Grantor and Grantee may each be referred to herein as a “Party” or collectively as the “Parties”.

RECITALS

A. Grantee has adopted a program for the placement of art in and on public and private locations throughout the City of Georgetown.

B. Grantor is the owner of the real property located at 904 S Main Street, Georgetown, Texas 78626 and legally described in **Exhibit A**, attached hereto and incorporated herein by reference (“the Property”). Grantor is willing to make a portion of said property available to Grantee for the placement of public art. Said artwork is described or depicted in **Exhibit B**, attached hereto and incorporated herein by reference (“the Artwork”). The location Grantee seeks to place the Artwork is generally depicted on **Exhibit C**, attached hereto and incorporated herein by reference.

IN CONSIDERATION of the mutual promises and performances set forth below, the parties agree as follows:

1. Grant of Easement. Grantor conveys, grants, and warrants to Grantee, its successors and assigns, an easement for the purpose of installing, maintaining, operating and exhibiting the Artwork on and in the Property, including any building and structure thereon.

2. Term of Easement. This easement shall be for a period of five (5) years from the date of execution. Unless terminated as provided in Section 3, below, the easement shall automatically renew thereafter for additional terms of five (5) years each and shall remain in full force and effect unless and until terminated.

3. Termination.

a) At any time after a date that is One (1) year from the execution of this agreement, either party may terminate the easement upon thirty (30) days’ written notice to the other. Grantee expressly agrees and warrants that upon such termination, Grantee shall remove the Artwork and the Property shall be restored to its prior condition, normal wear and tear excepted. Such removal shall occur within thirty (30) days of the termination of the easement, unless extended in writing by Grantor.

b) At any time Grantee may choose to either terminate the easement upon thirty (30) days’ written notice to Grantor or continue to maintain the Artwork on the Property pursuant to this Agreement. Grantee expressly agrees and warrants that if Grantee elects to terminate this

Agreement, Grantee shall remove the Artwork and the Property shall be restored to its prior condition, normal wear and tear excepted. Such removal shall occur within thirty (30) days of the termination of the easement, unless extended in writing by the successor of Grantor.

c) Grantor may terminate the easement at any time at its sole discretion upon thirty (30) days written notice to Grantee, should Grantee fail to substantially perform Grantee's obligations under Section 4, below. Should Grantor elect to exercise this right of termination, Grantee expressly agrees and warrants that the Artwork shall be removed, and the Property restored to its prior condition, normal wear and tear excepted. Such removal shall occur within thirty (30) days of the termination of the easement, unless this period is extended in writing by Grantor.

4. Maintenance, Removal and Modification of Artwork.

a) Grantee shall be responsible for maintaining and if necessary, repairing the Artwork during the existence of the easement. Grantee may remove the Artwork from the property if, in the sole judgment of Grantee, the Artwork is suffering excessive damage. If Grantee removes the Artwork from the property, Grantee will restore the property to its original condition, normal wear and tear excepted. Grantor shall make no modifications to the Artwork. If maintenance of surface adjacent to the Artwork is necessary during the term of the Agreement, Grantee shall be responsible for any such maintenance.

b) If improvements or additions to the Property occur that impact the location of the Artwork during the term of this Agreement, the Artwork may be removed or modified with Grantee's written consent, which shall not be unreasonably denied or withheld, provided that any damages or changes to the Artwork as a result of the improvements or additions made shall be repaired, replaced, or corrected at Grantor's expense.

5. Grantor's Representations. Grantor is not to interfere with the appearance or artistic impression of the Artwork by placing obstructions on or in front of it, by erecting structures adjacent to, above or below the Artwork or by undertaking other measures that would detract from enjoyment of the Artwork. If a major renovation of the building or emergency occur as it relates to the location of the Artwork during the term of the Agreement, the Artwork may be removed as agreed upon by both Parties.

6. Ownership of Artwork. Grantee retains all ownership rights to the Artwork as an artistic work, including marketing, copyright and exhibition rights. Grantor shall be entitled to include the Artwork in photographs, films or videotapes of the Property to the extent that the Property is an incidental part of advertising for a business conducted by Grantor or a tenant of Grantor at the Property.

7. Right of Entry. Throughout the term of this easement or any extension thereof Grantee shall have the right to enter exterior portions of the Property during normal business hours, and at all other times with advance approval of Grantor, for any and all of the purposes described in this Agreement.

8. Binding Effect. The easement granted in this Agreement shall run with the land and

be binding upon and inure to the benefit of Grantor and Grantee, and their respective successors or assigns, and any person or entity acquiring any right, title, or interest in the property, excepting therefrom those conditions set forth in Section 3b above.

9. Indemnification. To the fullest extent permitted by law, Grantee shall indemnify, save and hold harmless Grantor, its officers, employees and agents from and for any and all liability, losses, claims, actions, judgments for damages, or injury to persons or property, including reasonable attorney fees, arising from the acts or omissions of Grantee, its officers, agents, employees, guests and business invitees caused or incurred by Grantee, its officers, agents, employees, guests or business invitees, and not caused by or arising out of the tortious conduct of Grantor or its officer, agents, employees, guests or business invitees.

12. Remedies. EXHIBIT “B”

Artist’s design selected on January 17th 2023 by the City of Georgetown Arts and Culture Board in collaboration with Williamson County and 175th Celebration stakeholders: “Still Making History” by Yasaman Mehrsa.

Design Concept Statement

“For this mural project, I envision a scene that includes the later part of the 19th century of Williamson County on one side and the modern life of the City of Georgetown on the other side that includes the image of a train – an icon that is important to past and future development of the County – as well as the importance of conserving natural resources, which is just as much relevant today as it was historically.

As I was reading about the history and development of the area, I learned that agriculture played a major role in economic growth in the eastern part of the county. On the other hand, the western part was urbanized to a faster pace of life.

Considering the theme of “Still Making History”, I would like to combine the old and new days of Williamson County and the City of Georgetown by including some historical sites (courthouse and old Masonic Lodge), new buildings, agricultural fields, farmhouses, trees (cedar, oak), plants, Red-tailed Hawk, and the San Gabriel River.”
