On all public information releases issued pursuant to this Contract, Subrecipient shall include a disclaimer stating that the funds for this Project are provided by Subrecipient and the Texas General Land Office through HUD's CDBG-MIT Program.

**ARTICLE VII - RECORDS, AUDIT, AND RETENTION****7.01 BOOKS AND RECORDS**

Subrecipient shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary for fully disclosing to the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine Subrecipient's compliance with this Contract and all applicable laws, statutes, rules, and regulations, including the applicable laws and regulations provided in **Attachment D**.

**7.02 INSPECTION AND AUDIT**

- (a) All records related to this Contract, including records of Subrecipient and its subcontractors, shall be subject to the Administrative and Audit Regulations. Accordingly, such records and work product shall be subject, at any time, to inspection, examination, audit, and copying at Subrecipient's primary location or any location where such records and work product may be found, with or without notice from the GLO or other government entity with necessary legal authority. Subrecipient shall cooperate fully with any federal or state entity in the conduct of inspection, examination, audit, and copying, including providing all information requested. Subrecipient will ensure that this clause concerning federal and state entities' authority to inspect, examine, audit, and copy records and work product, and the requirement to fully cooperate with the federal and state entities, is included in any subcontract it awards.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject

of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Subrecipient shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Subrecipient and the requirement to cooperate is included in any subcontract it awards.

- (c) Subrecipient will be deemed to have read and know of all applicable federal, state, and local laws, regulations, and rules pertaining to the Project, including those identified in **Attachment D**, governing audit requirements.
- (d) At any time, the GLO may perform, or instruct a for-profit Subrecipient to perform, an annual Program-specific, fiscal, special, or targeted audit of any aspect of Subrecipient's operation. Subrecipient shall maintain financial and other records prescribed by the GLO or by applicable federal or state laws, rules, and regulations.

### **7.03 PERIOD OF RETENTION**

All records relevant to this Contract shall be retained for a period of three (3) years subsequent to the final closeout of the overall State of Texas CDBG-MIT grant, in accordance with federal regulations. **The GLO will notify all Program participants of the date upon which local records may be destroyed.**

## **ARTICLE VIII - MISCELLANEOUS PROVISIONS**

### **8.01 LEGAL OBLIGATIONS**

For the duration of this Contract, Subrecipient shall procure and maintain any license, authorization, insurance, waiver, permit, qualification, or certification required by federal, state, county, or city statute, ordinance, law, or regulation to be held by Subrecipient to provide the goods or services required by this Contract. Subrecipient shall pay all costs associated with all taxes, assessments, fees, premiums, permits, and licenses required by law. Subrecipient shall pay any such government obligations not paid by its subcontractors during performance of this Contract. **Subrecipient shall maintain copies of such licenses and permits as a part of its local records in accordance with Section 7.01 of this Contract or as otherwise specifically directed by the GLO.**

### **8.02 CERTIFICATIONS FOR INTERLOCAL CONTRACT**

Each Party certifies that this Contract is authorized by its respective governing body, as applicable, or is otherwise authorized under procedures for entering into interlocal contracts that do not require the approval of its governing body. Each Party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying Party. The Parties agree any contractual payment described in this Contract is in an amount that fairly compensates the performing Party for the services or functions performed under this Contract.

### 8.03 INDEMNITY

As required under the Constitution and laws of the State of Texas, each Party understands that it is solely liable for any liability resulting from its acts or omissions. No act or omission of a Party shall be imputed to the other Party. Neither Party shall indemnify or defend the other Party.

### 8.04 INSURANCE AND BOND REQUIREMENTS

- (a) Unless Subrecipient is authorized by Chapter 2259 of the Texas Government Code to self-insure, Subrecipient shall carry insurance for the duration of this Contract in types and amounts necessary and appropriate for the Project.
- (b) Subrecipient shall require all contractors, subcontractors, vendors, service providers, or any other person or entity performing work described in **Attachment A** to carry insurance for the duration of the Project in the types and amounts customarily carried by a person or entity providing such goods or services. Subrecipient shall require any person or entity required to obtain insurance under this section to complete and file the declaration pages from the insurance policies with Subrecipient whenever a previously identified policy period expires during the term of Subrecipient's contract with the person or entity, as proof of continuing coverage. Subrecipient's contract with any such person or entity shall clearly state that acceptance of the insurance policy declaration pages by Subrecipient shall not relieve or decrease the liability of the person or entity. **Persons or entities shall be required to update all expired policies before Subrecipient's acceptance of an invoice for monthly payment from such parties.**

### 8.05 ASSIGNMENT AND SUBCONTRACTS

Subrecipient must not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO's prior written consent. Notwithstanding this provision, it is mutually understood and agreed that Subrecipient may subcontract with others for some or all of the services to be performed under this Contract. In any approved subcontracts, Subrecipient must legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered and/or the services rendered by Subrecipient and/or any of its subcontractors comply with all the terms and provisions of this Contract.

For subcontracts to which Federal Labor Standards Act (FLSA) requirements apply, Subrecipient shall submit to the GLO all documentation required to ensure compliance. Subrecipient shall retain five percent (5%) of the payment due under each of Subrecipient's construction or rehabilitation subcontracts until the GLO determines that the FLSA requirements applicable to each such subcontract have been satisfied.

**8.06 PROCUREMENT**

Subrecipient must comply with the procurement procedures stated at 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules. Failure to comply with 2 C.F.R. §§ 200.318 through 200.327 and all other applicable federal, state, and local procurement procedures and laws, regulations, and rules could result in recapture of funds. Subrecipient must confirm that its vendors and subcontractors are not debarred from receiving state or federal funds at each of the following web addresses:

- (a) the Texas Comptroller's Vendor Performance Program at <https://comptroller.texas.gov/purchasing/>; and
- (b) the U.S. General Services Administration's System for Award Management at <https://www.sam.gov/>.

**8.07 EQUIPMENT AND COMPUTER SOFTWARE**

Any purchase of Equipment or computer software made pursuant to this Contract shall be made in accordance with all applicable laws, regulations, and rules, including those defined in 2 C.F.R. §§ 200.313 and 200.216.

In accordance with 24 C.F.R. § 570.502(a), if Equipment is acquired, in whole or in part, with funds under this Contract and is then sold, the proceeds shall be considered program income, as defined in **Section 2.04** above. Equipment not needed by Subrecipient for Activities under this Contract shall be (a) transferred to the GLO for the CDBG-MIT Program or (b) retained by Subrecipient after compensating the GLO an amount equal to the current fair market value of the Equipment less the percentage of non-CDBG-MIT funds used to acquire the Equipment.

**8.08 COMMUNICATION WITH THIRD PARTIES**

The GLO and the authorities named in **Article VII**, above, may initiate communications with any subcontractor of Subrecipient, and may request access to any books, documents, personnel, papers, and records of a subcontractor which are pertinent to this Contract. Such communications may be required to conduct audits, examinations, Davis-Bacon Labor Standards interviews, and gather additional information as provided in **Article VII** herein.

**8.09 RELATIONSHIP OF THE PARTIES**

Subrecipient is associated with the GLO only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, an employer-employee or principal-agent relationship, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. Subrecipient shall be solely responsible for, and the GLO shall have no obligation with respect to, the following: the withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans

available to employees of the State of Texas; participation or contributions by the State of Texas to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State of Texas.

#### **8.10 COMPLIANCE WITH OTHER LAWS**

In the performance of this Contract, Subrecipient must comply with all applicable federal, state, and local laws, statutes, ordinances, and regulations, including those listed in **Attachments B, C, and D**. Subrecipient is deemed to know of and understand all applicable laws, statutes, ordinances, and regulations affecting its performance under this Contract.

#### **8.11 NOTICES**

Any notices required under this Contract shall be deemed delivered when deposited either in the United States mail (certified, postage paid, return receipt requested) or with a common carrier (overnight, signature required) to the appropriate address below.

#### **8.12 GOVERNING LAW AND VENUE**

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any related document. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

#### **8.13 SEVERABILITY**

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this

Contract shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

#### **8.14 DISPUTE RESOLUTION**

Except as otherwise provided by statute, rule or regulation, Subrecipient shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Subrecipient to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

#### **8.15 CONFIDENTIALITY**

To the extent permitted by law, Subrecipient and the GLO shall keep all information, in whatever form produced, prepared, observed, or received by Subrecipient or the GLO, confidential to the extent that such information is: (a) confidential by law; (b) marked or designated “confidential” (or words to that effect) by Subrecipient or the GLO; or (c) information that Subrecipient or the GLO is otherwise required to keep confidential by this Contract. Subrecipient must not make any communications or announcements relating to this Contract through press releases, social media, or other public relations efforts without notice to the GLO.

#### **8.16 PUBLIC RECORDS**

The GLO shall post this Contract to the GLO’s website. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the “PIA”), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the “Attorney General”). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. Subrecipient is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (“.pdf”) format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Subrecipient believes to be excepted from disclosure as “confidential” or a “trade secret,” Subrecipient waives any and all claims it may make against the GLO for releasing such information without prior notice to Subrecipient. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Subrecipient shall notify the GLO’s Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to [PIALegal@glo.texas.gov](mailto:PIALegal@glo.texas.gov). If a request for information was not written, Subrecipient shall forward the third party’s contact information to the above-designated e-mail address.

#### **8.17 AMENDMENTS TO THE CONTRACT**

Amendments to decrease or increase the subaward, to add or delete an Activity as allowed by the Guidance Documents, to extend the term of the Contract, and/or to make other substantial changes to the Contract may be made only by written agreement of the Parties under the formal Amendment process outlined below, except that, upon completion of the Project, the GLO shall issue a closeout letter pursuant to **Section 8.22**. The formal Amendment process requires official request documentation from Subrecipient detailing all provisions to be amended and supporting documentation as required. The GLO Grant Manager will confirm and review the request and, as appropriate, submit the proposed amended language or amount to the GLO's Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures. In the sole discretion of the GLO and in conformance with federal law, the GLO may approve other adjustments required by the GLO during Project performance through a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by Subrecipient. Such GLO approvals must be in writing and may be delivered by U.S. mail or electronic mail.

#### **8.18 ENTIRE CONTRACT AND MODIFICATIONS**

This Contract, its Attachments, and any Amendment(s), Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in issued Attachments, Technical Guidance Letters, and/or Revisions shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

#### **8.19 PROPER AUTHORITY**

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. Subrecipient acknowledges that this Contract is effective for the period of time specified in the Contract. Any work performed by Subrecipient after the Contract terminates is performed at the sole risk of Subrecipient.

#### **8.20 COUNTERPARTS**

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

#### **8.21 SURVIVAL**

The provisions of **Articles V, VI, and VII** and **Sections 1.01, 1.03, 3.02, 3.04, 3.05, 8.03, 8.04, 8.07, 8.08, 8.09, 8.10, 8.11, 8.12, 8.14, 8.15, 8.16, and 8.17** of this Contract and any other continuing obligations of Subrecipient shall survive the termination or expiration of this Contract.

## **8.22 CONTRACT CLOSEOUT**

Upon completion of all Activities required for the Contract and submittal of the final reimbursement request, the GLO will close the contract in accordance with 2 C.F.R. §§ 200.344 through 200.346 and GLO CDBG-MIT guidelines consistent therewith.

**SUBRECIPIENT SHALL SUBMIT A FINAL BUDGET AND ACTUAL EXPENDITURES TO THE GLO PRIOR TO CONTRACT EXPIRATION OR TERMINATION OR AT THE CONCLUSION OF ALL CONTRACT ACTIVITIES, WHICHEVER OCCURS FIRST. FAILURE TO SUBMIT THE FINAL BUDGET AND ACTUAL EXPENDITURES TO THE GLO PRIOR TO CONTRACT EXPIRATION OR TERMINATION WILL RESULT IN FORFEITURE AND DE-OBLIGATION OF ALL REMAINING UNREQUESTED FUNDS.**

The GLO will provide Subrecipient an official grant closeout letter upon satisfaction of all Project requirements.

## **8.23 INDIRECT COST RATES**

Unless, under the terms of 2 C.F.R. Part 200, Appendix V, Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, or is exempt from such negotiations and has developed and maintains an auditable central service cost allocation plan, Subrecipient's indirect cost rate shall be set by 2 C.F.R. § 200.414(f), i.e., ten percent (10%).

## **8.24 CONFLICT OF INTEREST**

- (a) Subrecipient shall abide by the provisions of this section and include the provisions in all subcontracts. Subrecipient shall comply with all conflict-of-interest laws and regulations applicable to the Program.
- (b) Subrecipient shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts.

## **8.25 FORCE MAJEURE**

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as "Force Majeure"), then, while compliance is so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure event in writing, and, if possible, such notice must set forth the extent and duration of the Force Majeure. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure event when it is possible to do so and must resume performance at the earliest possible date. However, if nonperformance continues for more

than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Subrecipient.

## **8.26 CITIZEN PARTICIPATION AND ALTERNATIVE REQUIREMENTS**

- (a) Subrecipient must ensure that all citizens have equal and ongoing access to information about an Activity or the Project, including ensuring that Activity or Project information is available in the appropriate languages for the geographical area served by Subrecipient.
- (b) Subrecipient shall timely respond to all submitted, written citizen complaints. Subrecipient shall notify citizens of the citizen participation process including location and the days and hours when the location is open for business so they may obtain a copy of these written procedures.
- (c) Subrecipient shall maintain a citizen participation file that includes a copy of Subrecipient's complaint procedures, documentation and evidence of opportunities provided for citizen participation (e.g., public notices, advertisements, flyers, etc.), documentation of citizen participation events (e.g., meeting minutes, attendance lists, sign-in sheets, news reports, etc.), and documentation of any technical assistance requested and/or provided.

## **8.27 PREFERENCE AND PROCUREMENT OF MATERIALS**

- (a) To the extent applicable, Subrecipient shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired in the following manner:
  - (i) competitively within a timeframe allowing compliance with the Contract's performance schedule;
  - (ii) in a way that meets the Contract's performance requirements; or
  - (iii) at a reasonable price.

To ensure maximum use of recovered/recycled materials pursuant to 2 C.F.R. § 200.323, information about this requirement, along with the list of EPA-designated items, is available at the EPA's Comprehensive Procurement Guideline Program website, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

- (b) As appropriate and to the extent consistent with law, Subrecipient should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).
- (c) For purposes of section (b) above:
  - (i) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
  - (ii) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum;

plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

**8.28 INFORMATION AND DATA SECURITY STANDARDS**

Subrecipient shall comply with all terms specified in the **GLO Information Security Appendix**, incorporated herein for all purposes as **Attachment E**.

**8.29 STATEMENTS OR ENTRIES**

**WARNING: ANY PERSON WHO KNOWINGLY MAKES A FALSE CLAIM OR STATEMENT TO HUD MAY BE SUBJECT TO CIVIL OR CRIMINAL PENALTIES UNDER 18 U.S.C. § 287, 18 U.S.C. § 1001, AND 31 U.S.C. § 3729.**

Except as otherwise provided under federal law, any person who knowingly and willfully falsifies, conceals, or covers up a material fact by any trick, scheme, or device or who makes any materially false, fictitious, or fraudulent statement or representation or who makes or uses any false writing or document despite knowing the writing or document to contain any materially false, fictitious, or fraudulent statement or entry shall be prosecuted under Title 18, United States Code, § 1001.

**Under penalties of 18 U.S.C. § 287, 18 U.S.C. § 1001, and 31 U.S.C. § 3729, the undersigned Subrecipient representative hereby declares that he/she has examined this Contract and Attachments, and, to the best of his/her knowledge and belief, any statements, entries, or claims made by Subrecipient are true, accurate, and complete.**
