Re: FY 2023 CSCD Memorandum of Understanding - CSR Director

Date: 08/16/22

This long-standing MOU between Williamson County and Williamson County Community Supervision and Corrections Department (CSCD) is to continue providing one-half of the salary of the Williamson County Community Services Director position, whereas the CSCD continues to pay the other half of the salary in addition to the fringe benefits for this position.

The CSR Director oversees a variety of projects in Williamson County being completed by participants who are completing community service restitution hours for the Courts. When operating under normal conditions, the Williamson County CSR program operates seven days per week to include assisting the Road and Bridge Department on weekends with county road trash cleanup. During the week, the CSR Program Director assigns participants to various community agencies and provides the Williamson County Facilities Department with participants to complete several county office remodel and painting projects. Annually, the participants of the CSR program provide a significant cost savings to the County while providing opportunities for participants to fulfill their court ordered Community Service Restitution hours.
