controlled space provided by Owner.
- Cables will be routed in the accessible ceilings or exposed when attached to building structure. Conduit or other metallic raceway is not included in this proposal unless stated above.
- KSS is not responsible for any existing devices being reused. A quote will be provided to the customer for any devices that are found to be defective or inoperable.
- KSS is not responsible for any damages left from the removal of existing devices. The Customer is responsible for patching and repairing any damages left from the removal of existing devices.
- Due to extreme supply chain issues, Knight Security reserves the right to adjust final proposal pricing until an order is placed with our manufacturer partners. We will inform you within 5 business days of receipt of order about product availability and price increases greater than Knight can absorb.
