The Covenant in this paragraph shall automatically terminate and no longer run with the land or be in effect on the first date that neither Nelson Homestead Family Partnership, Ltd. nor any Nelson-related party owns any portion of the Remainder Property. As used herein, a "Nelson-related party" shall mean a person that holds a direct or indirect ownership interest (legal or beneficial) in Nelson Homestead Family Partnership, Ltd.; a person that is related (to the third degree of consanguinity) by blood, adoption or marriage to one or more of the foregoing persons; or an estate, trust, corporation, partnership, limited liability company or other organization or entity in which any of the foregoing persons have a direct or indirect ownership (legal or beneficial) or controlling interest.

(2) If, at any time in the future, Grantor or its successors and assigns desire to construct a new driveway onto County Road 110 or relocate an existing driveway onto County Road 110, Grantee agrees to cooperate with Grantor to allow such construction or relocation, and to approve any related permits or plans so long as the plans for and locations of the driveways conform with Grantee's driveway standards as they exist on the date hereof. Grantee further agrees to cooperate with Grantor in connection with any applications by Grantor for approvals from any governmental entities with jurisdiction over curb cuts from the Remainder Property onto County Road 110 (including Grantee itself, if applicable).

(3) The CR 110 Improvements must include appropriate facilities for the collection of all drainage and/or stormwater runoff from the Property and the related County Road 110 right of way as required by any applicable Williamson County Design Criteria. No increase in volume of stormwater runoff or drainage may be diverted onto the Remainder Property without an express easement for such drainage granted by Grantor in its sole discretion, and any such easement will be at Grantee's sole cost.

(4) After construction of the CR 110 Improvements, in the event that Grantee abandons use of the Property for public roadway purposes, Grantee shall not thereafter convey title to the Property to any party without first granting Grantor the option to repurchase it pursuant to the requirements of Texas Local Government Code, Section 272.001 or Section 263.002, Texas Transportation Code 251.058(b) or their successors, or other applicable Texas law regarding the disposal of real property by Grantee.

That **NELSON HOMESTEAD FAMILY PARTNERSHIP, LTD., a Texas limited partnership**, and its successors and assigns, hereinafter referred to as Grantor (whether one or more), for and in consideration of the sum of One and No/100 (\$1.00) Dollars cash in hand paid and other good and valuable consideration paid to Grantor by **WILLIAMSON COUNTY, TEXAS**, its agents and assigns, hereinafter referred to as Grantee, receipt of which consideration is hereby acknowledged, has **GRANTED, SOLD and CONVEYED**, and by these premises does hereby **GRANT, SELL and CONVEY** unto Grantee a perpetual easement interest in, on, over, upon, above and across the below-described Property:

All of that certain 0.893 acre (38,878 square feet) of land in the Henry Millard Survey, Abstract No. 452, and the John McQueen Survey, Abstract No. 452, Williamson County, Texas; said tract being more particularly described by metes and bounds in Exhibit "A" attached hereto and incorporated herein (**Parcel 9M-E-Part 2**).

The perpetual easement, right-of-way, rights and privileges herein granted shall be used for the purposes of opening, constructing and maintaining a permanent drainage easement and channel, along with any structures, materials, improvements, pipes, culverts, storm sewer, grading and related appurtenances and equipment which may be necessary to facilitate the proper drainage of and across the public roadway facilities adjacent to the Property (the "Benefitted Tract"), in, along, upon, under and across said premises described in Exhibit "A" together with the right and privilege at all times of the Grantee herein, its agents, employees and representatives of ingress and egress from to and from said premises from the adjacent right of way for the purpose of making any improvements, modifications or repairs which the Grantee deems necessary.

The perpetual easement, right-of-way, rights and privileges herein granted shall also encompass the right of Grantee to trim, cut, fell and remove therefrom all trees, underbrush, vegetation, and obstructions, structures or obstacles within the limits of the Property, but only such as necessary to carry out the purposes of the easement; reserving to Grantor and its successors and assigns, however, all such rights and privileges as may be used without interfering with or abridging the rights and purposes of the easement herein acquired by Grantee, including but limited to construction, operation and maintenance of underground utilities (including water, wastewater, storm sewer, gas and electric utilities), pipelines and buried communications cables, fencing (including livestock fencing) and roads, sidewalks or driveways which cross the Property at not less than a forty-five degree angle. Any such trees or vegetation cut by Grantee shall promptly be removed from the Property.

Grantee shall be responsible for maintaining the easement area described herein and any improvements constructed by Grantee and located in, across or upon the easement area. Grantee, by acceptance of this easement acknowledges and agrees that Grantor hereby expressly reserves the right to relocate, modify and reduce the easement area described herein and alter any improvements or facilities located in, across or upon the easement area, at Grantor's sole cost and expense, provided that such relocation, reduction and/ or alteration shall not cause any use or development of the Benefited Tract to be out of compliance with any regulation of any governmental entity having jurisdiction over the Benefited Tract, and shall not cause the diversion, encroachment, impoundment or increase in the amount of surface water on or across the Benefited Tract in excess of the drainage conditions existing prior to such relocation, reduction or alteration. The Grantor may execute and file in the appropriate public records a replacement easement for any such reduction, alteration and/ or relocation of the easement area, provided such reduction, alteration or relocation of the easement area is in conformance with the terms of this paragraph and such replacement easement is conveyed to the Grantee, its successors or assigns by replacement easement recorded in the appropriate public records. Concurrent with or after the recording of such replacement easement, the Grantee, its successors or assigns shall execute any document presented by the Grantor reasonably necessary or convenient for the release or re-conveyance to Grantor of any easement area not included in the replacement easement.

Further, at any time that stormwater detention and/or drainage flow from the Benefited Tract is adequately handled according to any applicable regulatory codes or requirements without reliance upon the Property or facilities constructed therein, which determination shall be documented by issuance of a permit or other confirmation in writing of the construction and proper operation of any such stormwater facilities by any entity exercising regulatory jurisdiction of the Benefitted Tract for the construction of development improvements, this conveyance shall be null and void. In such event, all right, title and interest of Grantee in the Property (including any future claim of adverse possession thereof) shall automatically terminate and be of no further force and effect, and title to the Property shall then and there wholly and absolutely and automatically revert and be vested in Grantor or its successors and assigns without the necessity of re-entry or suit. By its acceptance hereof, Grantee agrees upon such termination and reversion to convey any interest it may have in the Property to Grantor, or its successors and assigns, by written instrument in recordable form; provided that such an instrument shall not be required for the termination of all of Grantee's interest in the Property and the automatic reversion of title to Grantor, or its successors and assigns; and provided further, that the recording of an affidavit executed by Grantor, or its successors and assigns, stating that such termination and reversion has occurred (and the reason for such termination and reversion) shall be sufficient to confirm reversion of title to the Property in Grantor, or its successors and assigns.

To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage which shall be caused by the exercise of the rights of ingress and egress or by any wrongful or negligent act or omission of Grantee's agents or employees in the course of their employment. Grantee shall be responsible for the correction of, or compensation for, any damage to Grantor's property which is the result of actions outside the granted purposes of this easement.

TO HAVE AND TO HOLD the same, in perpetuity, in and to Grantee, and its successors and assigns, together with all and singular all usual and customary rights thereto in anywise belonging, and together with the right and privilege at any and all times to enter said premises, or any part thereof, for the purpose of constructing or maintaining said drainage and for making connections therewith.

Grantor does hereby bind its heirs, executors, administrators and assigns to WARRANT AND FOREVER DEFEND, all and singular, the said premises unto Williamson County, Texas, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof by, through, or under Grantor, but not otherwise. This conveyance is made subject to any validly existing matters of record affecting this Property which are recorded in the Official Records of Williamson County, Texas.

The perpetual easement, right-of-way, rights and privileges granted herein are non-exclusive, however Grantor covenants not to convey any other easement or conflicting rights within the premises covered by this grant that interfere with the purpose or function of any improvements placed thereon, or the maintenance of the Property for the conveyance of stormwater drainage without the express written consent of Grantee, which consent shall not be unreasonably withheld.

Grantor has executed and delivered this easement, and Grantee has received and accepted this easement and the Property, AS IS, WHERE IS, AND WITH ALL FAULTS, AND WITHOUT ANY REPRESENTATIONS OR WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, WRITTEN OR ORAL, IT BEING THE INTENTION OF GRANTOR AND GRANTEE TO EXPRESSLY REVOKE, RELEASE, NEGATE AND EXCLUDE ALL REPRESENTATIONS AND WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY AND ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES AS TO (I) THE CONDITION OF THE PROPERTY OR ANY ASPECT THEREOF, INCLUDING, WITHOUT LIMITATION, ANY AND ALL EXPRESS OR IMPLIED REPRESENTATIONS AND WARRANTIES RELATED TO FITNESS FOR A PARTICULAR USE OR PURPOSE; (II) THE SOIL CONDITIONS, DRAINAGE, TOPOGRAPHICAL FEATURES, OR OTHER CONDITIONS OF THE PROPERTY OR WHICH AFFECT THE PROPERTY; (III) ANY FEATURES OR CONDITIONS AT OR WHICH AFFECT THE PROPERTY WITH RESPECT TO ANY PARTICULAR PURPOSE, USE, DEVELOPMENT POTENTIAL, OR OTHERWISE; (IV) THE AREA, SIZE, SHAPE, CONFIGURATION, LOCATION, CAPACITY, QUANTITY, QUALITY, VALUE, CONDITION, OR AMOUNT OF THE PROPERTY; (V) ALL EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES CREATED BY ANY AFFIRMATION OF FACT OR PROMISE OR BY ANY DESCRIPTION OF THE PROPERTY; (VI) ANY ENVIRONMENTAL, GEOLOGICAL, OR OTHER CONDITION OR HAZARD OR THE ABSENCE THEREOF HERETOFORE, NOW, OR HEREFTER AFFECTING IN ANY MANNER ANY OF THE PROPERTY; AND (VII) ALL OTHER EXPRESS OR IMPLIED WARRANTIES AND REPRESENTATIONS BY GRANTOR WHATSOEVER. GRANTEE HEREBY EXPRESSLY ASSUMES ALL RISKS AND PERILS ASSOCIATED WITH USE OF THE PROPERTY.
