- (b) System Administrator. The Customer will name one or more primary system administrators to serve as a main point(s) of contact between the Customer and GUARDIAN RFID with respect to system administration (each, a "System Administrator"). At least one (1) System Administrator must be available at all times. The Customer will ensure that the System Administrators possess the appropriate technology and public safety knowledge and skills to perform this role sufficiently.
- (c) Hardware Installation. The Customer will be responsible for installing and maintaining all hardware not specified under this Agreement to be installed or maintained by GUARDIAN RFID.
- (d) Customer's Third-Party Software and Customer's Third-Party Hardware. The Customer will be solely responsible for obtaining, installing, maintaining, supporting, and updating the Customer's Third-Party Software and the Customer's Third-Party Hardware. The Customer expressly agrees that GUARDIAN RFID will have no responsibility under this Agreement for obtaining, installing, maintaining, supporting, or updating the Customer's Third-Party Software or the Customer's Third-Party Hardware.
- (e) Flow of Information. The Customer will be responsible for the accuracy and continuous flow of any information required from Customer's Third-Party Software and the Customer's Third-Party Hardware to the GUARDIAN RFID System that is required for the GUARDIAN RFID System to properly function.
- (f) Facility Condition. The Customer will be responsible for performing any actions not specifically delegated to GUARDIAN RFID under this Agreement that are required to keep the facility in sufficient condition for operation of the GUARDIAN RFID System, including, but not limited to, providing appropriate uninterrupted power, air conditioning, sufficient space, electrical drops, network and physical security, network equipment (including Wi-Fi), network drops, and other similar items.
- (g) System Configuration. The Customer will make appropriate subject matter experts available to perform GUARDIAN RFID System configuration tasks as assigned.
- (h) System Updates. The Customer will work in good faith to allow GUARDIAN RFID to timely install Updates as requested by GUARDIAN RFID.

In addition, where the Customer chooses to change the configuration of any of the Customer's Third-Party Software or the Customer's Third-Party Hardware as such configuration existed as of the Effective Date (including, but not limited to, adding, removing, or modifying any of the Customer's Third-Party Software or the Customer's Third-Party Hardware), and such changed configuration requires modifications to the GUARDIAN RFID System for the GUARDIAN RFID System to function with the changed configuration, the Customer will be responsible for paying amounts related to those changes in accordance with the provisions of Section 7(e) of this Agreement.
- (l) Proper Use of GUARDIAN RFID System. Each of the Authorized Customer Personnel must learn proper use of the GUARDIAN RFID System through one or a combination of the following: (1) attending one of the Customer End-User Training Classes, (2) attending a Refresher Training, or (3) receiving instruction on proper use of the GUARDIAN RFID System by another of the Authorized Customer Personnel who is familiar with the proper use of the GUARDIAN RFID System. The Customer acknowledges that the GUARDIAN RFID System is designed to deliver a wide range of inmate management, monitoring, and tracking solutions, but that the GUARDIAN RFID System relies on the Authorized Customer Personnel accurately and appropriately logging events and on the Customer fulfilling the obligations of this Section 11. The failure by the Customer or the Authorized Customer Personnel to properly use the GUARDIAN RFID System or fulfill the obligations of this Section 11 may prevent records logged using the GUARDIAN RFID System from being accurate.
- (m) Service Levels. The Customer is responsible for meeting its obligations set forth in the Service Level Agreement in Addendum C.
- (n) Usage Seal. The Customer may display the Defended by GUARDIAN RFID™ Seal on the Customer's website and link the Defended by GUARDIAN RFID™ Seal to the GUARDIAN RFID website (<https://www.guardianrfid.com>). In addition, the Customer may, but is not required, to include some or all of the following additional information about GUARDIAN RFID on the Customer's website or through such other means as the Customer reasonably determines will effectively inform the public of such information:

[Insert Customer's Proper Name] uses GUARDIAN RFID to manage, monitor, and track inmates in-custody. Radio frequency identification (RFID) technology is used to support staff and inmate compliance and optimizes our data collection and reporting responsibilities as mandated by state and national corrections standards.

Inmates are required to wear non-implantable devices at all times. Any incident of non-compliance will not be tolerated, and an inmate will be subject to fines and disciplinary action, including prosecution.

All systems and devices using RFID technology are designed, tested, and manufactured to comply with Federal Communications Commission (FCC) regulations. RF energy levels generated are similar to those found in consumer electronics. Inmate-worn devices are hypoallergenic.

RF-based inmate identification is the exclusive property of [Insert Customer's Proper Name].

12. CONFIDENTIALITY

- (a) Use and Handling of Confidential or Proprietary Information. The Receiving Party shall keep the Confidential or Proprietary Information confidential, shall use such information solely for performing its obligations under this Agreement, and shall not disclose to any persons or entities any of the Confidential or Proprietary Information without the prior written consent of the applicable Disclosing Party. The Receiving Party shall make the Confidential or Proprietary Information available only to Receiving Party Personnel who have a demonstrable need for such information, provided that the Receiving Party has informed all such Receiving Party Personnel of the Receiving Party's obligations under this Agreement and such Receiving Party Personnel have agreed in writing to be bound by the terms of this Agreement, either by means of an agreement directly with the Disclosing Party or pursuant to an agreement with the Receiving Party which restricts the use of the Confidential or Proprietary Information received as Receiving Party Personnel. In accepting any Confidential or Proprietary Information disclosed to the Receiving Party under this Agreement, the Receiving Party agrees to preserve the confidentiality of such information with at least the same degree of care as that taken by the Receiving Party to preserve and protect its own Confidential or Proprietary Information, in no case less than a reasonable degree of care. The Receiving Party agrees to maintain adequate safeguards and procedures to prevent the theft, loss, or dissemination of any of the Confidential or Proprietary Information, and, in the event of any such theft, loss, or dissemination, shall notify the Disclosing Party immediately.
- (b) Exceptions to Confidential Treatment. The Receiving Party shall not be obligated to maintain any information in confidence or refrain from use if:
- (i) the information was lawfully in the Receiving Party's possession or was known to it prior to its disclosure from the Disclosing Party as evidenced by written records;
 - (ii) the information is, at the time of disclosure, or thereafter becomes public knowledge without the fault of the Receiving Party (provided, however, that the act of copyrighting, patenting, or otherwise publishing or aiding in publication by the Disclosing Party shall not cause or be construed as causing the copyrighted materials or patented technologies to be in the public domain);
 - (iii) the information is or becomes rightfully available on an unrestricted basis to the Receiving Party from a source other than the Disclosing Party which did not acquire the same under an obligation of confidentiality to the Disclosing Party;
 - (iv) the information becomes available on an unrestricted basis to a third party from the Disclosing Party or from someone acting under its control;

- (v) disclosure is required by subpoena or pursuant to a demand by any governmental authority;
or
- (vi) disclosure is required by open records laws, such as the federal Freedom of Information Act or similar state “sunshine” laws.

Before relying on the exceptions of this Section 12(b), and disclosing any Confidential or Proprietary Information, the Receiving Party shall notify the Disclosing Party in writing of its intent to do so, and give the Disclosing Party a period of fifteen (15) days to object or otherwise take action to protect its rights and interest in such information, provided that if the exception being relied upon is Section 12(b)(vi), then such fifteen (15) day period will be extended to be the maximum amount of time allowed pursuant to the applicable open records law or other applicable law, rule, or regulation pursuant to which the Disclosing Party is seeking to disclose such information.

- (c) Return of Materials. Upon request from the Disclosing Party, the Receiving Party shall immediately return to the Disclosing Party all copies of Confidential or Proprietary Information received under this Agreement as well as all copies of notes, reports, or other documents or materials that reflect such Confidential or Proprietary Information; provided, however, that if the Disclosing Party requests, the Receiving Party shall immediately destroy all Confidential or Proprietary Information and certify such destruction to the Disclosing Party.
- (d) Confidentiality Remedies. The Receiving Party acknowledges that any breach of the provisions of this Section 12 could result in immediate and irreparable injury to the Disclosing Party for which an award of money damages would be inadequate. The Receiving Party agrees, therefore, that the Disclosing Party shall have the right to seek equitable relief including an injunction to specifically enforce the terms of this Section 12, and to obtain any other legal or equitable remedies that may be available to it. In the event of any breach by the Receiving Party of this Section 12, the Receiving Party agrees to pay reasonable costs and legal fees incurred by the Disclosing Party in pursuit of any of its rights under this Section 12, in addition to any damages sustained by the Disclosing Party by reason of such breach, provided that the Disclosing Party prevails in the suit, action, or proceeding in which such costs and fees were incurred.

13. LIMITATION OF LIABILITY

IN NO EVENT WILL GUARDIAN RFID'S LIABILITY TO THE CUSTOMER FOR DAMAGES UNDER THIS AGREEMENT, INCLUDING GUARDIAN RFID'S INDEMNIFICATION OBLIGATIONS UNDER THIS AGREEMENT, EXCEED THE AMOUNT OF FEES PAID BY THE CUSTOMER UNDER THIS AGREEMENT. NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THEIR RESPECTIVE OBLIGATIONS UNDER THIS AGREEMENT.

14. INDEMNIFICATION

- (a) Indemnification by GUARDIAN RFID. GUARDIAN RFID will defend, indemnify, and hold harmless the Customer and the Authorized Customer Personnel (the “Customer Indemnified Parties”), from and against all reasonable and necessary costs, charges and expenses (including attorneys' fees) arising from any third-party claim, action, suit, or proceeding against any Customer Indemnified Party (a “Customer Indemnified Claim”) to the extent the Customer Indemnified Claim is based on: (i) any claim that the GUARDIAN RFID Software infringes a patent, copyright, or other proprietary right or violates a trade secret; and (ii) any gross negligence, willful misconduct, or fraud of GUARDIAN RFID or any Authorized GUARDIAN RFID Personnel.

- (b) Indemnification by the Customer. The Customer will defend, indemnify, and hold harmless GUARDIAN RFID and the Authorized GUARDIAN RFID Personnel ("GUARDIAN RFID Indemnified Parties"), from any and all reasonable and necessary costs, charges, and expenses (including attorneys' fees) which result from any third-party claim, action, suit, or proceeding against any GUARDIAN RFID Indemnified Party (a "GUARDIAN RFID Indemnified Claim") to the extent the GUARDIAN RFID Indemnified Claim is based on: (i) the Customer's use of the GUARDIAN RFID Software or GUARDIAN RFID OnDemand other than as permitted under this Agreement; and (ii) any gross negligence, willful misconduct, or fraud of the Customer or any Authorized Customer Personnel. All Indemnification or limitations of liability or statutes of limitations shall be to the extent authorized under Texas law and shall follow Texas law without modifying the County's rights.

15. TERM AND TERMINATION

- (a) Term. The initial term of this Agreement shall begin on the Effective Date and extend to the first anniversary of the Effective Date (the "Initial Term"). After the Initial Term, subject to Section 15(b), this Agreement will be automatically renewed for up to three (3) additional one-year (1-year) periods (each such period, an "Extended Term").
- (b) Termination for Convenience.
- (i) Non-Renewal. This Agreement may be terminated for convenience by either party by providing a non-renewal notice to the other party at least sixty (60) days prior to the end of the Initial Term or the end of any Extended Term, as applicable. Such termination will be effective as of the end of such Initial Term or Extended Term, as applicable.

- (ii) GUARDIAN RFID may terminate this Agreement upon sixty (60) days' notice to the Customer if the Customer breaches its obligation to pay any fee or otherwise materially breaches any

provision of this Agreement not otherwise specified in Section 15(c)(i) and fails to cure such breach within such notice period.

(d) Termination by the Customer for Cause. The Customer may terminate this Agreement upon sixty (60) days' notice to GUARDIAN RFID if GUARDIAN RFID materially breaches any provision of this Agreement and fails to cure such breach within such notice period, provided, however, that if such breach cannot be cured within sixty (60) days and GUARDIAN RFID has begun in good faith to cure such breach, then GUARDIAN RFID shall have an additional period of sixty (60) days to cure such breach. This provision shall apply in the event that GUARDIAN RFID is unable to correct a non-conformity pursuant to Section 10(a)(ii) of this Agreement.

(e) Post-Termination Rights and Obligations.

(i) Upon expiration or termination of this Agreement, the grant of the license of the GUARDIAN RFID Software Materials, the grant of access to GUARDIAN RFID OnDemand, and all other rights granted to the Customer under this Agreement will immediately terminate and revert to GUARDIAN RFID and the Customer must discontinue all use of the GUARDIAN RFID Software Materials and GUARDIAN RFID OnDemand.

(ii) The following shall survive the expiration or termination of this Agreement:

(B) The provisions of Section 7 ("Fees and Payment Terms"), with respect to fees incurred prior to the expiration or termination of the Agreement and with respect to fees accelerated in connection with such expiration or termination; and

It is expressly understood by the Customer and GUARDIAN RFID that GUARDIAN RFID and any Authorized GUARDIAN RFID Personnel will not be construed to be, and are not, employees of the Customer. GUARDIAN RFID will provide services to the Customer as an independent contractor with control over the time, means, and methods for fulfilling its obligations under this Agreement. 18. NON-DISPARAGEMENT

During the Term of the Agreement, and for a period of one (1) year after termination or expiration of the Agreement, each party will refrain from any statements or comments (in oral or written form) that could damage, disparage, or cause injury to the other party's reputation.

19. MISCELLANEOUS

ADDENDUM C

SERVICE LEVEL AGREEMENT

1. DEFINITIONS

Except as defined in this Addendum C, all defined terms have the meaning set forth in the Agreement.

- (a) "Attainment" means the percentage of time during a calendar quarter, with percentages based on those contained in the chart under Section 2(d) of this Addendum C, in which the Customer has GUARDIAN RFID OnDemand Availability.
- (b) "Customer Error Incident" means any service unavailability, which GUARDIAN RFID did not directly cause or create, resulting from any one or a combination of the following: (i) the Customer's Third-Party Software or the Customer's Third-Party Hardware, (ii) the acts or omissions of any Customer Personnel, or (iii) the acts or omissions of any personnel or third-party providers over whom GUARDIAN RFID exercises no control.
- (c) "Disaster" means an event that renders any portion of a data center's infrastructure used in connection with the Agreement both inoperable and unrecoverable.
- (d) "Downtime" means those minutes during which any portion of GUARDIAN RFID OnDemand is not available for the Customer's use.
- (e) "Unscheduled Downtime" means Downtime that is not due to any one or a combination of the following: Scheduled Downtime, Emergency Maintenance (unless GUARDIAN RFID is the cause of the issue that requires such Emergency Maintenance), Customer Error Incidents, or Force Majeure Events.
- (f) "Emergency Maintenance" means (i) maintenance that is required to patch a critical security vulnerability, or (ii) maintenance that is required to prevent an imminent outage of GUARDIAN RFID OnDemand Availability.
- (g) "Scheduled Downtime" means those minutes during which GUARDIAN RFID OnDemand is not available for the Customer's use due to GUARDIAN RFID's scheduled maintenance windows.
- (h) "GUARDIAN RFID OnDemand Availability" means that GUARDIAN RFID OnDemand is capable of receiving, processing, and responding to requests by or from the Customer and each of the Authorized Customer Personnel, excluding Scheduled Downtime, Emergency Maintenance (unless GUARDIAN RFID is the cause of the issue that requires such Emergency Maintenance), Customer Error Incidents, and Force Majeure Events.
- (i) "RPO" means Recovery Point Objective, and refers to the maximum data loss per declared Disaster event during any calendar quarter throughout the Term that could occur following a Disaster.
- (j) "RTO" means Recovery Time Objective, and refers to the amount of time per declared Disaster event during any calendar quarter throughout the Term that it takes for GUARDIAN RFID OnDemand to become operational following a Disaster.

2. GUARDIAN RFID ONDEMAND CLOUD SERVER UPTIME

(a) GUARDIAN RFID OnDemand Availability.

- (i) Attainment Target. Subject to the terms of this Addendum C, GUARDIAN RFID has an Attainment target to provide to the Customer GUARDIAN RFID OnDemand Availability of one hundred percent (100%), twenty-four (24) hours per day, every day of the calendar year throughout the Term. GUARDIAN RFID has set GUARDIAN RFID OnDemand Availability Attainment targets and actuals under the terms of Section 2(d) of this Addendum C.
- (ii) Calculation. The GUARDIAN RFID OnDemand Availability calculation does not include Scheduled Downtime, Customer Error Incidents, Emergency Maintenance (unless GUARDIAN RFID is the cause of the issue that requires Emergency Maintenance), and Force Majeure Events. For the avoidance of doubt, if GUARDIAN RFID is a cause of an issue that requires Emergency Maintenance, then Downtime resulting from such Emergency Maintenance will be included in the calculation of Attainment.
- (iii) Scheduled Downtime. GUARDIAN RFID will perform maintenance on GUARDIAN RFID OnDemand only during limited windows that are anticipated to be reliably low-traffic times based on historical information. As of the Effective Date, GUARDIAN RFID performs such maintenance on Wednesdays between 12:00 a.m. and 6:00 a.m. Central time. GUARDIAN RFID will provide the Customer with advance written notice of any change to the current maintenance schedule. If and when any such Scheduled Downtime is predicted to occur during periods of higher traffic, GUARDIAN RFID will provide advance notice of those windows and will coordinate with the Customer. In instances where maintenance of GUARDIAN RFID OnDemand requires Scheduled Downtime outside of the known maintenance windows described in this Section, GUARDIAN RFID will provide written notice to the Customer at least twenty-four (24) hours prior to any Scheduled Downtime.
- (iv) Emergency Maintenance. If Downtime is known to be necessary to perform any Emergency Maintenance, then GUARDIAN RFID will notify an appropriate Customer contact via email or telephone call, a minimum of four (4) hours or as early as is reasonably practicable, prior to the start of such Emergency Maintenance. GUARDIAN RFID reserves the right to perform unscheduled Emergency Maintenance at any time.
- (v) Other Maintenance. Any such scheduled maintenance will be considered Scheduled Downtime and will be excluded from the calculation of Attainment.
- (vi) Force Majeure. In the event of a Force Majeure Event affecting the GUARDIAN RFID OnDemand Availability, GUARDIAN RFID will provide the Customer with a written notice of the Force Majeure Event and include a description of the facts and circumstances it believes supports that determination.

(b) GUARDIAN RFID Responsibilities Relating to GUARDIAN RFID OnDemand Availability.

- (i) GUARDIAN RFID will monitor GUARDIAN RFID OnDemand Availability under this Addendum C and will make commercially reasonable efforts to (A) address any GUARDIAN RFID OnDemand Availability-related issues that impact the 100% Attainment target, and (B) notify the Customer, either through automated monitoring systems or by other mutually agreed-upon means, that (A) Downtime will occur, if practicable, or (b) if Downtime has already occurred, promptly after it is confirmed.

- (ii) If Authorized GUARDIAN RFID Personnel receive notice from the Customer that Downtime has occurred or is occurring, GUARDIAN RFID will work with the Customer to promptly identify the cause of the Downtime and will work with the Customer to promptly resume normal operations.
- (iii) Upon timely receipt of a Customer report of Downtime under Section 2(c) of this Addendum C, if any, GUARDIAN RFID will compare that report to its own outage logs and support tickets to confirm whether Unscheduled Downtime has occurred, and communicate with the Customer about GUARDIAN RFID's findings.
- (iv) GUARDIAN RFID will, at no additional charge to the Customer, do any one or a combination of the following, upon the Customer's written request (which can be made a maximum of once per calendar quarter), with such items being provided within sixty (60) days of the Customer's written request:
 - (A) provide to the Customer, a written report that documents the preceding calendar quarter's GUARDIAN RFID OnDemand Availability, Unscheduled Downtime, any root cause, Emergency Maintenance matters, and remedial actions that were undertaken in response to the matters identified in the report.
 - (B) make available for auditing by the Customer the severity downtime reports, incident reports, and other available information used by GUARDIAN RFID in determining whether the GUARDIAN RFID OnDemand Availability has been achieved.
- (c) Customer Responsibilities Relating to GUARDIAN RFID OnDemand Availability.
 - (i) Whenever the Customer experiences Downtime, the Customer will follow the support process defined in Section 6(c) of the Agreement.
 - (ii) The Customer may document, in writing, all Downtime that is experienced during each calendar quarter throughout the Term. The Customer may deliver such documentation for any given calendar quarter to GUARDIAN RFID within thirty (30) days of that quarter's end. The documentation may include the supporting incident number(s) and corresponding Downtime(s) experienced.

- (d) GUARDIAN RFID OnDemand Availability Attainment Targets and Actuals. Every calendar quarter, GUARDIAN RFID will compare confirmed Unscheduled Downtime to the GUARDIAN RFID OnDemand Availability Attainment target and actual amounts listed in the table below. If the actual Attainment does not meet the target Attainment, as shown in the table below, the corresponding Customer Relief, as shown below, will apply on a quarterly basis throughout the Term:

Target	Actual	Customer Relief
100%	100% – 95%	Prompt, remedial action will be taken.
	<95%	Will be deemed to be a Notice of Non-Conformity, which will be deemed (i) to have been corrected if the subsequent calendar quarter's Actual GUARDIAN RFID OnDemand Availability is $\geq 95\%$, or (ii) to not have been corrected if the subsequent calendar quarter's Actual GUARDIAN RFID OnDemand Availability is $< 95\%$. In situations where a Notice of Non-Conformity is deemed not to have been corrected due to the subsequent calendar quarter's Actual GUARDIAN RFID OnDemand Availability being $< 95\%$, the Customer will be entitled to terminate the Agreement under Section 15(d) of the Agreement, except that such notice of termination will be effective upon receipt by GUARDIAN RFID.

3. GUARDIAN RFID ONDEMAND CLOUD SERVER RECOVERY

In the event of a Disaster, GUARDIAN RFID will recover the Customer's data (including Inmate Data) and continue to provide GUARDIAN RFID OnDemand at a recovered or alternate operational data center within the times defined in the table below following the start of such Disaster. GUARDIAN RFID will also provide Customer Relief, as shown below, to the Customer for any calendar quarter where the RPO or RTO targets are not met.

	Actual	Customer Relief
RPO	≤ 2 Hours	Prompt, remedial action will be taken.
	> 2 Hours	Will be deemed to be a Notice of Non-Conformity, which is deemed to be not to have been corrected. The Customer will be entitled to terminate the Agreement under Section 15(d) of the Agreement, except that such notice of termination will be effective upon receipt by GUARDIAN RFID.
RTO	≤ 4 Hours	Prompt, remedial action will be taken.
	> 4 Hours	Will be deemed to be a Notice of Non-Conformity, which is deemed to be not to have been corrected. The Customer will be entitled to terminate the Agreement under Section 15(d) of the Agreement, except that such notice of termination will be effective upon receipt by GUARDIAN RFID.

4. INCIDENT PRIORITIES, CHARACTERISTICS, AND RESOLUTION

- (a) Incident Tracking. In the event of an issue with the GUARDIAN RFID requiring support, the

Customer will contact GUARDIAN RFID in accordance with Section 6(c) of the Agreement. Each support incident is logged using GUARDIAN RFID's enterprise workflow management system, given a unique case number, and assigned a support representative.

- (b) Incident Priority. Each support incident is assigned a priority level, which corresponds to the Customer's needs and deadlines. GUARDIAN RFID and the Customer will work together to reasonably set the priority of each support incident pursuant to the table below. The primary goals of the table below are to (i) guide the Customer toward clearly understanding and communicating the importance of the issue, and (ii) describe the generally expected response and resolution targets in the production environment. References to a "confirmed support incident" mean that GUARDIAN RFID and the Customer have successfully validated and set the priority for the reported support incident.

Priority	Characteristics Incident	Resolution Target
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the Customer's remote locations; or (c) systemic loss of multiple essential system functions.*	GUARDIAN RFID will provide an initial response to Priority Level 1 incidents within one (1) hour of receipt of the incident. Once the incident has been confirmed, GUARDIAN RFID will use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within eight (8) hours.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	GUARDIAN RFID will provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the incident. Once the incident has been confirmed, GUARDIAN RFID will use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within five (5) business days.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	GUARDIAN RFID will provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the incident. Once the incident has been confirmed, GUARDIAN RFID will use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack, which will occur at least quarterly.
4 Low	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	GUARDIAN RFID will provide an initial response to Priority Level 4 incidents within two (2) business days of receipt of the incident. Once the incident has been confirmed, GUARDIAN RFID will use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

* Examples include: inability to create activity logs in database, and/or inability to access GUARDIAN RFID OnDemand (excluding Internet access or Wi-Fi issues)
