If at any time Customer revokes this authorization, to the extent the Offerings provide for Customer to limit the Customer Contractor's access and use of the Offerings, then Customer is responsible for taking the actions necessary to revoke such access and use. In the event Customer requires CrowdStrike assistance with such revocation or limitation, Customer must contact CrowdStrike Support with written notice of such revocation or limitation at support@crowdstrike.com and CrowdStrike will disable the Customer Contractor's access to Customer's Offerings within a reasonable period of time following receipt of such notice but in any event within 72 hours of receipt of such notice.

CrowdStrike may make available Customer Contractor Services to Customer, for example, through an online directory, catalog, store, or marketplace. Customer Contractor Services are not required for use of the Offerings. Offerings may contain features, including API's, designed to interface with or provide data to Customer Contractor Services. CrowdStrike is not responsible or liable for any loss, costs or damages arising out of Customer Contractor's actions or inactions in any manner, including but not limited to, for any disclosure, transfer, modification or deletion of Customer Data (defined in Exhibit A). support for, Customer Contractor Services, (ii) disclaims all warranties of any kind, indemnities, obligations, and other liabilities in connection with the Customer Contractor Services, and any Customer Contractor interface or integration with the Offerings, and (iii) cannot guarantee the continued availability of Customer Contractor Services and related features. The only deliverable arising from the Professional Services is a report consisting primarily of CrowdStrike's findings, recommendations, and adversary information. Customer owns the copy of the report (including without limitation, all of Customer's Confidential Information therein) delivered to Customer ("**Deliverable**"), subject to CrowdStrike's ownership of the CrowdStrike Materials. For the avoidance of doubt, the CrowdStrike Materials do not include any Customer Confidential Information or other Customer provided materials or data. Upon payment in full of the amounts due hereunder for the applicable Professional Services and to the extent the CrowdStrike Materials are incorporated into the Deliverable(s), Customer shall have a perpetual, non-transferable (except as expressly provided in the Section entitled Assignment), non-exclusive license to use the CrowdStrike Materials solely as a part of the Deliverable(s) for Customer's Internal Use.

6. **Data Security and Privacy**. See Exhibit A.

7. Confidentiality.

7.1 Definitions. In connection with this Agreement, each party ("**Recipient**") may receive Confidential Information of the other party ("**Discloser**") or third parties to whom Discloser has a duty of confidentiality. "**Confidential Information**" means non-public information in any form that is in the Recipient's possession regardless of the method of acquisition that the Discloser designates as confidential to Recipient or should be reasonably known by the Recipient to be Confidential Information due to the nature of the information disclosed and/or the circumstances surrounding the disclosure. Recipient shall not use Discloser's Confidential Information for any purpose other than as set forth in this Agreement. Recipient shall take the same degree of care that it uses to protect its own confidential information of a similar nature and importance (but in no event less than reasonable care) to protect the confidentiality and avoid the unauthorized use, disclosure,

publication, or dissemination of the Discloser's Confidential Information. Within 72 hours of Recipient becoming aware of the unauthorized use, disclosure, publication, or dissemination of the Discloser's Confidential Information while in Recipient's control, Recipient shall provide Discloser with notice thereof.

If the Recipient is legally required to disclose the Discloser's Confidential Information as part of: (x) a legal proceeding to which the Discloser is a party but the Recipient is not; or (y) a government or regulatory investigation of the Discloser, the Discloser shall pay all of the Recipient's reasonable and actual out of pocket legal fees and expenses (as evidenced by reasonably detailed invoices) and will reimburse the Recipient for its reasonable costs and fees of compiling and providing such Confidential Information, including, a reasonable hourly rate for time spent preparing for, and participating in, depositions and other testimony. Upon Discloser's request, Recipient will provide Discloser with written confirmation of destruction in compliance with this provision.

7.5 Equitable Relief. Each party acknowledges that a breach of this Section 7 (*Confidentiality*) shall cause the other party irreparable injury and damage. Therefore, each party agrees that those breaches may be stopped through injunctive proceedings in addition to any other rights and remedies which may be available to the injured party at law or in equity without the posting of a bond.

In addition, Customer may, at Customer's own expense, participate in defense of any claim.

If this Agreement fails to meet the Government's needs or is inconsistent in any way with Federal Law and the parties cannot reach a mutual agreement on terms for this Agreement, the Government agrees to terminate its use of the Offerings. In the event of any disputes with the U.S. Government in connection with this Agreement, Section 14.3 of this Agreement shall not apply. Instead the rights and duties of the parties arising from this Agreement, shall be governed by, construed, and enforced in accordance with Federal Procurement Law and any such disputes shall be resolved pursuant to the Contract Disputes Act of 1978, as amended (41 U.S.C. 7101-7109), as implemented by the Disputes Clause, FAR 52.233-1.

12.3 Precedence. This U.S. Government rights in this Section are in lieu of, and supersedes, any other FAR, DFARS, or other clause, provision, or supplemental regulation that addresses Government rights in the Offerings, computer software or technical data under this Agreement.

13. Suspension and Termination. This Agreement shall remain effective until termination in accordance with this Section or as otherwise specified herein. CrowdStrike may immediately suspend Customer's access to, or use of, the Offerings if: (i) CrowdStrike believes that there is a significant threat to the security, integrity, functionality, or availability of the Offerings or any content, data, or applications in the Offerings; (ii) Customer or Customer users are in breach of Section 3.3 (Restrictions); or (iii) Customer fails to pay CrowdStrike when undisputed fees are due; provided, however, CrowdStrike will use commercially reasonable efforts under the circumstances to provide Customer with notice and, if applicable, an opportunity to remedy such violation prior to any such suspension. Either party may terminate this Agreement upon 30 days' written notice of a material breach by the other party, unless the breach is cured within the 30-day notice period. Customer may terminate this Agreement and/or any Order for convenience upon 30 days' written notice to CrowdStrike; provided, however, that any outstanding Orders not terminated by Customer will continue to be performed as if the Agreement were still in effect and termination of one Order will not affect other outstanding Orders and provided, further, that Customer (a) shall not be entitled to any refund of prepaid fees, (b) shall pay all fees for any Offerings ordered prior to the effective date of termination, (c) shall pay all fees and expenses that have accrued prior to the effective date of termination, (d) shall be deemed to have forfeited the remaining amounts of any retainers, (e) shall be required to pay any agreed upon minimum spend set forth in the applicable SOW (e.g., an agreement that CrowdStrike will charge Customer no fewer than X hours of professional services). Prior to termination and subject to the terms of this Agreement, Customer shall have the right to access and download Customer Data available per the Customer's purchased Products and data retention period in a manner and in a format supported by the Products. Upon termination of this Agreement for any reason: (x) all Customer's access and use rights granted in this Agreement will terminate; (y) Customer must promptly cease all use of Offerings and de-install all Software Components installed on Customer's Endpoints; and (z) Customer Data will be deleted in accordance with the data retention period purchased by Customer and Section 7.4 Confidentiality; Destruction). Sections 1, 3.3, 7, 10, 12, 13, and 14 and all liabilities that accrue prior to termination shall survive expiration or termination of this Agreement for any reason.

14. General.

14.1 Entire Agreement. This Agreement constitutes the entire agreement between Customer and CrowdStrike concerning the subject matter of this Agreement and it supersedes all prior and simultaneous proposals, agreements, understandings, or other communications between the parties, oral or written, regarding such subject matter. Notwithstanding the foregoing, if you have a CrowdStrike Limited Warranty Agreement for Falcon Complete (or a preceding or successor named product) fully executed with CrowdStrike, the warranty provided therein stands alone and is not superseded by this Agreement. It is expressly agreed that the terms of this Agreement shall supersede any terms in any procurement Internet portal or other similar non-CrowdStrike document and no such terms included in any such portal or other non-CrowdStrike document shall apply to the Offerings ordered. Any Order through a reseller is subject to, and CrowdStrike's obligations and liabilities to Customer are governed by, this Agreement. CrowdStrike is not obligated under any reseller's agreement with you unless an officer of CrowdStrike executes the agreement. This Agreement shall not be construed for or against any party to this Agreement because that party or that party's legal representative drafted any of its provisions.

14.2 Assignment. Neither party may assign this Agreement without the prior written consent of the other party, except to an Affiliate in connection with a corporate reorganization or in connection with a merger, acquisition, or sale of all or substantially all of its business and/or assets. Any assignment in violation of this Section shall be void.

Subject to the foregoing, all rights and obligations of the parties under this Agreement shall be binding upon and inure to the benefit of and be enforceable by and against the successors and permitted assigns.

14.3 Governing Law; Venue. Except as otherwise provided in Exhibit B (if applicable), this Agreement, and the rights and duties of the parties arising from this Agreement, shall be governed by, construed, and enforced in accordance with the laws of the State of Texas, excluding its conflicts-of-law principles. The sole and exclusive jurisdiction and venue for actions arising under this Agreement shall be state courts in Williamson County, Texas or for matters for which federal courts have exclusive subject-matter jurisdiction, federal courts in Texas, and the parties agree to service of process in accordance with the rules of such courts. Subject to the foregoing, nothing in this Agreement shall constitute a waiver of sovereign immunity or powers of the Customer, the Williamson County Commissioners Court, or the Williamson County Judge. The Uniform Computer Information Transactions Act and the United Nations Convention on the International Sale of Goods shall not apply. Notwithstanding the foregoing, each party reserves the right to file a suit or action in any court of competent jurisdiction as such party deems necessary to protect its intellectual property rights and, in CrowdStrike's case, to recoup any payments due.

14.4 Independent Contractors; No Third Party Rights. The parties are independent contractors. This Agreement shall not establish any relationship of partnership, joint venture, employment, franchise, or agency between the parties. No provision in this Agreement is intended or shall create any rights with respect to the subject matter of this Agreement in any third party.

14.5 Waiver, Severability & Amendments. The failure of either party to enforce any provision of this Agreement shall not constitute a waiver of any other provision or any subsequent breach. If any provision of this Agreement is held to be illegal, invalid, or unenforceable, the provision will be enforced to the maximum extent permissible so as to affect the intent of the parties, and the remaining provisions of this Agreement will remain in full force and effect. This Agreement may only be amended, or any term or condition set forth herein waived, by written consent of both parties.

14.6 Force Majeure. Neither party shall be liable for, nor shall either party be considered in breach of this Agreement due to, any failure to perform its obligations under this Agreement (other than its payment obligations) as a result of a cause beyond its control, including but not limited to, act of God or a public enemy, act of any military, civil or regulatory authority, change in any law or regulation, fire, flood, earthquake, storm or other like event, disruption or outage of communications (including an upstream server block and Internet or other networked environment disruption or outage), power or other utility, labor problem, or any other cause, whether similar or dissimilar to any of the foregoing, which could not have been prevented with reasonable care. The party experiencing a force majeure event, shall use commercially reasonable efforts to provide notice of such to the other party.

14.7 Audits.

(a) To request an audit, Customer must submit a detailed proposed audit plan to CrowdStrike at least two weeks in advance of the proposed audit date. The proposed audit plan must describe the proposed scope, duration, and start date of the audit. CrowdStrike will review the proposed audit plan and provide Customer with any concerns or questions (for example, any request for information that could compromise CrowdStrike security, privacy, employment or other relevant policies). CrowdStrike will work cooperatively with Customer to agree on a final audit plan.

(b) Customer shall promptly notify CrowdStrike regarding any noncompliance discovered during the course of an audit and will provide CrowdStrike any audit reports generated in connection with such audit, unless prohibited by applicable law. The audit reports are Confidential Information of the parties under the terms of this Agreement. Customer may use the audit reports only for the purposes of meeting Customer's regulatory audit requirements and/or confirming compliance with the requirements of this Agreement.

(c) The audit must be conducted during regular business hours remotely or at CrowdStrike's headquarters, subject to the agreed final audit plan and CrowdStrike's reasonable health and safety or other relevant policies, and may not unreasonably interfere with CrowdStrike's business activities.

(d) If the requested audit scope is addressed in CrowdStrike's most recent SOC II, Type 2 report (or other applicable documentation, such as copies of this Agreement, Orders, and invoices) and CrowdStrike provides such report to Customer confirming there are no known material changes in the controls audited, Customer agrees to accept the findings presented in such SOC II, Type 2 report (or other applicable documentation) in lieu of requesting an audit of the same controls covered by the report.

(e) Any audits are at Customer's expense, and Customer shall reimburse CrowdStrike for any time expended by CrowdStrike for any such audit at CrowdStrike's then-current professional services rates, which shall be made available to Customer upon request.

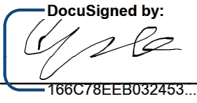

(f) If a third party is to conduct the audit, the third party must be mutually agreed to by the Customer and CrowdStrike (except if such third party is a regulator). CrowdStrike will not unreasonably withhold its consent to a third party auditor requested by the Customer. The third party must execute a written confidentiality agreement acceptable to CrowdStrike or otherwise be bound by a statutory or legal confidentiality obligation.

14.8 Notices. All legal notices will be given in writing to the addresses in the first introductory paragraph of this Agreement and will be effective: (i) when personally delivered, (ii) on the reported delivery date if sent by a recognized international or overnight courier, or (iii) five business days after being sent by registered or certified mail (or ten days for international mail). For clarity, Orders, POs, confirmations, invoices, and other documents relating to order processing and payment are not legal notices and may be delivered electronically in accordance with each party's standard ordering procedures.

14.9 Signatures. This Agreement and any Orders may be executed in two counterparts, each of which will be considered an original but all of which together will constitute one agreement. Any signature delivered by electronic means shall be treated for all purposes as an original.

Exhibit A: Data Security and Privacy Schedule

1. Definitions

- a. **“CrowdStrike Systems”** means those computer systems hosting the ‘Falcon EPP Platform’.
- b. **“Customer Data”** means the data generated by the Customer’s Endpoint and collected by: (i) the Products, and/or (ii) the CrowdStrike Tools, and in either case, sent to the CrowdStrike Systems. Customer Data is considered Customer’s Confidential Information (defined in Section 7 Confidentiality) and subject to the exclusions, exceptions and obligations set forth therein and this Exhibit A Data Security and Privacy Schedule.
- c. **“Execution Profile/Metric Data”** means any machine-generated data, such as metadata derived from tasks, file execution, commands, resources, network telemetry, executable binary files, macros, scripts, and processes, that: (i) Customer provides to CrowdStrike in connection with this Agreement or (ii) is collected or discovered during the course of CrowdStrike providing Offerings, excluding any such information or data that identifies Customer or to the extent it includes Personal Data.
- d. **“Personal Data”** means information provided by Customer to CrowdStrike or collected by CrowdStrike from Customer used to distinguish or trace a natural person’s identity, either alone or when combined with other personal or identifying information that is linked or linkable by CrowdStrike to a specific natural person. Personal Data also includes such other information about a specific natural person to the extent that the data protection laws applicable in the jurisdictions in which such person resides define such information as Personal Data.
- e. **“Privacy and Security Laws”** means U.S. federal, state and local and non-U.S. laws, including those of the European Union, that regulate the privacy or security of Personal Data and that are directly applicable to CrowdStrike.
- f. **“Security Breach”** means unauthorized access to, or unauthorized acquisition of: (i) Customer Data, or (ii) Personal Data, stored on CrowdStrike Systems that results in the compromise of such Customer Data and/or Personal Data.
- g. **“Threat Actor Data”** means any malware, spyware, virus, worm, Trojan horse, or other potentially malicious or harmful code or files, URLs, DNS data, network telemetry, commands, processes or techniques, metadata, or other information or data, in each case that is potentially related to unauthorized third parties associated therewith and that: (i) Customer provides to CrowdStrike in connection with this Agreement, or (ii) is collected or discovered during the course of CrowdStrike providing Offerings, excluding any such information or data that identifies Customer or to the extent that it includes Personal Data.

2. Falcon Platform

The ‘Falcon EPP Platform’ uses a crowd-sourced environment, for the benefit of all customers, to help customers protect themselves against suspicious and potentially destructive activities. CrowdStrike’s Products are designed to detect, prevent, respond to, and identify intrusions by collecting and analyzing data, including machine event data, executed scripts, code, system files, log files, dll files, login data, binary files, tasks, resource information, commands, protocol identifiers, URLs, network data, and/or other executable code and metadata. Customer, rather than CrowdStrike, determines which types of data, whether Personal Data or not, exist on its systems. Accordingly, Customer’s endpoint environment is unique in configurations and naming conventions and the machine event data could potentially include Personal Data. CrowdStrike uses the data to: (i) analyze, characterize, attribute, warn of, and/or respond to threats against Customer and other customer, (ii) analyze trends and performance, (iii) improve the functionality of, and develop, CrowdStrike’s products and services, and enhance cybersecurity; and (iv) permit Customers to leverage other applications that use the data, but for all of the foregoing, in a way that does not identify Customer or Customer’s Personal Data to other customers. Neither Execution Profile/Metric Data nor Threat Actor Data are Customer’s Confidential Information or Customer Data.

3. Processing Personal Data

- a. Provisioning/Use of Offerings. Personal Data may be collected and used during the provisioning and use of the Offerings to deliver, support and improve the Offerings, administer the Agreement and further the business relationship between Customer and CrowdStrike, comply with law, act in accordance with Customer’s written instructions, or otherwise in accordance with this Agreement. Customer authorizes CrowdStrike to collect, use, store, and transfer the Personal Data that Customer provides to CrowdStrike as contemplated in this Agreement.

- b. Suspicious/Unknown File Analysis. While using certain CrowdStrike Offerings Customer may have the option to upload (by submission, configuration, and/or, in the case of Services, by CrowdStrike personnel retrieval) files and other information related to the files for security analysis and response or, when submitting crash reports, to make the product more reliable and/or improve CrowdStrike's products and services or enhance cyber-security. These potentially suspicious or unknown files may be transmitted and analyzed to determine functionality and their potential to cause instability or damage to Customer's endpoints and systems. In some instances, these files could contain Personal Data for which Customer is responsible.

4. Compliance with Privacy and Information Security Requirements

- a. Compliance with Laws. CrowdStrike shall comply with all Privacy and Security Laws, the EU-US Privacy Shield Framework and the Swiss-US Privacy Shield Framework as set forth by the US Department of Commerce regarding the collection, use, and retention of Personal Data from the European Economic Area, Switzerland, and the United Kingdom, as applicable. CrowdStrike's privacy notice may be found at <http://www.crowdstrike.com/privacy-notice/>. To the extent necessary to comply with Privacy and Security Laws, including but not limited to when Customer is a controller of Personal Data processed by CrowdStrike originating in the European Union, Switzerland, or the United Kingdom, the Data Protection Addendum set forth here <https://www.crowdstrike.com/data-protection-agreement/> shall apply to CrowdStrike's processing of such Customer Personal Data.
- b. Safeguards. CrowdStrike shall maintain appropriate technical and organizational safeguards commensurate with the sensitivity of the Customer Data and Personal Data processed by it on Customer's behalf, which are designed to protect the security, confidentiality, and integrity of such Customer Data and Personal Data and protect such Customer Data and Personal Data against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, including the safeguards set forth on Appendix 1 which substantially conform to the ISO/IEC 27002 control framework. ("Information Security Controls for CrowdStrike Systems").
- c. Access; Contacts. With respect to employees, agents, and subcontractors, CrowdStrike shall limit access to Customer Data and Personal Data to only those employees, agents, and subcontractors who have a need to access the Customer Data and/or Personal Data in order to carry out their roles as contemplated in the terms of this Agreement. CrowdStrike shall assign and train personnel who shall: (i) liaise with customers regarding any issues concerning the security of Customer Data and/or Personal Data; (ii) receive notice of any Security Breach discovered by CrowdStrike and provide notice of any such Security Breach to Customer; and (iii) coordinate CrowdStrike's Security Breach response and remedial action.

5. Security Breach Response

In the event CrowdStrike discovers a Security Breach, CrowdStrike shall:

- a. Without undue delay but no later than 72 hours of becoming aware, notify Customer of the discovery of the Security Breach. Such notice shall summarize the known circumstances of the Security Breach and the corrective action taken or to be taken by CrowdStrike.
- b. Conduct an investigation of the circumstances of the Security Breach.
- c. Use commercially reasonable efforts to remediate the Security Breach.
- d. Use commercially reasonable efforts to communicate and cooperate with Customer concerning its response to the Security Breach.

- 6. **Security Assessment and Provision of Audited Security Controls**. Promptly after written (including email) request from Customer, CrowdStrike shall provide Customer with: (i) its most recent SOC II, Type 2 report regarding the CrowdStrike Systems; and (ii) provide its completed Standardized Information Gathering (SIG) questionnaire (or similar document) for the CrowdStrike Systems (the "Security Documentation"). Upon the provision of reasonable notice to CrowdStrike, once every twelve months during the term of the Agreement and during normal business hours unless otherwise decided by CrowdStrike in its sole discretion, CrowdStrike shall make appropriate CrowdStrike personnel reasonably available to Customer to discuss CrowdStrike's manner of compliance with applicable security obligations under this Agreement. In advance of such discussion, CrowdStrike may, in addition to the Security Documentation, provide Customer with access to additional requested information or documentation concerning CrowdStrike's information security practices as they relate to this Agreement, including without limitation, access to any security assessment reports designed to be shared with third parties. Any information or documentation provided pursuant to this assessment process or otherwise pursuant to this Schedule shall be considered CrowdStrike's Confidential Information and subject to the Confidentiality section of the Agreement.

7. **Customer Obligations.** Customer, along with its Affiliates, represents and warrants that: (i) it owns or has a right of use from a third party, and controls, directly or indirectly, all of the software, hardware and computer systems (collectively, "Systems") where the Products and/or CrowdStrike Tools will be installed or that will be the subject of, or investigated during, the Offerings, (ii) to the extent required under any federal, state, or local U.S. or non-US laws (e.g., Computer Fraud and Abuse Act, 18 U.S.C. § 1030 et seq., Title III, 18 U.S.C. 2510 et seq., and the Electronic Communications Privacy Act, 18 U.S.C. § 2701 et seq.) it has authorized CrowdStrike to access the Systems and process and transmit data through the Offerings and CrowdStrike Tools in accordance with this Agreement and as necessary to provide and perform the Offerings, (iii) it has a lawful basis in having CrowdStrike investigate the Systems, process the Customer Data and the Personal Data; (iv) that it is and will at all relevant times remain duly and effectively authorized to instruct CrowdStrike to carry out the Offerings, and (v) it has made all necessary disclosures, obtained all necessary consents and government authorizations required under applicable law to permit the processing and international transfer of Customer Data and Customer Personal Data from each Customer and Customer Affiliate, to CrowdStrike.
8. **Notices.** The following individuals shall be the primary contacts at Customer and CrowdStrike for any coordination, communications or notices with respect to Personal Data and this Schedule:
