Sale of Parts, Devices and Services**

Company: The Company as used herein shall mean Texas AirSystems LLC., or one of its subsidiaries or affiliates as elsewhere stated herein (herein after "Texas AirSystems" or "Company").

Price Policy: Prices of the goods may be increased depending on the date of release and/or shipment of the order, announced increases in the Company's list prices, or increases in labor and material cost. Quotes are valid for a maximum period of 30 days unless otherwise noted.

Terms of Payment: Terms of payment are subject at all times to prior approval of the Company's credit department. Terms of payment are net 30 days of the date of invoice unless previously otherwise agreed in writing. If at any time the financial condition of the Purchaser or other circumstance affecting the credit decision, in the Company's opinion, does not justify continuance of production or providing of products, or shipment of products on the terms of payment specified, the Company may require full or partial payment in advance, or may at its sole discretion stop or delay production or shipment of products. In the event of default in payment, Purchaser agrees to pay all costs of collection incurred by Company including but not limited to collection agency fees, attorney fees and court costs. All past due amounts shall bear interest at the highest rate allowed by law. Texas AirSystems retains all rights to enforce lien and/or claim opportunities in accordance with respective states and federal laws to protect Texas AirSystems interests.

Shipping terms and dates: All shipments will be made F.O.B. factory or Texas AirSystems warehouse with freight as quoted. Shipment dates are only estimates. No contract has been made to ship in a specified time unless in writing, and signed by an officer of the Company.

Claims: The responsibility of the Company for all shipments ceases upon delivery of goods in good order to the carrier. Since all goods are shipped at Purchaser's risk, any claims for damage or shortage in transit must be filled by Purchaser against the carrier. Claims for factory shortages will not be considered unless made in writing to the Company within ten (10) days after receipt of the goods and accompanied by reference to the Company's bill of lading and factory order numbers.

Taxes: The amount of any present or future taxes applicable to the product shall be added to the price contained herein and paid by the Purchaser in the same manner and with the same effects as if originally added thereto. If Customer is exempt in accordance with law, Customer shall provide Texas AirSystems with acceptable tax exemption certificates.

Cancellations: Accepted orders are not subject to cancellation without the Company being reimbursed for any and all expenses, and being indemnified by Purchaser against any and all loss.

Returned Goods: Goods may not be returned except by permission of an authorized Company official at Irving, Texas, when so returned will be subject to handling and transportation charges. Authorized return goods must be shipped prepaid to the location designated by the authorization. A Texas AirSystems "Return goods Authorization" must be fully completed and

authorized by Texas AirSystems for all returned goods. Terms of Sale: Sale of goods covered hereby to Purchaser is made solely on the terms and conditions set forth herein, notwithstanding any additional or conflicting terms and conditions that may be contained in any purchase order or other form or purchase, all of which additional or conflicting terms and conditions are hereby rejected by the Company unless agreed upon in writing by an officer of the Company. No waiver, alteration or modifications of the foregoing terms and conditions shall be valid unless made in writing and signed by an authorized official of Texas AirSystems, LLC. In particular and without limiting the foregoing, not withstanding anything to the contrary in Purchaser's purchase order or any other documents, the Company does not accept any order subject to project design and specifications. Purchaser agrees to accept full and sole responsibility to determine whether the product ordered by Purchaser meets the design and specifications requirements of any project.

Asbestos and Hazardous Materials: Texas AirSystems services expressly exclude any indemnification, abatement, cleanup, control, disposal, removal or other work connected with asbestos or other hazardous materials (collectively, "Hazardous Materials"). Should Texas AirSystems become aware of or suspect the presence of Hazardous Materials, Texas AirSystems may immediately stop work in the affected area and shall notify customer.

Customer will be responsible for taking any and all action necessary to correct condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for any claims, liability, fees and penalties, and the payment thereof, arising out of or relating to any Hazardous Materials on or about the premises, not brought onto the premises by Texas AirSystems. In no event shall Texas AirSystems be liable for any damages resulting from mold, fungus, bacteria, microbial growth, or other contaminates or airborne biological agents.
