This Master Service Agreement (this "**Agreement**") is made and entered into as of the award date or on or after April 1, 2022 - September 30, 2023 and is by and between **5-F Mechanical Group, Inc. (5F)**, with its principal place of business at 15705 Brenda Street Austin, Texas 78728 and **Williamson County, a political subdivision of the State of Texas acting through its governing body ("WILCO or the "COUNTY")** with its principal office at 3101 SE Inner Loop Georgetown, Texas 78726 (hereinafter individually referred to as the "**Party**" or together referred to as the "**Parties**").

WHEREAS, 5F is engaged in the business of maintaining, servicing, and providing plumbing, heating, ventilation, and air conditioning building systems and wishes to provide WILCO with such services; and

WHEREAS, WILCO wishes to retain 5F from time to time to perform discrete projects on an individual work order basis under this Agreement; and

NOW THEREFORE, in consideration of the foregoing the Parties hereby agree as follows:

1. WORK ORDER SERVICES

- 1.1. Each project for which WILCO desires to engage 5F shall be set forth in detail in a separate work order ("**Work Order**"), which shall be labeled by project number, and which together shall not exceed a total amount of \$350,000 USD unless otherwise agreed in writing by the Parties. The Work Order shall be submitted on the form attached hereto as **Exhibit A** and shall detail the scope of work, scheduled, compensation for each project, and shall refer and automatically incorporate the terms and conditions of this Agreement. In the event of any conflict or inconsistency between any term or condition in a Work Order, and any term or condition of this agreement, the terms and conditions of this Agreement will govern and control.
- 1.2. Either 5F or WILCO may issue a Work Order. However, 5F shall not be obligated to perform any work until the Work Order is mutually agreed upon and executed by both Parties. To the extent the Parties draft a Work Order electronically either an electronic signature or confirming email shall operate as proper execution of such Work Order. Once executed, a Work Order shall be binding and deemed part of, and shall be subject to, this Agreement.
- 1.3. 5F is qualified, experienced, and capable of performing the services described in the agreed upon Work Orders and this Agreement ("**Services**") and has agreed to perform the Services in accordance with the terms and conditions of this Agreement and the Work Order(s).
- 1.4. WILCO shall be responsible for and shall pay for the costs and expenses in connection with the Services and good provided under this Agreement and as specified in a Work Order.
- 1.5. Subject to prompt payment by WILCO, 5F shall provide all materials, labor, and equipment necessary for the performance of the Services as specified in the Work Order.
- 1.6. In the event that WILCO requests a change in the scope of the Services to be provided by 5F and if the change requested changes the price or schedule of the Services provided by 5F, 5F shall provide a revised cost or schedule estimate to WILCO, within (5) business days of the requested change. If WILCO accepts the revised cost or schedule estimate, WILCO shall issue an executed Change Order submitted on the form attached hereto as **Exhibit B ("Change Order")**. Such Change Order shall be executed by an authorized

representative of 5F. Upon execution of the Change Order by an authorized representative of 5F, the Change Order shall become a binding agreement between the Parties under the terms and conditions of the Work Order which it modifies and this Agreement. 5F shall not be obligated to perform any changed work until the Change Order is mutually agreed upon and executed by both Parties.

- 1.7. If 5F encounters conditions at any site(s) that are (1) subsurface or otherwise concealed physical conditions that differ materially from those reasonably anticipated; or (2) unknown physical conditions of an unusual nature that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Work Order or other contract document, 5F shall promptly provide notice to WILCO before conditions are disturbed, and 5F shall be entitled to an equitable adjustment to the Contract Price and Contract Time (as those terms are defined herein) to the extent such conditions increase 5F's cost of, or time required for, performance or any part of the Services.

2. COMPENSATION; CONTRACT PRICE:

- 2.1. The compensation (the "Contract Price") and payment schedule for the performance of the Services shall be set forth in detail in each Work Order.
- 2.2. WILCO payment for goods and services shall be governed by the Texas Government Code, Chapter 2251. Invoices shall be deemed overdue the thirty-first (31st) day after the later of the following: (1) the date WILCO receives the good under specified in the Work Order; (2) the date the performance of the service is completed; or (3) the date Williamson county Facilities and Williamson County Auditor receives an invoice for the good and services, which shall be defined as the date an invoice is deemed delivered to the address provided in Section 2.3 below.
- 2.3. To ensure prompt payment, 5F's invoices shall include: (1) the project or Work Order number; (2) the invoice number; (3) a reasonably detailed description of the Services rendered including, but not limited to; quantity or quantities, applicable unit prices (Construction Pricing see BuyBoard 638-21), (Plumbing/HVAC Repair Rates see **Exhibit C**), total prices and total amount; (4) WILCO Purchase Order number; and (5) 5F business and mailing address, telephone number, and business name. Invoices shall be submitted by regular or electronic mail directly to:

Williamson County Facilities Department
Attn: Facilities Maintenance Director or designee
3101 SE Inner Loop Georgetown, Texas 78626
Phone: 512.943.1599
Email: facilities@wilco.org

- 2.4. If WILCO disputes any 5F invoice, WILCO will: (1) pay all charges not disputed, and (2) notify 5F of the dispute in writing, providing the Invoice Number and an explanation of the issue in dispute. If the dispute is not resolved within (15) days, either Party may submit their claim to dispute resolution as provided in Section 13.9. The Parties will cooperate in good faith to resolve any such disputes after WILCO notifies 5F of the dispute. If both Parties agree that a disputed amount is a legitimate charge, WILCO will pay such amount within thirty (30) days of such determination.
- 2.5. Payment for goods and Services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date WILCO receives the goods under the contract; (2) the date the performance of the Service under the contract is completed; or (3) the date the

Williamson County Auditor receives an invoice for the goods or Services. Interest charges for any overdue payments shall be paid by licensee in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment becomes due. The said rate in effect on September 1 of the licensee's fiscal year shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July preceding the fiscal year that does not fall on a Saturday or Sunday. 5F expressly acknowledges that invoices and supporting documentation must be submitted timely and in accordance with all laws governing Texas county finances, including but not limited to the Texas Constitution, the Texas Government Code and the policies of Williamson County Commissioners Court and Auditor's Office. If payments become overdue for more than sixty (60) days, then in addition to any other available rights and remedies available to 5F under this Agreement or under applicable laws or in equity, 5F shall have the right to terminate this Agreement for default or suspend Services until payment is received and recover all related costs arising from or related to the suspension, including demobilization and remobilization costs.

3. CONTRACT TIME

3.1. 5F shall complete the services in accordance with the agreed upon project schedules and milestones (the "Project Schedule") set forth in the applicable Work Order(s) (the "Contract Time"). 5F shall be entitled to adjustments to the Contract Time and Contract Price in the event that WILCO modifies, compresses, or accelerates any of the activities in the Project Schedule.

3.2. If 5F is delayed at any time in the commencement or progress of the Services by WILCO, or separate contractors or design professionals employed by WILCO, or by any other third party event: (1) WILCO's failure to timely perform its obligations under this Agreement or any other Work Order; (2) any government or regulatory agency's failure to timely review and approve any applicable permits, submittals, or design document; (3) changes ordered in the Services by WILCO; or (4) any Force Majeure event as defined below; then the Contract Time shall be extended by a Change Order for a period of time reasonably necessary to overcome the effect of the delay, and the Contract Price shall be increased for the additional costs (if any) arising from such delay including any increased costs for materials and increased costs of labor, including overtime.

3.2.1. To the fullest extent permitted by applicable laws, 5F shall not be responsible or liable, and shall be entitled to equitable adjustments to the Contract Price and Contract Time, for any delays and/or any failure in performing the Services or its obligations hereunder due to causes beyond its reasonable control, including, and without limitation: acts of God, war (including civil war), riots, embargoes, acts of civil or military authorities, acts of any government (whether sovereign or contractual), fires, floods, freezes, explosions, the elements, epidemics, pandemics, quarantine restrictions, strikes, lockouts, plant and facility shutdowns, accidents, shortages of energy, material shortages, components part shortages, unavailability of labor, procurement delays, or any other acts or events beyond the parties control (collectively, "Force Majeure Event").
