THIS AGREEMENT FOR GIFT OF REAL PROPERTY ("Agreement") is entered into as of the date set forth below by and between **WILLIAMSON COUNTY EMERGENCY SERVICES DISTRICT NO. 4**, hereinafter referred to as "Donor," and the **WILLIAMSON COUNTY, TEXAS**, hereinafter referred to as "County". Donor desires to donate to County, and County desires to accept from Donor, the property which is more particularly described by metes and bounds in Exhibit "A" attached hereto (the "Parcel").

IN CONSIDERATION of the mutual covenants set forth herein, Donor and County hereby agree as follows:

Section 1. Transfer & Acceptance.

- a. The Donor dedicates the Parcel to the County. Donor shall convey and grant indefeasible title in and to the Parcel, free and clear of any monetary liens and encumbrances after title inspection by County at its sole expense, to County by deed in the form as shown in Exhibit "B" attached hereto. The deed shall be fully executed, notarized, and delivered to County by Donor within fifteen (15) days following final approval and execution of this Agreement by County.
- b. The County accepts the public dedication of the Parcel from the Donor. The County shall accept from the Donor title to, and interest in, the Parcel.

Section 2. Consideration. As a condition of Donor's gift and assignment of its interests in the Parcel to County, the County agrees to the following:

- a. Property Valuation. The Parcel is valued at Forty-Nine Thousand Five Hundred Ninety-Eight and 00/100 Dollars (\$49,598.00), for purposes of this Agreement. This value was determined using 2022 WCAD certified land market value.
- b. Driveway and Pond Reconstruction. As an obligation which shall survive the execution of this Agreement, purchaser agrees that it shall at its sole expense cause Donor's existing entry driveway and water quality/detention pond facilities to be reconstructed as part of the proposed County Ronald Reagan Widening construction project (the "Project"). The reconstruction of these facilities shall be in substantial compliance with the plans, specifications and notes as shown on Exhibit "C" attached hereto and incorporated herein, or as otherwise agreed to in writing between the parties prior to construction.

By execution of this Agreement, Purchaser, its agents, contractors and assigns shall be allowed to temporarily access the remaining property of Donor only to the extent and in the locations reasonably necessary to carry out the obligations of this paragraph. Purchaser shall be responsible for obtaining any required permits or approval for reconstruction of the existing detention pond facilities, and Donor agrees that upon request from

County it shall provide all reasonable assistance and information necessary for any permit submission requirements from any applicable jurisdiction.

Purchaser agrees that it shall maintain driveway access sufficient for operation of the current fire and emergency services vehicle ingress and egress at all times during construction of the Project, unless otherwise agreed between Donor and County in advance.

- c. Reconnection of Utility Facilities. As an obligation which shall survive the execution of this Agreement, Purchaser agrees that it shall at its sole expense cause any existing utility facilities of Donor which are in conflict with the proposed Project to be adjusted, reinstalled or otherwise reestablished as part of the overall Project, as identified in Exhibit "D" attached hereto and incorporated herein, or as otherwise agreed to in writing between the parties.
- d. Site Improvements. As compensation for the acquisition of site appurtenances within the Parcel identified on Exhibit "E" attached hereto and incorporated herein, and which are not otherwise to be reconstructed or adjusted pursuant to the additional obligations of this Agreement, County agrees to pay Donor the sum of \$27,700.00, within fourteen (14) days following delivery of the executed deed for the Parcel.

Section 3. Representations and Warranties. The County hereby represents and warrants that:

- a. County accepts the Parcel **AS IS, IN ITS PRESENT CONDITION.**

Section 4. Donor's Duties, Representations and Warranties.

- a. Donor is responsible for all property taxes associated with the Parcel up to and including the date of execution of the Deed for the Parcel.
- b. Donor may realize any proper tax benefit or future Road District reimbursement to which it is entitled through this gift of real property, and County shall provide any reasonable assistance requested by Donor to complete any required documentation for same.
- c. Donor understands and acknowledges that Donor has been informed of the entitlement to receive fair market value payment for the Parcel, as set out in Title III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4601-4655), and the legal right to an appraisal, and is waiving those rights.

Section 5. Assigns; Beneficiaries. Neither the County nor Donor shall have the right to assign this Agreement to any party. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns. This Agreement is for the sole benefit of Donor and County.

Section 6. Entire Agreement. This Agreement is the entire agreement between Donor and County concerning the gift of interest in the Parcel, and no modification hereof or subsequent agreement relative to the subject matter hereof shall be binding on either party unless reduced to writing, and signed by the party to be bound.

Section 7. Choice of Law; Venue; Dispute Resolution. This Agreement will be construed under the laws of the State of Texas, without regard to choice-of-law rules of any jurisdiction. Venue for any action brought under or with regard to this Agreement or the breach of this Agreement is in *Williamson County*, Texas, except to the extent otherwise mandated by applicable law.
