Replacement Housing Standards

A **decent, safe and sanitary dwelling** is any dwelling which meets the applicable housing and occupancy codes for the area in which the dwelling is located. However, if any of the following are not met by the applicable code, such following standards shall apply. The dwelling shall:

1. Be structurally sound, weathertight, and in good repair and shall contain a safe electrical wiring system adequate for lighting and other customary electrical devices. A replacement dwelling may reflect some physical defects and deferred maintenance if the flaws are easily correctable and do not threaten the general fitness, functional condition or habitability of the structure.
2. Contain a heating system capable of sustaining a healthful temperature (of approximately 70 degrees) for a displaced person, except in those areas where local climatic conditions do not require such a system.
3. Be adequate in size with respect to the number of rooms and area of living space needed to accommodate the displaced person. There shall be a separate, well lighted and ventilated bathroom that provides privacy to the user and contains a sink, bathtub or shower stall, and a toilet, all in good working order and properly connected to appropriate sources of water and to a sewage drainage system. In the case of a housekeeping dwelling, there shall be a kitchen area that contains a fully usable sink, properly connected to potable hot and cold water and to a sewage drainage system, and adequate space and utility service connections for a stove and refrigerator.
4. Contains unobstructed egress to safe, open space at ground level. If the replacement dwelling unit is on the second story or above, with access directly from or through a common corridor, the common corridor must have at least two means of egress.
5. For a handicapped displacee, be free of any barriers which would preclude reasonable ingress, egress, or use of the dwelling by such a displaced person.

- B. If any expense exceeds an amount expressly stated in this contract for such expense to be paid by a party, that party may terminate this contract unless the other party agrees to pay such excess. Buyer may not pay charges and fees expressly prohibited by FHA, VA, Texas Veterans Land Board or other governmental loan program regulations.

13. **PRORATIONS:** Taxes for the current year, interest, rents, and regular periodic maintenance fees, assessments, and dues (including prepaid items) will be prorated through the Closing Date. will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds, if permitted by Seller's insurance carrier, and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.

15. **DEFAULT:** If Buyer fails to comply with this contract, Buyer will be in default, and Seller may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money as liquidated damages, thereby releasing both parties from this contract. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.
16. **MEDIATION:** It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.
17. **ATTORNEY'S FEES:** A Buyer, Seller, Listing Broker, Other Broker, or Escrow Agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.
18. **ESCROW:**
 - A. **ESCROW:** The Escrow Agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as Escrow Agent. Escrow Agent may require any disbursement made in connection with this contract to be conditioned on Escrow Agent's collection of good funds acceptable to Escrow Agent.
 - B. **EXPENSES:** At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, Escrow Agent may: (i) require a written release of liability of the Escrow Agent from all parties before releasing any earnest money; and (ii) require payment of unpaid expenses incurred on behalf of a party. Escrow Agent may deduct authorized expenses from the earnest money payable to a party. "Authorized expenses" means expenses incurred by Escrow Agent on behalf of the party entitled to the earnest money that were authorized by this contract or that party.
 - C. **DEMAND:** Upon termination of this contract, either party or the Escrow Agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the Escrow Agent. If either party fails to execute the release, either party may make a written demand to the Escrow Agent for the earnest money. If only one party makes written demand for the earnest money, Escrow Agent shall promptly provide a copy of the demand to the other party. If Escrow Agent does not receive written objection to the demand from the other party within 15 days, Escrow Agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and Escrow Agent may pay the same to the creditors. If Escrow Agent complies with the provisions of this paragraph, each party hereby releases Escrow Agent from all adverse claims related to the disbursement of the earnest money.
 - D. **DAMAGES:** Any party who wrongfully fails or refuses to sign a release acceptable to the Escrow Agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.
 - E. **NOTICES:** Escrow Agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by Escrow Agent.
19. **REPRESENTATIONS:** All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.
20. **FEDERAL TAX REQUIREMENTS:** If Seller is a "foreign person," as defined by Internal Revenue Code and its regulations, or if Seller fails to deliver an affidavit or a certificate of non-foreign status to Buyer that Seller is not a "foreign person," then Buyer shall withhold from the sales proceeds an amount sufficient to comply with applicable tax law and deliver the same to the Internal Revenue Service together with appropriate tax forms. Internal Revenue Service regulations require filing written reports if currency in excess of specified amounts is received in the transaction.
