COVID-19 State Watchlist Indicators (as of June 4, 2020)

CDPH has established additional data-driven metrics to monitor COVID-19 disease transmission:

1. Average # of tests per day (per 100,000 population)
2. Case rate per 100,000 (past 14 days)
3. Testing positivity % (7 day avg w/7 day lag)
4. % change in COVID+ hospitalized patients (3 day avg)
5. % ICU beds currently available
6. % Ventilators currently available

Threshold	Yolo County
N/A	68.2
>25 per 100,000	9.8
>8%	2.4%
>10%	---
<20%	23.1
<25%	93.0

- If a county exceeds State-established threshold, they will be placed on a monitoring list and receive technical assistance from the state
- **Yolo County currently meets all metrics**

Covered Service for COVID-19 Testing	Health plans and Issuers (effective 3/18/20) <i>(§ 6001(a) of the Families First Coronavirus Response Act (FFCRA), as amended by Section 3201 of the CARES Act)</i>	Provides coverage for COVID-19 testing and diagnosis.

COVID 19 Testing Plan Update

Plan updated to include new Skilled Nursing Facilities (SNF) Baseline Testing requirements

- All SNF's must submit a plan to CDPH that includes testing
- Baseline testing of all residents/staff must be completed by June 30, 2020.
 - CDPH will also accept results for those facilities that completed their baseline testing in May
- After baseline, ongoing requirement to test 25% of staff/residents weekly
- Yolo County SNF Guidance document assists SNFs create a mass testing plan to meet requirements

Total SNF population of staff/residents: ~1600

Skilled Nursing Facilities & Long-Term Care Facilities

Skilled Nursing Facility (SNF)

- Provide high-level of medical care from licensed health professionals.
- Regulated by the California Department of Public Health (CDPH)
- 7 facilities in Yolo County
- Required to submit a testing plan to CDPH/Yolo County
- All facilities have submitted plans

Long-Term Care Facility (LTC)

- Provide medical and personal care to individuals who cannot manage independently
- Regulated by the California Department of Social Services (CDSS)
- 7 facilities in Yolo County
- Not required to submit a testing plan
- Yolo County is working with them to develop testing plans

Skilled Nursing Facilities (SNFs) Monitoring Update

Facility Name	Location	Submitted COVID Mitigation Plan to CDPH and Yolo DOC	Completed Baseline Testing Requirements (all staff/residents) by 6/30/20	Compliant With Ongoing Testing Requirements*
Alderson's Convalescent	Woodland	Yes		
Cottonwood Post Acute Rehab	Woodland	Yes		
Courtyard Healthcare	Davis	Yes		
River Bend Nursing Center	West Sacramento	Yes		
St.Johns/Stollwood	Woodland	Yes	Completed	
University Retirement	Davis	Yes	In progress	
Woodland Nursing and Rehab	Woodland	Yes		

- **Baseline testing: 100% of staff/residents; ongoing testing requirement is 25% of staff/residents weekly**
- **Facilities are responsible for determining how testing will be done and implementing that process**

Long Term Care Facilities (LTCs) Monitoring Update

Facility Name	Location	Submitted Any Type of Plan to Yolo DOC	Type of Plan submitted	Current Plan includes testing of staff/residents
Atria Covell Gardens	Davis	Yes	In-Person Dining	
Carewell Company (Pistachio, Cottonwood, Spanish Bay homes)	Davis			
Carlton Sr Living Davis	Davis	Yes	Small Group Activities	
Gloria's Country Care	Woodland			
Palm Gardens	Woodland			
The Californian	Woodland	Yes	In Person Dining	
Woodland Residential Services	Woodland			

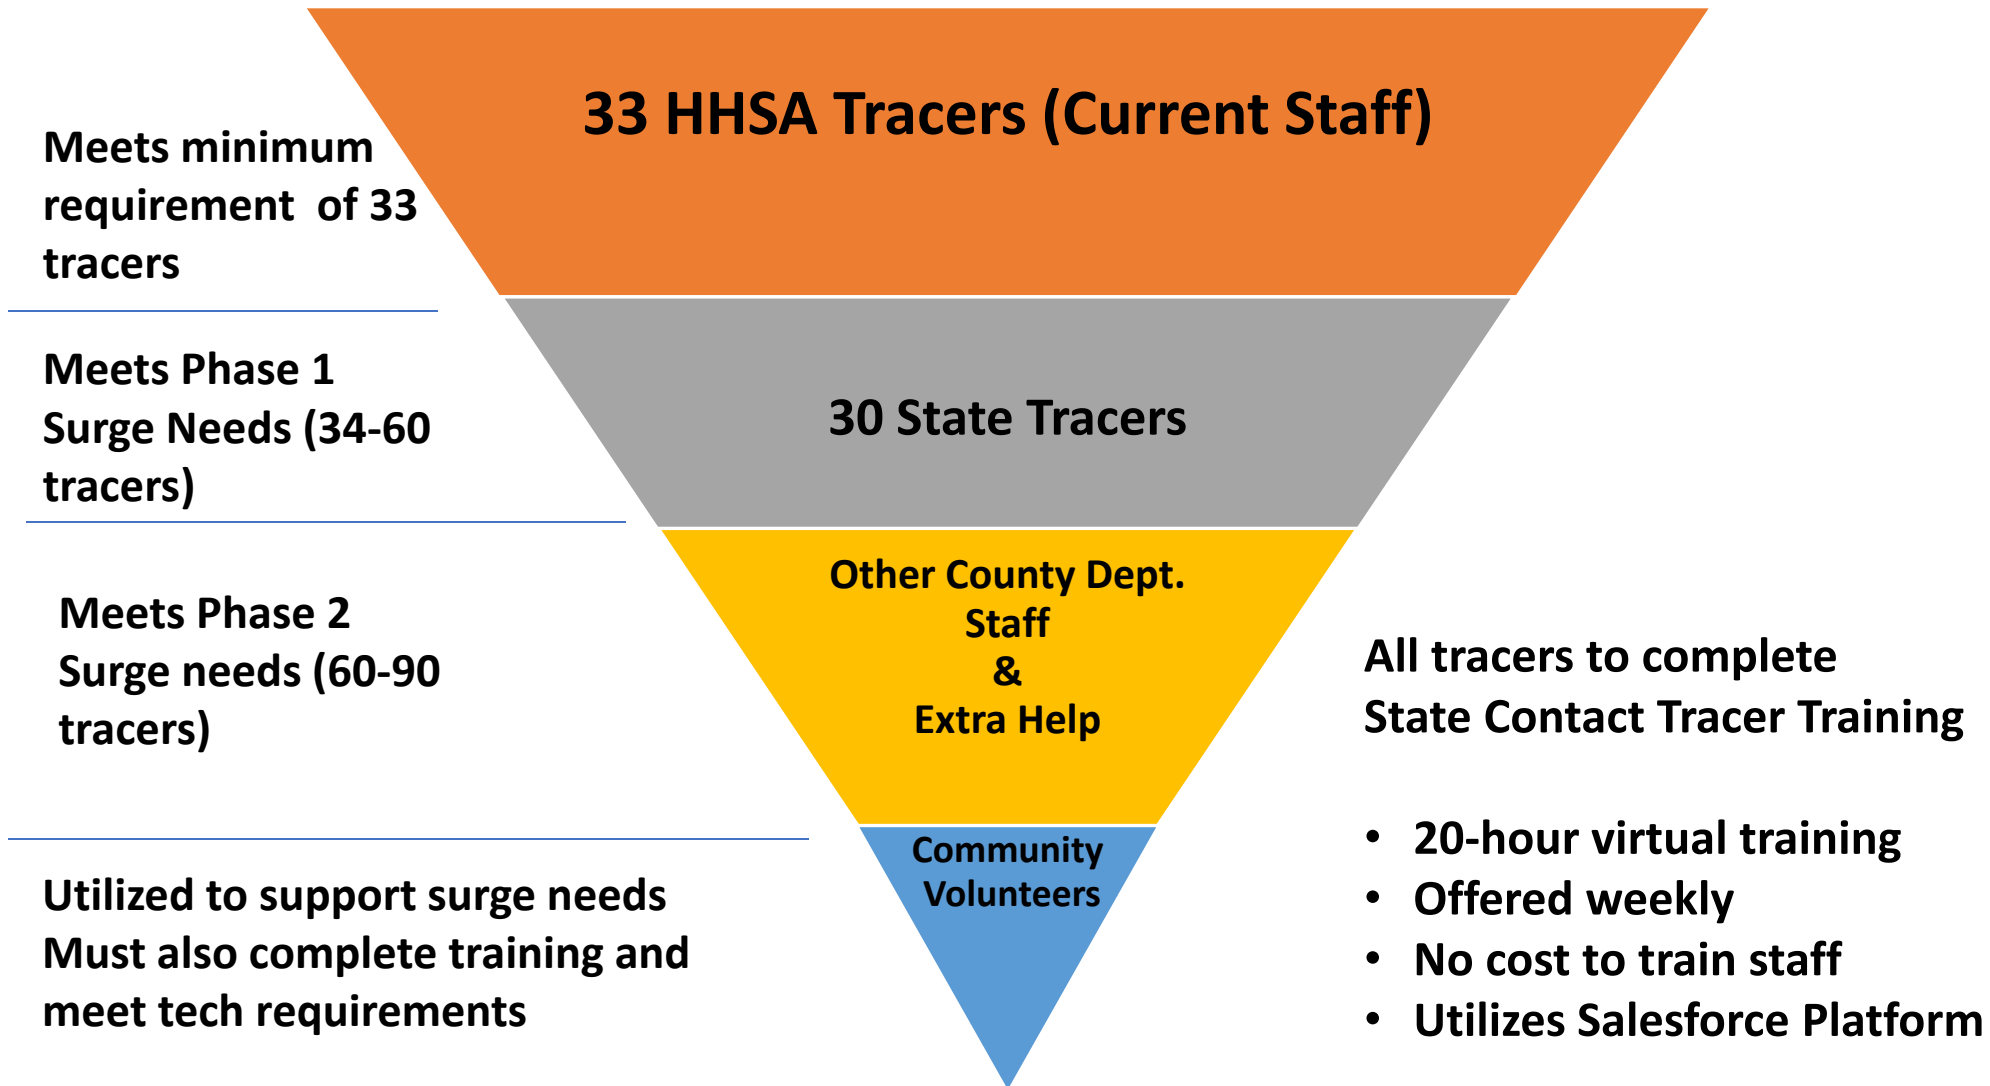

- Yolo County is working with facilities to encourage them to develop a complete COVID mitigation plan

Contact Tracing Update

- 16 HHSA staff have completed the State Contact Tracing Program
 - 9 staff scheduled for the training that begins 6/8/20; additional staff in upcoming weeks
- Data Use Agreement to onboard CalConnect (online platform; Aka Salesforce) complete
- Volunteer list outreach and outreach to City of W. Sacramento completed
 - Volunteer interest numbers dropped after training/tech/commitment requirements were shared
- Current status: under capacity; no surge required

Ratio: 1 tracer = 10 contacts; currently monitoring 82 in isolation and quarantine (approx. 8 tracers needed)
Total contacts released from isolation/quarantine to date: 162

HHSA TRACING STAFFING PLAN
