

**IN THE COMMISSIONERS' COURT
OF WILLIAMSON COUNTY, TEXAS**

RESOLUTION

WHEREAS, the Commissioners' Court of Williamson County, Texas, has found and determined that in order to promote the public safety, to facilitate the safety and movement of traffic, and to preserve the financial investment of the public in its roadways, public necessity requires acquisition of fee simple title to that certain tract of land being 0.042 acres (Parcel 316) and 2.820 acres (Parcel 321), and 3.715 acres (Parcel 330) and 28.707 acres (Parcel 335) and 0.233 acres (Parcel 335D Part 1) and 0.152 acres (Parcel 335D Part 2) for drainage easements and 6.124 acres (Parcel 335E) for an electric easement described by metes and bounds in Exhibits "A-G" owned by **JNK PROPERTIES 1, LTD.** for the purpose of constructing, reconstructing, maintaining, and operating the Hero Way/RM 2243 roadway improvements ("Project"), excluding all the oil, gas, and sulphur which can be removed from beneath said real property, without any right whatever remaining to the owner of such oil, gas, and sulphur of ingress to or egress from the surface of said real property for the purpose of exploring, developing, or mining of the same, as a part of the improvements to the Project, at such locations as are necessary and that such constructing, reconstructing, maintaining, and operating shall extend across and upon, and will cross, run through, and be upon the hereinafter described real properties; and

WHEREAS, the Commissioners' Court of Williamson County, Texas, has, through agents employed by the said office, entered into bona fide good faith negotiations with the owners of the hereinafter described properties and has failed to agree with the owners on the compensation and damages, if any, due to said owners. Now, therefore,

the Commissioners' Court of Williamson County, Texas is authorizing the use of its power of eminent domain to condemn property.

BE IT RESOLVED BY THE COMMISSIONERS' COURT OF THE COUNTY OF WILLIAMSON, that the County Attorney or his designated agent be and he is hereby authorized and directed to file or cause to be filed against the owners of any interest in, and the holders of any lien secured by, the following described tracts of land, described in Exhibits "A-G" attached hereto, a suit in eminent domain to acquire the property interests for the aforesaid purposes; and

It is the intent of the Commissioners' Court that this resolution authorizes the condemnation of all property interests required to complete the construction and maintenance of the Project and associated public purposes. If it is later determined that there are any errors in the descriptions contained herein or if later surveys contain more accurate revised descriptions, the County Attorney is authorized to have such errors corrected or revisions made without the necessity of obtaining a new resolution of the Commissioners' Court authorizing the condemnation of the corrected or revised Property.

BE IT FURTHER RESOLVED that the County Attorney or his designated agent be and he is hereby authorized and directed to incur such expenses and to employ such experts as he shall deem necessary to assist in the prosecution of such suit in eminent domain, including, but not limited to, appraisers, engineers, and land use planners or other required expert consultants.
