RE: Omnibus Budget Bill Report Language- Sacred Oaks Healing Center

Dear Senator Feinstein and Congressman Garamendi,

Thank you for your unrelenting efforts to include language in the recent omnibus budget bill Committee Report for the Department of the Interior, Environment, and Related Agencies directing the Indian Health Service to include the recommended and necessary traffic safety improvements as part of the Sacred Oaks Healing Center project currently under development outside the City of Davis in Yolo County. As you know, these traffic safety improvements, including a left turn pocket on County Road 31, are critical to ensuring the safety of those traveling to and from the facility.

Thank you again for all of your assistance in this matter and your continued championing of Yolo County issues.

Sincerely,

Oscar Villegas
Chair, Yolo County Board of Supervisors
