c/o The Honorable Bill Gravell, County Judge
710 Main Street, Suite 101
Georgetown, TX 78626**

Re: Corridor H to improve the two-lane portion of Sam Bass Road to a three to four-lane roadway with curb and gutters to include shoulders with much of the alignment reconstructed north of the existing roadway (project). The existing roadway will be removed and regraded. The project would also include installation of a 10-foot-wide shared-use path north of the Sam Bass Road and intersection improvements at RM 1431, Walsh Ranch Boulevard, and Great Oaks Drive, Williamson County, Texas. The project area is approximately 2.5 miles long and encompasses approximately 44.1 acres.

Dear Judge Gravell,

Thank you for your participation in the Williamson County Regional Habitat Conservation Plan (RHCP). The following determination of fees relates to the referenced project area as a condition of participation under the RHCP. A review of the application and supporting documents has been conducted in accordance with the RHCP. Accordingly, the Williamson County Conservation Foundation (WCCF) makes the following determination as to this application:

- 1. The fee for participation under the Williamson County Regional Habitat Conservation Plan for the referenced project will be \$4,500.00 (Four Thousand Five Hundred and No Hundredths Dollars) representing the approximate 44.1± acres in the Edwards Limestone geological karst zone unassociated with Zone A & B impacts of known inhabited karst features, as defined in the RHCP, and being assessed at \$100/acre rounded UP to the nearest acre.**
- 2. Please notify this office as soon as possible – by email to josh.renner@wilco.org or by return mail to the address shown to the left below – of agreement to these participation terms. A signed (in blue ink), scanned copy or signed electronic copy of this letter is sufficient for acknowledgement of these terms.**
- 3. A Participation Agreement based on the terms outlined in this Letter and following the Williamson County Regional Habitat Conservation Plan will be delivered to you for execution upon receipt of the participation fee indicated in #1 above. Upon receipt of that document please have the appropriate individuals sign where indicated (and notarized where applicable). An accompanying cover memo will further explain the process.**
- 4. A portion of the Participation Agreement (“Memorandum of Participation”) is to be filed in the deed records of Williamson County. The signed copy of the Participation Agreement should be returned to us.**

After WCCF receives the original recorded copy from the County Clerk, this office will 1) provide a copy for your file, and, upon request, 2) prepare and mail a participation certificate. The optional, upon request only, certificate is not an official document but if desired it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.

Should you have any questions about this letter, or questions concerning participation under the Williamson County Regional Habitat Conservation Plan, please contact the WCCF.

Sincerely,

Joshua D. Renner
