COUNTY OF WILLIAMSON	§	

THIS INTERLOCAL AGREEMENT ("Agreement") is entered into between the City of Liberty Hill, Texas, a Texas municipal corporation (the "City") and Williamson County, a political subdivision of the State of Texas (the "County"). In this Agreement, the City and the County are sometimes individually referred to as "a Party" and collectively referred to as "the Parties".

WHEREAS, V.T.C.A., Government Code, Chapter 791, the Texas Interlocal Cooperation Act, provides that any one or more public agencies may contract with each other for the performance of governmental functions or services for the promotion and protection of the health and welfare of the inhabitants of this State and the mutual benefit of the parties;

WHEREAS, the County is and has been in the process of designing an improvement to Ronald Reagan Blvd, the approximate location being shown on Exhibit "A" attached hereto, (the "County Project"); and

WHEREAS, the City desires to cooperate with the County to facilitate the construction of the County Project; and

NOW, THEREFORE, in consideration of the foregoing premises and the mutual promises and agreements of the Parties contained in this Agreement, the Parties agree as follows:

I.

PURPOSE

1.01 General. The purpose of this Agreement is to provide for the City's consent in the design and construction of the County Project.

II.

COUNTY OBLIGATIONS

- **2.01 Project Costs.** The County shall be responsible for all costs associated with the preliminary and final design, construction bidding and management, right-of-way acquisitions, utility relocations, and all other costs related to the construction of the County Project, unless otherwise specified herein ("County Project Costs").
- **2.02**. **Property Acquisition.** The County will be responsible for the acquisition of all right-of-way and easements needed for the County Project.

- **2.02 Permits.** The County shall be responsible for obtaining permits, if any, required for the construction of the Project.
- **2.03 Maintenance.** The County agrees to operate and maintain the County Project within the City limits until the City annexes any more property abutting the County Project. The City will then be responsible for maintaining all of the County Project within the City limits.
- **2.04** Georgetown Easement. The City agrees to execute a waterline easement to the City of Georgetown in and to a twenty-foot (20') wide parcel being approximately 0.2577 acres (11,224 square feet) at the location shown on Exhibit "B" attached hereto, with final field notes to be completed at the expense of County and attached to the easement document prior to execution and recording. - **3.04 Temporary Construction Easement.** By execution of this Agreement, City further grants to County a temporary construction easement in and across the 0.0074-acre portion of the City's property described in **Exhibit "E"** attached hereto, for the sole purpose of reconstructing City's existing driveway connection between the proposed County Project and the remaining property of City, which shall immediately expire and be of no further force and effect upon completion of the County Project.

IV.

DISPUTES

4.01 Material Breach; Notice and Opportunity to Cure.

(a) In the event that one Party believes that another Party has materially breached one of the provisions of this Agreement, the non-defaulting Party will make written demand to cure and give the defaulting Party up to 30 days to cure such material breach or, if the curative action cannot reasonably be completed within 30 days, the defaulting Party will commence the curative action within 30 days and thereafter diligently pursue the curative action to completion. Notwithstanding the foregoing, any matters specified in the default notice that may be cured solely

by the payment of money must be cured within 10 days after receipt of the notice. This applicable time period must pass before the non-defaulting Party may initiate any remedies available to the non-defaulting party due to such breach.

- (b) Any non-defaulting Party will mitigate direct or consequential damage arising from any breach or default to the extent reasonably possible under the circumstances.
- (c) The Parties agree that they will negotiate in good faith to resolve any disputes and may engage in non-binding mediation, arbitration, or other alternative dispute resolution methods as recommended by the laws of the State of Texas.
- 4.02 Equitable Relief. In recognition that failure in the performance of the Parties' respective obligations could not be adequately compensated in monetary damages alone, the Parties agree that after providing notice and an opportunity to cure in accordance with Section 4.01 above, the Parties shall have the right to request any court, agency or other governmental authority of appropriate jurisdiction to grant any and all remedies which are appropriate to assure conformance to the provisions of this Agreement. The defaulting Party shall be liable to the other for all costs actually incurred in pursuing such remedies, including reasonable attorney's fees, and for any penalties or fines as a result of the failure to comply with the terms including, without limitation, the right to obtain a writ of mandamus or an injunction requiring the governing body of the defaulting party to levy and collect rates and charges or other revenues sufficient to pay the amounts owed under this Agreement.
- 4.03 Agreement's Remedies Not Exclusive. The provisions of this Agreement providing remedies in the event of a Party's breach are not intended to be exclusive remedies. The Parties retain, except to the extent released or waived by the express terms of this Agreement, all rights at law and in equity to enforce the terms of this Agreement.

V. GENERAL PROVISIONS

- **5.01** Authority. This Agreement is made in part under the authority conferred in Chapter 791, *Texas Government Code*.
- **5.02** Term. This Agreement shall commence upon execution of this Agreement and shall end on the date that all obligations of the Parties with respect to this Agreement have been satisfied.
- 5.03 Severability. The provisions of this Agreement are severable and, if any provision of this Agreement is held to be invalid for any reason by a court or agency of competent jurisdiction, the remainder of this Agreement will not be affected and this Agreement will be construed as if the invalid portion had never been contained herein.
- **5.04** Payments from Current Revenues. Any payments required to be made by a Party under this Agreement will be paid from current revenues or other funds lawfully available to the Party for such purpose.
- **5.05** Cooperation. The Parties agree to cooperate at all times in good faith to effectuate the purposes and intent of this Agreement.

- 5.08 Applicable Law; Venue. This Agreement will be construed in accordance with Texas law. The venue for any action arising hereunder will be in Williamson County, Texas.
