Re: CR 314
Bartlett Electric Easement

Dear Mr. Walker:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a permanent electric easement by Williamson County and Bartlett Electric Cooperative, Inc. (collectively the "County") in and across portions of the property owned by you ("Owner") as part of the County's proposed CR 314 improvements ("Project").

By execution of this letter the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged electric easement ("Easement") in and to a 0.0368-acre (1,602 square foot) tract of land, such rights to be granted in the form as set out in Exhibit "A" attached hereto and incorporated herein, County shall pay Owner the sum of \$3,804.75 in cash or other good funds ("Purchase Price").

2. If requested by County, the Closing and completion of this transaction shall take place at Longhorn Title Company ("Title Company") within thirty (30) days after full execution of this Agreement, or at other date and time agreed to between the parties.

Upon request, the Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County or to the Easement Grantee in completion of this transaction. County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien joinder, consent or subordination required as a condition of the Closing.

Upon completion of (1) the full execution of this Agreement by all parties, and (2) acknowledgment by the Title Company of delivery by County of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after April 15, 2024 to enter and possess the Property prior to Closing for the purpose of completing any and all necessary construction activities associated with the proposed improvement construction project of County.

To the extent allowed by law County, its agents and contractors agree to release, indemnify, and otherwise hold Owner harmless from any damages or other losses to owner or any third party resulting from any acts or omissions performed under the limited right of possession herein. The parties further agree to continue to use diligence in assisting with any title curative or lienholder consent measures required by the Contract to expeditiously complete the Closing of the purchase transaction.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please have this letter executed by the appropriate person where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

/s/ John L. Kelley

Cooperative has the right to install, use, maintain, and lock access gates, and to remove or prevent construction on the Easement of any or all buildings, structures, and obstructions at Grantor's expense.

Grantor agrees that the consideration received by the Grantor includes consideration for all damages for the initial construction of the Cooperative's facilities on Grantor's Property as well as all damages, if any, to Grantor's Property which may occur in the future after the initial construction of the Cooperative's facilities on Grantor's Property, directly resulting from the Cooperative's exercise of any of its rights herein granted. The Cooperative shall not be liable for any damages caused by maintaining the easement clear of trees, undergrowth, brush, buildings, structures, and/or obstructions.

Grantor warrants that Grantor is the owner of Grantor's Property and has the right to execute this instrument. Grantor warrants that there are no liens existing against Grantor's Property other than the following liens:
