Re: Williamson County — County Road 279
Improvements Parcel 19E

Dear Mr. Comeaux:

Please allow this letter to set out my understanding regarding our Agreement for the acquisition of a permanent aerial electric easement by Williamson County, Texas ("County") in and across portions of the property owned by Crestway Storage & Parking, LLC ("Owner") as part of the County's proposed County Road 279 roadway and utility system upgrade and extension improvements ("Project").

By execution of this letter, the parties agree as follows:

1. In return for Owner's delivery to County of a fully executed and acknowledged easement ("Easement") in and to a 0.1512-acre tract of land (Parcel 19E), free and clear of any monetary liens and such rights to be granted in the form as set out in Exhibit "A" attached hereto and incorporated herein, and as part of the proposed construction of improvements to County Road 279 upon the Property, the County shall cause a replacement driveway to be built between the edge of proposed roadway improvements and the remaining property of Seller. The driveway shall otherwise be constructed in the location and according to the specifications as shown in Exhibit "B" attached hereto and incorporated herein. By execution of this Agreement Seller shall allow Purchaser, its agents and contractors to temporarily access the remaining property of Seller solely in the location and for the purposes and time period necessary to carry out the obligations of this paragraph. The foregoing obligations shall survive the closing of this transaction.

2. If requested by County, the Closing and completion of this transaction shall take place at Texas National Title ("Title Company") within thirty (30) days after full execution of this Agreement, or at another date and time agreed to between the parties.

Upon request, Owner shall provide reasonable assistance, at no cost to Owner, to cause the Title Company to issue a policy of title insurance, with standard printed exceptions, to County in completion of this transaction. The County shall be responsible for all fees and costs associated with this transaction, except that each party shall be responsible for any attorney's fees they incur. Owner shall assist County and Title Company with any curative measures or mortgage lien joinder, consent, or subordination required as a condition of the Closing.

Upon completion of (1) the full execution of this Agreement by all parties, and (2) acknowledgment by the Title Company of delivery by County of the full Purchase Price to the Title Company, Purchaser, its agents and contractors shall be permitted at any time after July 31, 2024, to enter and possess the Property prior to Closing for the purpose of completing any and all necessary construction activities associated with the proposed facility improvement construction project of County.

To the extent allowed by law County, its agents, and contractors agree to release, indemnify, and otherwise hold Owner harmless from any damages or other losses to Owner or any third party resulting from any acts or omissions performed under the limited right of possession herein. The parties further agree to continue to use diligence in assisting with any title curative or lienholder consent measures required by this Agreement to expeditiously complete the Closing of the purchase transaction.

3. This Agreement is being made, and the Easement is being delivered, in lieu of condemnation.

If this meets with your understanding, please execute this letter where indicated and return it to me, and we will have this approved and signed by the County and process this for payment and Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

/s/ Adam Hill
