Agenda

Things we will cover:

- The Federal Voting Rights Act
- Fair Maps Act Criteria
- Current Lines
- Three Recommend Plans from the ARC
 - Draft Map 2
 - Draft Map 4A
 - Draft Map 5
- Next Steps

What is the Federal Voting Rights Act?

The Voting Rights Act is federal Law that seeks to remedy racial disenfranchisement. It has two sections impacting redistricting:

Section 2 – Majority Minority Districts

Section 5 – Preclearance (inactive)

The California Voting Rights Act prohibits the use of At Large Election Systems in local government if there is Racially Polarized Voting. *Does not impact Yolo County.*

What is the Federal Voting Rights Act?

The Voting Rights Act Section 2 is enforced when a jurisdiction meets certain preconditions:

- 1) A minority group must be sufficiently large and geographically compact to comprise a majority of the district;
- 2) The minority group must be politically cohesive (it must demonstrate a pattern of voting for the same candidates, also known as “bloc voting”); and,
- 3) A majority of voters vote sufficiently as a bloc usually to defeat the minority group’s preferred candidate.

What is the Federal Voting Rights Act?

Determining Section 2 obligation requires legal counsel and sometimes a racially polarized voting analysis.

- Does the minority population qualify under Section 2?
- Is the proposed district a sufficient remedy – is it an “effective” majority minority district?
- Is there a claim for a coalition district?
- ***Without Section 2, a community of interest can still be supported but race cannot be a predominant factor in drawing lines.***

Traditional Redistricting Principles

Complying with the Fair Maps Act

The Fair Maps Act passed by the Legislature mandates a set of criteria we must follow when drawing district plans.

- Relatively equal size - people, not citizens
- Contiguous – districts should not hop/jump
- Maintain “*communities of interest*”
- Follow city and census designated place boundaries
- Keep districts compact – appearance/function

Communities of Interest

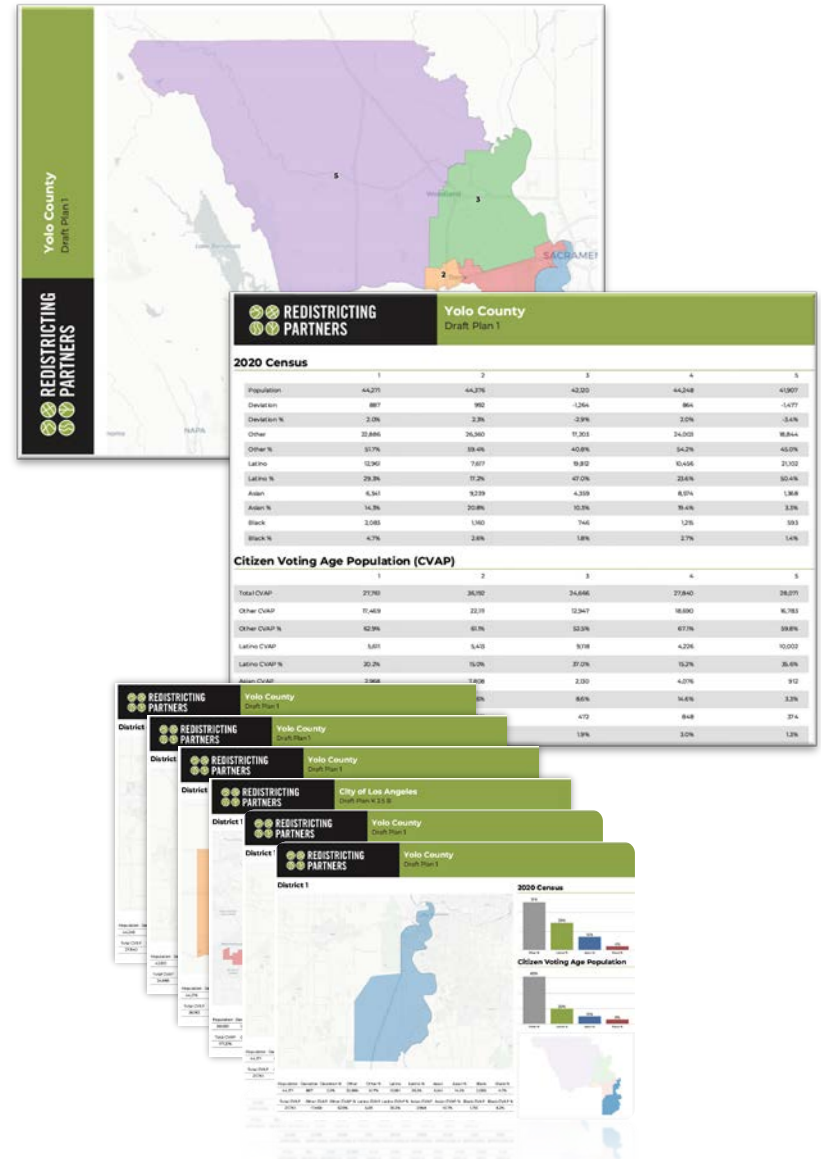

Summary of Submitted Testimonials

- Winters should be incorporated into current District 5 and with the rural, unincorporated areas of the County
- Winters should not be incorporated into District 5
- Unify all of West Sacramento into one district
- Unify Clarksburg, Knights Landing, Winters, and the Capay Valley
- Unify the rural areas together into one district

From COI to Maps

With more cities and counties using commission-based redistricting, we move redistricting out into the public, with maps driven by Community of Interest testimony.

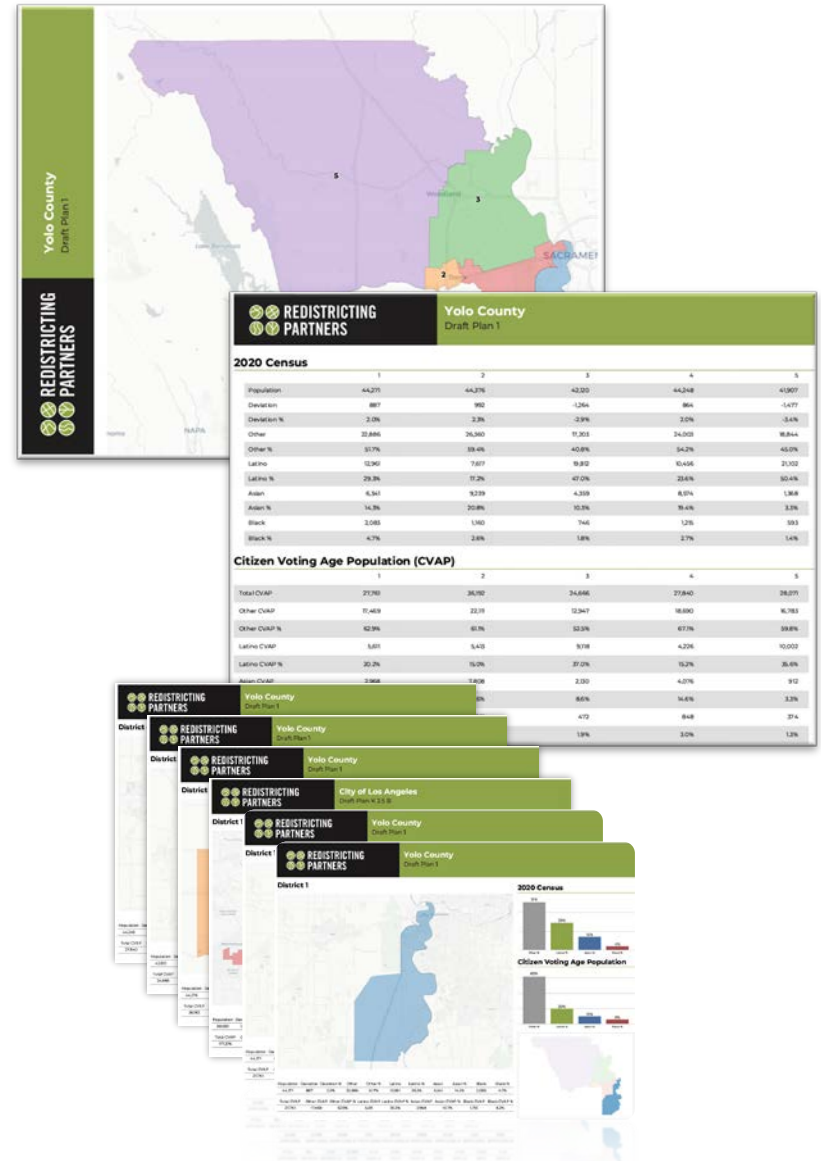

- **Input from community drives process** with multiple ways for the public to engage.
- **Rules for process** emphasize the importance of traditional criteria and minimizing divisions of neighborhoods.
- **Releasing maps for feedback** – today we will see plans to spark more public engagement.

Draft Map Plans

The County's Advisory Redistricting Commission has met over last several months, collected a breadth of community input, and has recommended three maps for the Board's consideration.

- **Draft Plan 2** – Moves Winters into District 5 and splits Woodland East-West
- **Draft Plan 4a** – preserves the cores of current districts with the Vic Fazio Wildlife Area unified in District 1
- **Draft Plan 5**– a map drawn by El Concilio, with changes to splitting the City of Davis and unifying the Vic Fazio Wildlife Area

What's Next

The Board of Supervisors needs to select a plan.

- **Identify preferred plan(s)** with an understanding that none of these are final plans. *It is an iterative process.*
- **Suggest possible changes –** Redistricting Partners can provide adjustments to the boundaries of any number of the draft plans.
- **Provide direction** for the preparation of new draft map(s) to be put out for public input and future Board review.
