Re: FY 2024 CSCD Memorandum of Understanding – CSR Director

Date: 08/02/23

This long-standing MOU between Williamson County and Williamson County Community Supervision and Corrections Department (CSCD) is to continue providing nearly one-half of the salary of the Williamson County Community Service Restitution Director position, whereas the CSCD continues to pay the other half of the salary and fringe benefits for this position.

The CSR Director oversees a variety of projects in Williamson County. The work projects are completed by program participants who are ordered to complete restitution hours by the Courts of Williamson County. The Williamson County CSR program operates seven days per week to include assisting the Road and Bridge Department on weekends with county road trash cleanup. During the week, the CSR Program Director assigns participants to various community agencies and provides additional workers to multiple Williamson County agencies to assist with new and on-going projects. Annually, the participants of the CSR program provide a significant cost savings to the County while providing opportunities for participants to fulfill their court ordered community services restitution hours.
