**WILLIAMSON COUNTY  
ADDENDUM FOR DATA PROJECTIONS  
GENERAL TERMS AND CONDITIONS**

---

---

**Important Notice: County Purchase Orders and Contracts constitute expenditures of public funds, and all vendors are hereby placed on notice that any quotes, invoices or any other forms that seek to unilaterally impose contractual or quasicontractual terms are subject to the extent authorized by Texas law, including but not limited to the Texas Constitution, the Texas Government Code, the Texas Local Government Code, the Texas Transportation Code, the Texas Health & Safety Code, and Opinions of the Texas Attorney General relevant to local governmental entities.**

**THIS ADDENDUM FOR DATA PROJECTIONS GENERAL TERMS AND CONDITIONS** (“Agreement”) is made and entered into by and between **Williamson County, Texas** (“County”), a political subdivision of the State of Texas, acting herein by and through its governing body, and **Data Projections, Inc.** (hereinafter “Service Provider”), both of which are referred to herein as the parties. The County agrees to engage Service Provider as an independent contractor, to assist in providing certain operational services pursuant to the following terms, conditions, and restrictions:

**I.**

**Incorporated Documents:** This Agreement constitutes the entire agreement between the parties and may not be modified or amended other than by a written instrument executed by both parties. Documents expressly incorporated (as if copied in full) into this Agreement include the following:

- A. Data Projections Proposal;
- B. TIPS #230105; and
- C. This Williamson County Addendum.

**II.**

**No Agency Relationship & Indemnification:** It is understood and agreed that Service Provider shall not in any sense be considered a partner or joint venturer with the County, nor shall Service Provider hold itself out as an agent or official representative of the County. Service Provider shall be considered an independent contractor for the purpose of this Agreement and shall in no manner incur any expense or liability on behalf of the County other than what may be expressly allowed under this Agreement. The County will not be liable for any loss, cost, expense or damage, whether indirect, incidental, punitive, exemplary, consequential of any kind whatsoever for any acts by Service Provider or failure to act relating to the services being provided.

### III.

**No Waiver of Sovereign Immunity or Powers:** Nothing in this Agreement will be deemed to constitute a waiver of sovereign immunity or powers of the County, the Williamson County Commissioners Court, or the Williamson County Judge.

### IV.

**Compliance With All Laws:** Service Provider agrees and will comply with all local, state, or federal requirements with respect to the services rendered. Any alterations, additions, or deletions to the terms of the Agreement that are required by changes in federal, state or local law or regulations are automatically incorporated into the Agreement without written amendment hereto and shall become effective on the date designed by such law or by regulation.

### V.

**Good Faith Clause:** Service Provider agrees to act in good faith in the performance of this Agreement.

### VI.

**Consideration and Compensation:** Service Provider will be compensated based on a fixed sum for the specific project herein as set out in **Exhibit "A"**. The not-to-exceed amount under this Agreement is Four Thousand Thirty-Eight Dollars and Six Cents (\$4,038.06).

Payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. An invoice shall be deemed overdue the 31st day after the later of (1) the date the County receives the goods under the agreement; (2) the date the performance of the service under the agreement is completed; or (3) the date the Williamson County Auditor receives an invoice for the goods or services. Interest charges for any overdue payments shall be paid by the County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of the County's fiscal year in which the payment becomes due. The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

The County is a political subdivision under the laws of the State of Texas and claims exemption from sales and use taxes under Tex. Tax Code Ann. §151.309, as amended. The County agrees to provide exemption certificates to Service Provider upon request. Likewise, the County is neither liable for any taxes, charges, or fees assessed against Service Provider for the supplies or products provided or any Services rendered.

### VII.

**Termination:** This Agreement may be terminated at any time at the option of either party, without future or prospective liability for performance, upon giving fourteen (14) days written

notice thereof. In the event of termination, the County will only be liable for its pro rata share of services rendered and good actually received.

## VIII.

**Insurance:** Service Provider shall provide and maintain, until the services covered in this Agreement is completed and accepted by the County, the minimum insurance coverage in the minimum amounts as described below. Coverage shall be written on an occurrence basis by companies authorized and admitted to do business in the State of Texas and rated A- or better by A.M. Best Company or otherwise acceptable to the County and name the County as an additional insured.

Service Provider, as an independent contractor, meets the qualifications of an

“Independent Contractor” under Texas Worker’s Compensation Act, Texas Labor Code, Section 406.141, and must provide its employees, agents, and sub-subcontractors worker’s compensation coverage. Contactor shall not be entitled to worker’s compensation coverage or any other type of insurance coverage held by the County.

Upon execution of this Agreement, Service Provider shall provide the County with insurance certificates evidencing compliance with the insurance requirements of this Contract.

## **IX.**

**Right to Audit:** Service Provider agrees that the County or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of Service Provider which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. Service Provider agrees that the County shall have access during normal working hours to all necessary Service Provider facilities and shall be provided adequate and appropriate workspace in order to conduct audits in compliance with the provisions of this section. The County shall give Service Provider reasonable advance notice of intended audits.

## **X.**

**Texas Law Applicable to Indemnification:** All indemnifications or limitations of liability or statutes of limitations shall be to the extent authorized under Texas law and shall follow Texas law without modifying the County’s rights.

## **XI.**

**Public Information:** Service Provider understands that County will comply with the Texas Public information Act as interpreted by judicial ruling and opinions of the Attorney General of the State of Texas. Information, documentation, and other material in connection with this Purchase Order or any resulting contract may be subject to public disclosure pursuant to the Texas Public Information Act.

## **XII.**

**County Judge or Presiding Officer Authorized to Sign Contract:** The presiding officer of the County’s governing body who is authorized to execute this instrument by order duly recorded may execute this Agreement on behalf of the County.

## GENERAL TERMS AND CONDITIONS

### Exclusions

The following work is **not included** in our Scope of Work:

- All conduit, high voltage, wiring panels, breakers, relays, boxes, receptacles, etc.
- Concrete saw cutting and/or core drilling.
- Firewall, ceiling, roof, and floor penetration.
- Necessary gypsum board replacement and/or repair.
- Necessary ceiling tile or T-bar modifications, replacements, and/or repairs.
- All millwork (moldings, trim, cut-outs, etc.).
- Patching and Painting.
- Permits (unless specifically provided for and identified within the contract).

### This Scope of Work is delivered based on the following Assumptions:

- Site preparation by the Customer includes electrical, wall reinforcement, telephone, and data network infrastructure placement per Data Projections specification.
- All work areas should be clean and dust-free before the beginning of on-site integration of electronic equipment.
- Customer communication of readiness will be considered accurate and executable by the Data Projections project manager.
- In-Room(s) where installation is to be completed is to be made available for Data Projections exclusive use on the days of the scheduled installation. Unless specifically arranged in advance, rooms will be available during normal business hours, defined as Monday through Friday, 8:00 AM to 5:00 PM excluding holidays. All required spaces (rooms, access points, etc.) must be available at the start of the installation and remain available for the duration of the Project. Any required space that is unavailable during the scheduled installation timeframe may result in delayed delivery of the Project and/or additional charges. Additional rates will only be applied after execution of Data Projections generated Project Change Request according to the Change Management Procedure section following and signed approval by Owner or Owner's representative.
- The project schedule must allow for sufficient time for completion of all installation and final testing of systems before occupancy of the site. If sufficient time is not allowed, Data Projections will be held harmless for systems that do not meet requirements. In this case, all costs associated with the completion of work, including overtime labor rates, will be considered outside the scope of this offering and billable to the Client. Unless otherwise stated, the installation shall be scheduled contiguously from start to finish. Projects requiring multiple site visits and/or intervals of inactivity between events must be noted as such before acceptance of this SOW. If notification is made after initial acceptance of this SOW, the Change Management Procedure section following shall be implemented and additional charges may apply. Data Projections reserves the right to revise the proposal/scope of work based upon information obtained from subsequent site surveys and other sources not available at the time that the original proposal was issued.
- Data Projections reserves the right to substitute equipment of similar specifications should any of the specified equipment be unavailable at the time of order from the manufacturer. This will be done in an effort to maintain the completeness of the proposed audiovisual system and meet the anticipated installation schedule. Data Projections will notify the client in the event there is a need for any equipment substitutions.
- Client is to provide secure storage for equipment during a multiple-day integration. If secure storage is not available for the duration of the multiple-day integration period, Data Projections reserves the right to; delay the installation until secure storage is available which could result in project completion delays and additional storage and delay fees; payment in full for the materials and equipment that cannot be secured thus constituting transfer of ownership and relieving Data Projections of its responsibility and liability for security and protection of said materials and equipment against damage and theft.
- If Customer furnished equipment and existing cabling are to be used, Data Projections assumes that these items are in good working condition and will integrate into the designed solution. Any troubleshooting, repair, replacement, and/or configuration of these items that may be necessary will be made at an additional cost.
- All Network configurations including IP addresses are to be provided, operational, and functional before Data Projections' integration begins. Data Projections will not be responsible for testing the LAN connections.

- Cable or Satellite drops must be in place with converter boxes operational before the completion of integration. Any delay resulting in extra work caused by the late arrival of these items will result in a change order for time and materials.
- Document review/feedback on touch panel layout/correspondence will be completed by the Customer within two business days

## Integration Project Management Processes

Data Projections will follow a foundational project management process which may include the following actions/deliverables (based on the size/complexity/duration of the integration project):

- Needs Analysis – performed before Scope of Work
- Project Welcome Notice – emailed upon receipt of Purchase Order/Notice to proceed
- Project Kick-Off meeting with Customer Representative(s) – either by phone or in-person
- Project Status updates – informal or formal – either by phone, email, or in-person (based on the size/complexity/duration of the project)
- Project Change Control – comprised of Field Directed Change Order and/or Contract Change Order submittals
- Substantial Completion– Client walk-through and user acceptance training before project is transitioned to Service department

## User Acceptance Training

This is geared specifically towards the end-user/operator. The purpose of this training is to provide operators with the necessary knowledge to confidently and comfortably operate all aspects of the integrated system. Areas of training include the following:

- Equipment and system overview
- Equipment operation and function
- Equipment start-up, stop, and shut Down
- Equipment automatic and manual operation
- Discussion and documentation relating to control system operation
- Discussion and documentation relating to system processor and its control applications
- Powering up, powering down AV system via a control system
- Manual operation of display systems, audio systems, and all other related components
- Use/operation of patch panels, when and where to be used
- Who to contact if help is required.

## Change Management Procedure

Any changes to the scope of the project that effect the contractual value of the project must be in writing signed by the Client and an authorized representative of Data Projections, Inc. Oral changes to the project scope, equipment, or materials shall not be binding upon the parties. Changes may impact the ability of Data Projections, Inc. to deliver the desired solution per the original terms of the Contract. After acceptance of this Scope of Work, such signed and approved change orders will be incorporated by reference into and become part of this Contract.

## Proprietary Notice

This proposal contains confidential information and intellectual property of Data Projections and may be legally privileged. The recipient agrees not to reproduce or make this information available in any manner to persons outside the group directly responsible for the evaluation of its contents.

## Returns

The approval of product returns is at the discretion of Data Projections and the specified manufacturer and requires a return authorization number if the request is approved. Products that are defective will be repaired, replaced, or credited in accordance with the manufacturer's warranty. Goods returned for reasons other than warranty or defect must be requested in a timely manner and must be in their original, undamaged, and untarnished condition and must include all original packaging, documentation, and accessories. Restocking fees may apply

to the items being returned. Any custom-ordered products are not eligible to be returned. Please consult Data Projections for additional details.

## Warranty

All new equipment provided by Data Projections includes each manufacturer's full warranty from the date of invoice. Data Projections will honor all manufacturer warranty requirements as depot service. Data Projections supplies a 90-day workmanship warranty from the date of completion of the said system unless superseded by an extended warranty, or Data Projections service agreement. Data Projections warrants the system to be free of defects in materials and workmanship and fit for the intended purpose. This warranty does not cover equipment or system abuse, misuse including, but not limited to, operating outside of environmental, electrical, temperature, or humidity specifications, system alterations neither approved nor performed by Data Projections; or repair by a service facility other than those authorized by the manufacturer.

## Indemnification

Data Projections agrees, to the fullest extent permitted by law, to indemnify and hold harmless the Client, its officers, director, and employees (Collectively, Client) against all damages, liabilities, or costs, including reasonable attorney's fees and defense costs, to the extent caused by the Data Projections' negligent performance of professional services under this Agreement and that of its subcontractors or anyone for whom Data Projections is legally liable. The Client agrees, to the fullest extent permitted by law, to indemnify and hold harmless Data Projections, its officers, directors, employees, and subcontractors (collectively, Data Projections) against all damages, liabilities, or costs, including reasonable attorneys' fees and defense costs, to the extent caused by the Client's negligent acts in connection with the Project and the acts of its contractors, subcontractors or consultants or anyone for whom the Client is legally liable. Neither the Client nor Data Projections shall be obligated to indemnify the other party in any manner whatsoever for the other party's own negligence.

## No Hire Policy

During the term of the Contract, and for a period of one (1) year after the termination of the Contract, or the completion of the project, whichever is later, the Client agrees that it will not directly solicit the employment of any individual that was employed by Data Projections during the term of the Contract. In the event Client breaches this provision, the parties agree that it would be difficult to establish the precise amount of damages incurred by Data Projections as a result of such conduct, and therefore the parties agree that immediately upon hiring said individual, Client shall pay to Data Projections an amount equal to 50% of the gross annual salary or wages paid to the individual in question during the twelve months before the termination of that individual's employment with Data Projections. This fee shall not apply if the individual responds to a general employment advertisement through newspapers, online job boards or postings, agencies, open houses, or job fairs.

## Payment Terms

The total for this proposal/project is presented as a "not to exceed" unless Data Projections and the Client agree to add hardware, software, or functionality not specifically addressed in this Statement of Work/Executive Summary. If the project is delayed due to the client or client's facility not being ready within the agreed upon timeframes, or as a result of backorder delays outside of Data Projection's control, the Client may be requested to issue payment for the hardware as it is physically received.

The payment schedule is contingent on the established line of credit approved by the company. If credit terms are extended, the standard terms are NET 30 days. If credit terms are not requested or extended, payment will be required in full before hardware is ordered or installation dates are scheduled. Data Projections will assess a surcharge of 2.29% on all credit card transactions to cover our processing costs. The surcharge imposed will not be greater than the direct cost incurred from the processing of credit card payments. Data Projections does not surcharge debit card transactions.

**\*Due to component shortages and backorder delays, Data Projections reserves the right to progress bill for all projects impacted by delays outside of Data Projection's control. Progress billing may include hardware received and stored by Data Projections or the client, and for services rendered at the time of billing.**
