Each party shall be legally and financially responsible for the acts and omissions of itself and its employees, directors, officers, representatives or agents and will pay all losses and damages attributable to such acts or omissions for which it is legally liable. This Agreement shall not be construed to create a contractual obligation for one party to indemnify the other party for loss or damage resulting from any act or omission of such other party or its employees, directors, officers, representatives or agents, nor to constitute a waiver by either party of any rights to indemnification, contribution or subrogation that the party may have by operation of law.
