Re: Williamson County—Southeast Loop Segment 2  
Parcel Nos.: 39DE, 39TCE

Dear Sirs:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of certain drainage and temporary construction easement interests in and across portions of the property owned by Hwy 3349 Holdings, LLC (“Owner”) required as part of Williamson County’s (“County”) proposed Southeast Loop Segment 2 roadway improvements and related appurtenances and utility adjustments (“Project”).

By execution of this letter the parties agree as follows:

1. In return for Owner’s delivery of a fully executed and acknowledged drainage easement (“Easement”) to County, free and clear of any monetary liens and encumbrances, in and across those two certain parcels of land totaling 0.622 acre (27,078 SF), and in the form as set out in Exhibit “A” attached hereto and incorporated herein, County shall pay Owner the sum of \$57,879.00 in good funds.

2. In return for Owner’s delivery of a fully executed and acknowledged grading temporary construction easement (“Easement”) to the County, free and clear of any monetary liens and encumbrances, in and across those two certain parcels of land totaling 0.245 acre (10,687 SF), and in the form as set out in Exhibit “B” attached hereto and incorporated herein, County shall pay Owner the sum of \$8,656.00 in good funds.

3. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title Company (“Title Company”) within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. County shall be responsible for all typical closing fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien consent or subordination required as a condition of the Closing.

4. This Agreement is being made, and the Easements are being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated below and return it to me, and we will have this approved and signed by the County and process this for Closing and payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

## DRAINAGE EASEMENT

THE STATE OF TEXAS

COUNTY OF WILLIAMSON

That **HWY 3349 HOLDINGS, LLC**, a Delaware limited liability company, their successors and assigns, hereinafter referred to as Grantor (whether one or more), for and in consideration of the sum of Ten and No/100 (\$10.00) Dollars cash in hand paid and other good and valuable consideration paid to Grantor by **WILLIAMSON COUNTY, TEXAS**, its agents and assigns, hereinafter referred to as Grantee, receipt of which consideration is hereby acknowledged, has GRANTED, SOLD and CONVEYED, and by these premises does hereby GRANT, SELL and CONVEY unto Grantee a perpetual easement interest in, on, over, upon, above and across the following property ("Property"):

All of those certain two tracts of land totaling 0.622 acre (27,078 square feet), more or less, being out of the Massillon Farley Survey, Section No. 25, Abstract No. 238, Williamson County, Texas; said tract being more particularly described by metes and bounds in Exhibit "A" attached hereto and incorporated herein (**Parcel 39DE P1-2**).

The perpetual easement, rights and privileges herein granted shall be used for the purposes of opening, constructing and maintaining a permanent drainage way and/or channel, along with any structures, pipes and grading which may be necessary to facilitate the proper drainage of the adjacent property and roadway facilities, in, along, upon and across said premises described in Exhibit "A" together with the right and privilege at all times of the Grantee herein, its agents, employees and representatives of ingress and egress to and from said premises for the purpose of making any improvements, modifications or repairs which Grantee deems necessary.

The perpetual easement, right-of-way, rights and privileges herein granted shall also encompass the right of Grantee to trim, cut, fell and remove therefrom all trees, underbrush, vegetation, and obstructions, structures or obstacles within the limits of the Property, but only such as necessary to carry out the purposes of the easement; reserving to the landowners and their heirs and assigns, however, all such rights and privileges as may be used without interfering with or abridging the rights and purposes of the Easement herein acquired by Grantee.

To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage which shall be caused by the exercise of the rights of ingress and egress or by any wrongful or negligent act or omission of Grantee's agents or employees in the course of their employment. Grantee shall be responsible for the correction of, or compensation for, any damage to Grantor's property which is the result of actions outside the granted purposes of this easement.

TO HAVE AND TO HOLD the same, in perpetuity, in and to Grantee, and its successors and assigns, together with all and singular all usual and customary rights thereto in anywise belonging, and together with the right and privilege at any and all times to enter said premises, or any part thereof, for the purpose of constructing or maintaining said drainage way and for making connections therewith.

And Grantor does hereby bind his heirs, executors, administrators and assigns to WARRANT AND FOREVER DEFEND, all and singular, the said premises unto Williamson County, Texas, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

This grant is subject to any easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) presently of record in the Official Public Records of Williamson County, Texas, that affect the Property, but only to the extent that said items are still valid and in force and effect at this time. The perpetual easement, right-of-way, rights and privileges granted herein are non-exclusive, however Grantor covenants not to convey any other easement or conflicting rights within the premises covered by this grant that interfere with the purpose or function of any improvements or modifications placed thereon, or the maintenance of the surface of the Property for the conveyance of stormwater drainage, without the express written consent of Grantee, which consent shall not be unreasonably withheld.

EXECUTED on this the \_\_\_\_ day of \_\_\_\_\_, 2022.
