Re: Williamson County—Sam Bass/Corridor H Project
Parcel 60DE

Dear Mr. Navarre:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a permanent drainage easement by Williamson County, Texas (the "County") in and across portions of the property owned by Jan & Patrick O'Connell ("Owner") as part of the County's proposed Sam Bass Road/Corridor H improvements ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged Drainage and Detention Pond Easement ("Easement") in and to 0.399 acre of land, such rights to be granted in the form as set out in Exhibit "A" attached hereto and incorporated herein, free and clear of any monetary liens and encumbrances, County shall pay Owner the sum of **\$488,271.00** in cash or other readily available funds ("Purchase Price").

2. The Closing and completion of this transaction shall take place at Texas National Title Company ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title

Company with any curative measures or mortgage lien joinder, consent or subordination required as a condition of the Closing.

Upon completion of (1) the full execution of this Agreement by all parties, and (2) acknowledgment by the Title Company of delivery by County of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after November 30, 2023 to enter and possess the Property prior to Closing for the purpose of completing any and all necessary construction activities associated with the proposed improvement construction project of County.

To the extent allowed by law County, its agents and contractors agree to release, indemnify, and otherwise hold Owner harmless from any damages or other losses to owner or any third party resulting from any acts or omissions performed under the limited right of possession herein. The parties further agree to continue to use diligence in assisting with any title curative or lienholder consent measures required by the Contract to expeditiously complete the Closing of the purchase transaction.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs

 Grantor That JAN O'CONNELL and PATRICK O'CONNELL, hereinafter referred to as "Grantee", whether one or more, for and in consideration of the sum of Ten and No/100 (\$10.00) Dollars cash in hand paid and other good and valuable consideration paid to Grantor by WILLIAMSON COUNTY, TEXAS, its agents and assigns, hereinafter referred to as "Grantee", receipt of which consideration is hereby acknowledged, has GRANTED, SOLD and CONVEYED, and by these premises does hereby GRANT, SELL and CONVEY unto Grantee a perpetual easement interest in, on, over, upon, above and across the below-described property:

BEING 0.399 acre (17,377 SF) of land out of the W. Kincaid Survey, Abstract No. 374, Williamson County, Texas, and being more particularly described by metes and bounds in Exhibit "A", attached hereto and incorporated herein (hereinafter sometimes referred to as the "Property") (Parcel 60).

The perpetual Easement, right-of-way, rights and privileges herein granted shall be used for the following purposes:

A permanent storm water drainage and detention pond easement for the opening, constructing, installing, operating, maintaining, repairing, inspecting, monitoring and replacing earthen and vegetative material lined detention pond(s) ("Ponds"), along with any intake or outfall drainage structures, appurtenances and grading which may be necessary to facilitate the proper drainage and temporary detention of storm water for the adjacent Sam Bass/Corridor H roadway improvements and appurtenances (the "Project"), together with the right and privilege at all times of the Grantee herein, its agents, employees and representatives of ingress and egress to the Easement directly from the adjacent public road right of way or adjacent easement owned or possessed by Grantee, its successors and assigns, for the purpose of making improvements, modifications, repairs, or maintenance (the "Easement").

The perpetual Easement, right-of-way, rights and privileges herein granted shall also encompass the right of Grantee, to trim, cut, fell, mow, and remove therefrom all trees, underbrush, vegetation, and obstructions, structures or obstacles within the limits of the Property, but only such as necessary to carry out the purposes of the Easement. Grantor, its successors and assigns, shall be permitted, but not obligated, to mow or otherwise maintain the vegetative surface of the Property, including removal of loose debris, as reasonably necessary to ensure the appearance and function of the Easement.

The perpetual Easement, right-of-way, rights and privileges granted herein are exclusive with respect to surface stormwater detention use, aside from the Grantor's permitted use of the Easement with respect to surface stormwater detention use, however Grantor may convey other easement or non-conflicting rights within or otherwise permit use of the Property covered by this grant that do not interfere with the purpose or function of any improvements placed thereon or made to the Property, or the maintenance of the surface of the Property for storm water drainage and temporary detention, but only with the express prior written consent of Grantee, which consent shall not be unreasonably withheld, conditioned or delayed.

Grantor shall not, without prior consent of Grantee, (i) construct or place or allow to be constructed or placed, any fences, houses, buildings, structures, pavement, or other improvements or obstructions, whether temporary or permanent, or plant or locate any trees, vegetation, or shrubs on the Property; or (ii) change the grade of the Property or Easement. Grantee agrees and represents that it shall not unreasonably withhold its consent. Grantee agrees and represents that it will not oppose any request or action by the Grantor to merge the property containing the Easement with the property located at 3803 Sam Bass Road, Round Rock, Texas 78681.

Subject to the foregoing provisions, Grantor specifically reserves the right unto itself, its successors and assigns, the right to use the surface of the Property to the extent that such use does not interfere with, restrict, or otherwise impair Grantee's use and enjoyment of the Property and Easement for the full extent of the purposes conveyed herein.

To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage which shall be caused by the exercise of the rights of ingress and egress or by any wrongful or negligent act or omission of Grantee's agents or employees in the course of their employment or carrying out the purposes of this Easement. Grantee shall be responsible for the correction of, or compensation for, any damage to Grantor's property adjacent to the Property which is the result of actions outside the granted purposes of this Easement.

Grantor reserves all oil, gas, and other minerals in, on, or under the Property, but waives all right to use the surface of the Property for the purpose of exploring, developing, mining, or drilling for the same; provided, however, that nothing herein shall prohibit or in any manner restrict the right of Grantor to extract oil, gas, and other minerals from and under the Property by directional drilling or other means that does not interfere with or disturb the surface of the Property or Grantee's use of the Easement for the purposes set forth herein.

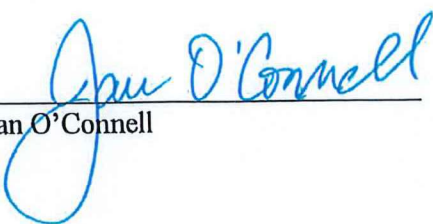

TO HAVE AND TO HOLD the same, in perpetuity, in and to Grantee, and its successors and assigns, together with all and singular all usual and customary rights thereto in anywise belonging, and together with the right and privilege at any and all times to enter the Property, or any part thereof, for the purpose of constructing or maintaining said drainage and ponds and for making connections therewith.

Grantor does hereby bind his heirs, executors, administrators and assigns to WARRANT AND FOREVER DEFEND, all and singular, the said premises unto Williamson County, Texas, its

successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof by, through or under Grantor, but not otherwise. This conveyance is made subject to any easements, covenants, conditions, restrictions or other validly existing matters of record affecting this Property which are recorded in the Official Public Records of Williamson County, Texas as of the effective date of this easement.

EXECUTED to be effective on the date of the last notarized signature below.
