Re: Austin Avenue Roundabout Construction Funding Application

Dear Transportation Policy Board,

I am writing to express my support for the City of Georgetown's application to the Capital Area Metropolitan Planning Organization (CAMPO) for funding to construct a roundabout at the intersection of Austin Avenue and San Gabriel Village Boulevard. A roundabout at this location would greatly benefit our community and the visitors of our historic Downtown by improving safety and traffic flow, which would be particularly beneficial at this busy intersection.

Sincerely,
